Understanding A Raisin in the Sun Lynn Domina.1998-09-24 A Raisin in the Sun is the first play by a black woman to be produced in a Broadway theater. First performed in 1959, before the civil rights and women's movements came to the fore, it raises issues of segregation, family strife, and relationships between men and women that are both representative of the time and timeless in their universality. This interdisciplinary collection of commentary and forty-five primary documents will enrich the reader's understanding of the historical and social context of the play. A wide variety of primary materials sheds light on integration and segregation in the 1950s and 1960s; relationships between African Americans and Africans; relationships between men and women within African American culture; Chicago as a literary setting for the play; and contemporary race relations in the 1990s. Documents include first-person accounts, magazine articles and editorials espousing opposing arguments, excerpts from the works of Toni Morrison, W.E.B. DuBois, Marcus Garvey, bell hooks, Malcolm X, and Richard Wright, and a selection of pertinent government documents and eye-opening statistics. Many of the documents are available in no other printed form. Each chapter concludes with study questions and topics for research papers and class discussion, as well as lists of further reading for examining the themes and issues raised by the play. The casebook begins with a literary analysis of the play, its themes and dramatic structure. Two chapters on the historical context provide commentary and documents on the history of segregation and integration in the United States, focusing on segregation in employment and education as well as in housing, and relationships between African Americans and Africans and the back to Africa movement. A chapter situates the play within the context of the literature of Chicago, including articles about race problems, as well as excerpts from Upton Sinclair's *The Jungle*, Richard Wright's *Native Son*, Carl Sandburg's poem *Chicago*, and other pieces. The topic of the relationship between African American men and women is explored in a variety of articles on the African American family, black fatherhood, black masculinity, and the problems of African American women. A chapter on contemporary race relations examines the current situation and includes first-person accounts by two African American teenagers, current employment statistics for African Americans, and articles on current problems facing them. Each document is preceded by an explanatory introduction, and each chapter concludes with study questions and topics for research papers and class discussion, as well as lists of further reading for examining the themes and issues raised by the play.

A Raisin in the Sun Lorraine Hansberry.2011-11-02 Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage, observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama

about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem *Harlem*, which warns that a dream deferred might dry up/like a raisin in the sun. The events of every passing year add resonance to *A Raisin in the Sun*, said *The New York Times*. It is as if history is conspiring to make the play a classic.

"A Raisin in the Sun". Is Working Hard Enough to Achieve One's American Dream? Kathrin Unglaub.2016-04-19 Seminar paper from the year 2014 in the subject American Studies - Literature, grade: 1,7, University of Duisburg-Essen, course: A Survey of American Literature, language: English, abstract: This term paper deals with the play *A Raisin in the Sun* and how the concept of the American Dream appears in the play. It will be discussed if working hard is enough to reach one's American Dream. The play is written by Lorraine Hansberry and published in 1958. It takes place in the south of Chicago where the Younger family lives and consists of five people from three different generations. Head of the family is Lena, who is mostly called Mama, right after her we got her son Walter Lee, who will be presented in the main part of this term paper. Besides, there is Walter's wife Ruth and their son Travis. The last member of the Youngers is Walter's sister Beneatha. Mama embodies the first generation and is quite traditional. Ruth, Walter and Bennie represent the second generation, whereas Travis is the only child in the third generation. The family has been living in America in the fifth generation and has got African roots. It can be said though that Walter, Bennie, Ruth and Travis are less traditional than Mama and identify with the American way of life. The whole family shares a small apartment in a ghetto and living together is difficult as everybody has got his or her own desire, Dream and point of view about certain topics. Especially Walter Lee expects a lot from life and the reader sympathizes with him. Misunderstood by his family Walter wants to live a better life and represents the concept of the American Dream of a person wanting to rise from rags to riches. Walter dreams of an office job and really dislikes being a chauffeur for a white person. He wants his son to go to the best schools and to get the best education as possible. Furthermore, he also wants to spoil his wife and get himself a nice car. But why does he fail? Why does nobody in his family support h

Lorraine Hansberry: The Life Behind A Raisin in the Sun Charles J. Shields.2022-01-18 The moving story of the life of the woman behind *A Raisin in the Sun*, the most widely anthologized, read, and performed play of the American stage, by the *New York Times* bestselling author of *Mockingbird: A Portrait of Harper Lee* Written when she was just twenty-eight, Lorraine Hansberry's landmark *A Raisin in the Sun* is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway, and the first Black and youngest American playwright to win a New York Critics' Circle Award. Charles J. Shields's authoritative biography of one of the twentieth century's most admired playwrights examines the parts of Lorraine Hansberry's life that have escaped public knowledge: the influence of her upper-class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War, and her dependence on her white husband—her best friend, critic, and promoter. Many of the identity issues about class, sexuality, and race that she struggled with are relevant and urgent today. This dramatic telling of a passionate life—a very American life through self-reinvention—uses previously unpublished interviews with close friends in politics and theater, privately held correspondence, and deep

research to reconcile old mysteries and raise new questions about a life not fully described until now.

Pan-Africanism and Black Assimilation in Lorraine Hansberry's "A Raisin in the Sun" Jakub Duch.2020-01-03 Seminar paper from the year 2015 in the subject English Language and Literature Studies - Literature, grade: 2,0, University of Hamburg, language: English, abstract: This seminar paper explains the historical and biographical background of Lorraine Hansberry's writing *A Raisin in the Sun*. The African American intelligentsia has always been torn between assimilating into a society built by and for white people, and the longing for a deeper connection with Africa and its cultures. Hansberry, the most talented African American playwright of the post-war era, tackles this issue by using two male figures as antagonists in her play which is one of the all-time classics of black American literature. Apart from its witty dialogues and the realistic and authentic characters, the many issues the play comments on make it stand out. For an analyst of literature, there are many possibilities of examining it further. One possibility could be the role segregation (and the struggle to overcome it) plays in *A Raisin in the Sun*, since Lorraine Hansberry's father fought in court for his right to move into a predominately white neighborhood. Another way of studying the play could perhaps lay the focus onto Hansberry's feminism and the representation of gender roles in it, since it features various strong female characters. One could also analyze the play as a comment on capitalist ideology, the American dream and the poor's desperate quest for material well-being. However, I decided to analyze the actions of two characters that symbolically stand for two different ways African Americans can choose: identification with blackness and Africa and assimilationism are represented by the characters of Asagai and George Murchison, respectively. The stark contrast between the two, the scenario of Beneatha choosing between them, and the way Hansberry employed the literary technique of personification were the reason this aspect of the play appeared the most interesting.

Theme Analysis: Lorraine Hansberry's "A Raisin in the Sun" Gabriel Sutton. 2012-08-06 Essay from the year 2011 in the subject American Studies - Literature, The University of North Carolina at Wilmington, course: ENG 502, language: English, abstract: Lorraine Hansberry's Tony Award-nominated play, A Raisin in the Sun, spotlights the dreams and struggles of an African American family in mid-1950s Chicago. This was a time before affirmative action, when racial tensions were at their peak. Changes in public opinion and legislation were leading to race riots all over the nation. Through character relationships, dialogue and conflict, Lorraine Hansberry shows how classism, discrimination and gender roles inhibited minorities at the height of the Civil Rights Movement.

Desiree's Baby Kate Chopin. 2017-04 Desiree's Baby BY Kate Chopin is about the daughter of Monsieur and Madame Valmond, who are wealthy French Creoles in antebellum Louisiana. Abandoned as a baby, Desiree was found by Monsieur Valmond lying in the shadow of a stone pillar near the Valmond gateway. She is courted by the son of another wealthy, well-known and respected French Creole family, Armand. They marry and have a child. People who see the baby have the sense it is different. Eventually they realize that the baby's skin is the same color as a quadroon (one-quarter African)-the baby has African ancestry. At the time of the story, this would have been considered a problem for a person believed to be white.

To Be Young, Gifted and Black Lorraine Hansberry.1996-01-03 Assembled from plays, essays, letters, drawings, and photographs, this memoir records the passionate engagement and spectacular accomplishment of the playwright of *A Raisin in the Sun*. It follows Lorraine Hansberry from her childhood in Chicago (where her family encountered vicious resistance when it moved into a white neighborhood), through her arrival in New York, where the triumph of *A Raisin in the Sun* made her famous virtually overnight, to her death at the tragically early age of thirty-four. Above all, Hansberry's autobiography rings with the voice of its creator: a black woman who could be angry, loving, bitter, touchingly funny, and defiantly proud.

Gender in Lorraine Hansberry's A Raisin in the Sun Gary Wiener.2011-02-10 The landmark play *A Raisin in the Sun* takes its title from a Langston Hughes poem which poses the questions What happens to a dream deferred? Does it dry up like a raisin in the sun? Focusing on a working-class African-American family in Chicago who save enough to purchase either a business in a black neighborhood or a house in a white neighborhood, the play exposes issues of racism and gender as the women of the family make important decisions that push against both racial and gender lines. This volume discusses gender in the play, looking at how the female characters fight both racism and male chauvinism, how the play is dominated by strong female characters, and how characters resist the stereotype of the emasculating female. The book also presents contemporary perspectives on race and feminism in the twenty-first century. Contributors include Barbara Ehrenreich, Jewelle L. Gomez, and Sharon Friedman.

Lorraine Hansberry, who died at thirty-four, was by all accounts a force of nature. Although best-known for her work *A Raisin in the Sun*, her short life was full of extraordinary experiences and achievements, and she had an unflinching commitment to social justice, which brought her under FBI surveillance when she was barely in her twenties. While her close friends and contemporaries, like James Baldwin and Nina Simone, have been rightly celebrated, her story has been diminished and relegated to one work—until now. In 2018, Hansberry will get the recognition she deserves with the PBS *American Masters* documentary “Lorraine Hansberry: Sighted Eyes/Feeling Heart” and Imani Perry’s multi-dimensional, illuminating biography, *Looking for Lorraine*. After the success of *A Raisin in the Sun*, Hansberry used her prominence in myriad ways: challenging President Kennedy and his brother to take bolder stances on Civil Rights, supporting African anti-colonial leaders, and confronting the romantic racism of the Beat poets and Village hipsters. Though she married a man, she identified as lesbian and, risking censure and the prospect of being outed, joined one of the nation’s first lesbian organizations. Hansberry associated with many activists, writers, and musicians, including Malcolm X, Langston Hughes, Duke Ellington, Paul Robeson, W.E.B. Du Bois, among others. *Looking for Lorraine* is a powerful insight into Hansberry’s extraordinary life—a life that was tragically cut far too short. A Survey of African American Vernacular English, Considering the Drama 'A Raisin in the Sun' by Lorraine Vivian Hansberry as an

Example Jessica Schweke.2007-09 Seminar paper from the year 2006 in the subject American Studies - Linguistics, grade: 1,7, Ernst Moritz Arndt University of Greifswald, course: 'Varieties and Variability of English' - Proseminar 'English as a World Language', 11 entries in the bibliography, language: English, abstract: This paper will give an overview of some distinctive features of African American Vernacular English. Since drama in general aims to demonstrate everyday speech, I will also give evidence from the drama A Raisin in the Sun by Lorraine Vivian Hansberry from 1959. This will underline these features as well as their use and show their practicability in speech. Generally speaking, the term vernacular describes a variety of speech which is often analyzed in contrast to the Standard of a language and which is used by a certain group of speakers. The term African American Vernacular English (AAVE) thus describes a dialect used by African Americans. In course of time this variety has also been called Black Vernacular English, Vernacular Black English, Black English Vernacular, Afro-American English, or simply Black English. (Crystal 2003: 491) The African American Vernacular is a variety of the English language that has set phonological (system of sounds), morphological (system of structure of words and relationship among words), syntactic (system of sentence structure), semantic (system of meaning) and lexical (structural organization of vocabulary items and other information) patterns. (Green 2002: 1) In the course of this term paper I will take a closer look at these patterns. However, it has to be kept in mind that even though these features are characteristics of the African American speech variety, not every African American uses this variety. Additionally, some speakers use certain features more often than others, depending on the speaker's age, social status, the situation of communication or the person they hold a conversation with. Belonging to the African American

Lorraine Hansberry's The Sign in Sidney Brustein's Window Lorraine Hansberry.1986 This is the probing, hilarious and provocative story of Sidney, a disenchanting Greenwich Village intellectual, his wife Iris, an aspiring actress, and their colorful circle of friends and relations. Set against the shenanigans of a stormy political campaign, the play follows its characters in their unorthodox quests for meaningful lives in an age of corruption, alienation and cynicism. With compassion, humor and poignancy, the author examines questions concerning the fragility of love, morality and ethics, interracial relationships, drugs, rebellion, conformity and especially withdrawal from or commitment to the world.

Using Informational Text to Teach A Raisin in the Sun Audrey Fisch,Susan Chenelle.2016-02-12 The Common Core State Standards mean major

changes for language arts teachers, particularly the emphasis on “informational text.” How do we shift attention toward informational texts without taking away from the teaching of literature? The key is informational texts deeply connected to the literary texts you are teaching. Preparing informational texts for classroom use, however, requires time and effort. Using Informational Text to Teach Literature is designed to help. In this second volume (the first volume is on *To Kill a Mockingbird*), we offer informational texts connected to Lorraine Hansberry’s *A Raisin in the Sun*. Readings range in genre (commencement address, historical and cultural analysis, government report, socioeconomic research study, and Supreme Court decision) and topic (housing discrimination past and present, abortion, the racial and cultural politics of hair, socioeconomic mobility and inequality, the violence associated with housing desegregation, and the struggle against the legacy of systemic racism). Each informational text is part of a student-friendly unit, with reading strategies and vocabulary, writing, and discussion activities. Teachers need to incorporate nonfiction in ways that enhance their teaching of literature. The Using Informational Text to Teach Literature series is an invaluable supportive tool.
