The Chinese in Europe Gregor Benton, Frank N. Pieke. 2016-07-27 The Chinese are among Europe's oldest immigrant communities, and are now, in several countries, among the biggest and, economically, the most powerful, drawing increasing interest from other ethnic minorities, governments, and researchers. This volume opens up and delineates this new field of European overseas Chinese studies, reporting on pioneering research on the Chinese in Britain, Denmark, France, Germany, Hungary, Italy, the Netherlands, Portugal, and Spain, and exploring the networks, self-organizations, and migration patterns that are the fabric of the Chinese community in Europe, together with the issues of identity, language, integration, and community building that Chinese throughout the continent face.

A Guide to Renovating the Bridgeport 2J Variable Speed Milling Machine L. L. C. ILION Industrial Services, LLC. 2013-02-14 ILION Industrial Services is pleased to announce this brand new renovation manual which is written specifically for the Bridgeport 2J variable speed mills. If you are planning on refurbishing your Bridgeport Series 1 2J or 2J2 Mill or if you are out in the market looking for a good used Bridgeport, then this manual is a great place to start. A Guide to Renovating the Bridgeport 2J Variable Speed Milling Machine ; our 152 page soft-cover shop manual, is fully illustrated with over 400 B&W photographs and diagrams, plus step-by-step instructions for disassembling, cleaning, reassembling and adjusting all of the critical components of the variable speed 2J milling machine. The manual also illustrates the difference in the various models and provides guidance for evaluating a used machine before you purchase. Bridgeport never produced a full blown maintenance manual for their mills so this is the closest you will come to a step-by-step guide. The typeface of the manual is printed two points larger than normal for those of us who prefer to work at the bench without the use of our reading glasses. The instructions are simple and easy to

follow... no prior machinery renovation experience is required. Though the Bridgeport is an industrial machine, it is well suited for the home garage shop or small business and the task of loacting one, getting it home and placing it back in service is not as expensive or challenging as you may think. Let us show you how. If you are interested in the original Bridgeport J Head (the Step-Pulley model), please check out our other books.

Homicide and Severe Mental Disorder Michael Farrell.2021-07-21 Homicide and Severe Mental Disorder: Understanding and Prevention provides a complete picture of how severe mental disorder can be assessed in cases of homicide, and how improved understanding can impact risk reduction and prevention. Michael Farrell brings together a wide range of material including theory, research, demographic data, case examples, enquiry reports, and practical strategies, providing clear examples throughout. Farrell draws on examples of homicide representing a great challenge to both comprehension and prevention - cases that have sometimes provoked media criticism of public policy and services and have aroused public anxiety. In seeking fuller understanding, the book takes an overview of severe mental disorder, homicide, and prevention, before introducing the approach of Situational Crime Prevention and related theory and discussing demographic features of perpetrators and victims. Turning to prevention, the text examines examples of research into homicides perpetrated by individuals with severe mental disorder. Insights from Situational Crime Prevention are applied to selected cases, and a wider view is then taken looking at the criminological features of means, motive, opportunity, and location. Organisational constraints and limitations of communication in services are considered, and cases illuminating the issues and challenges throughout the book are summarised in a structured end of volume glossary. As evidence

and insights accumulate and cohere, they more clearly indicate preventive strategies. Homicide and Severe Mental Disorder will be of great interest to students, researchers, and teachers in psychiatry, psychology, and criminology, health and mental health professionals, criminal justice personnel, and those working with individuals with severe mental disorder.
