United States. It takes us to the present, when African Americans, descendants of those on the White Lion and a thousand other routes to this country, continue a journey defined by inhuman oppression, visionary struggles, stunning achievements, and millions of ordinary lives passing through extraordinary history. *Four Hundred Souls* is a unique one-volume “community” history of African Americans. The editors, Ibram X. Kendi and Keisha N. Blain, have assembled ninety brilliant writers, each of whom takes on a five-year period of that four-hundred-year span. The writers explore their periods through a variety of techniques: historical essays, short stories, personal vignettes, and fiery polemics. They approach history from various perspectives: through the eyes of towering historical icons or the untold stories of ordinary people; through places, laws, and objects. While themes of resistance and struggle, of hope and reinvention, course through the book, this collection of diverse pieces from ninety different minds, reflecting ninety different perspectives, fundamentally deconstructs the idea that Africans in America are a monolith—instead it unlocks the startling range of experiences and ideas that have always existed within the community of Blackness. This is a history that illuminates our past and gives us new ways of thinking about our future, written by the most vital and essential voices of our present.

lipstick-smear'd laughingstock of an entire town—a woman trapped in her long-ago moment of glory as the 1951 Vidalia Onion Queen. But when Camille is hit by a truck and killed, CeeCee is left to fend for herself. To the rescue comes her previously unknown great-aunt, Tootie Caldwell. In her vintage Packard convertible, Tootie whisks CeeCee away to Savannah's perfumed world of prosperity and Southern eccentricity, a world that seems to be run entirely by women. From the exotic Miz Thelma Rae Goodpepper, who bathes in her backyard bathtub and uses garden slugs as her secret weapons, to Tootie's all-knowing housekeeper, Oletta Jones, to Violen Hobbs, who entertains a local police officer in her canary-yellow peignoir, the women of Gaston Street keep CeeCee entertained and enthralled for an entire summer. Laugh-out-loud funny and deeply touching, Beth Hoffman's sparkling debut is, as Kristin Hannah says, packed full of Southern charm, strong women, wacky humor, and good old-fashioned heart. It is a novel that explores the indomitable strengths of female friendship and gives us the story of a young girl who loses one mother and finds many others.

Heaven Can't Wait previously appeared in Catch of the Day "No One Helped" Marcia M. Gallo.2015-08-11 In No One Helped Marcia M. Gallo examines one of America's most infamous true-crime stories: the 1964 rape and murder of Catherine Kitty Genovese in a middle-class neighborhood of Queens, New York. Front-page reports in the New York Times incorrectly identified thirty-eight indifferent witnesses to the crime, fueling fears of apathy and urban decay. Genovese's life, including her lesbian relationship, also was obscured in media accounts of the crime. Fifty years later, the story of Kitty Genovese continues to circulate in popular culture. Although it is now widely known that there were far fewer actual witnesses to the crime than was reported in 1964, the moral of the story continues to be urban apathy. Helped place the conscious creation and promotion of the Genovese story within a changing urban environment. Gallo reviews New York's shifting racial and economic demographics and explores post-World War II examinations of conscience regarding the horrors of Nazism. These were important factors in the uncritical acceptance of the story by most media, political leaders, and the public despite repeated protests from Genovese's Kew Gardens neighbors at their inaccurate portrayal. The crime led to advances in criminal justice and psychology, such as the development of the 911 emergency system and numerous studies of bystander behaviors. Gallo emphasizes that the response to the crime also led to increased community organizing as well as feminist campaigns against sexual violence. Even though the particulars of the sad story of her death were distorted, Kitty Genovese left an enduring legacy of positive changes to the urban environment.

Will she offer a lifeline to Alida or betray her? The Shining Wall is at once a frightening parable of our unjust world of haves and have nots, a richly imagined yet thrilling story of technological control and the fight for survival, and a paean to female friendship and power. Site Fidelity: Stories Claire Boyles. 2021-06-15 Finalist for the 2022 Reading the West Debut Fiction Award Finalist for the 2022 Colorado Book Award for Literary Fiction Longlisted for the 2022 PEN/Robert W. Bingham Prize for Debut Short Story Collection Set in the western sagebrush steppe, *Site Fidelity* is a vivid, intimate, and deeply human exploration of life on the shifting terrain of our changing planet. Firmly rooted in the modern American West, *Site Fidelity* follows women and families who feel the instinctual, inexplicable pull of a home they must work to protect from the effects of economic inequity and climate catastrophe. A seventy-four-year-old nun turns to eco-sabotage to stop a fracking project. A woman delivers her own baby in a Nevada ghost town. A young farmer hides her chicken flock from the government during a bird flu epidemic. An ornithologist returns home to care for her rancher father and gets caught up trying to protect a breeding group of endangered Gunnison sage grouse. In lean, lyrical prose, Claire Boyles evokes the bleakness and beauty of our threatened western landscapes. Spanning the decades from the 1970s to a plausible near future, this knockout debut introduces unforgettable characters who must confront the challenges of caregiving and loss alongside the very practical impacts of fracking, water rights law, and other agricultural policies. *Site Fidelity* is a vivid, intimate, and deeply human exploration of life on the shifting terrain of our changing planet.

would happen if they did? From the New York Times bestselling author of *The Authenticity Project* comes an escapist read that will transport you, cheer you, and make you smile—and make you, too, wish you had Iona’s gift for bringing out the best in everyone. “A not-to-be-missed read in the mode of Gail Honeyman’s *Eleanor Oliphant Is Completely Fine*.” —Booklist, starred review

Every day Iona, a larger-than-life magazine advice columnist, travels the ten stops from Hampton Court to Waterloo Station by train, accompanied by her dog, Lulu. Every day she sees the same people, whom she knows only by nickname: Impossibly-Pretty-Bookworm and Terribly-Lonely-Teenager. Of course, they never speak. Seasoned commuters never do. Then one morning, the man she calls Smart-But-Sexist-Manspreader chokes on a grape right in front of her. He’d have died were it not for the timely intervention of Sanjay, a nurse, who gives him the Heimlich maneuver. This single event starts a chain reaction, and an eclectic group of people with almost nothing in common except their commute discover that a chance encounter can blossom into much more. It turns out that talking to strangers can teach you about the world around you—and even more about yourself.

Carnal Gift Pamela Clare. 2004 Offered to a stranger in exchange for her brother's life, a young Irish woman must confront her desire for her new lord and precariously toe the line between love and hate. Reissue.

Bennet than Samantha Moore. But life for the twenty-three-year-old orphan is about to get stranger than fiction. An anonymous, Dickensian benefactor (calling himself Mr. Knightley) offers to put Sam through Northwestern University's prestigious Medill School of Journalism. There is only one catch: Sam must write frequent letters to the mysterious donor, detailing her progress. As Sam's dark memory mingles with that of eligible novelist Alex Powell, her letters to Mr. Knightley become increasingly confessional. While Alex draws Sam into a world of warmth and literature that feels like it's straight out of a book, old secrets are drawn to light. And as Sam learns to love and trust Alex and herself, she learns once again how quickly trust can be broken. Reminding us all that our own true character is not meant to be hidden, Reay's debut novel follows one young woman's journey as she sheds her protective persona and embraces the person she was meant to become. "Dear Mr. Knightley is a stunning debut—a pure gem with humor and heart." —Serena Chase, USA Today Includes Reading Group Guide Plus Bonus Material: Q & A with Katherine Reay and Sam's Reading List

Breaking Free Pamela Clare.2021-04-23 It's the return of the Colorado High Country series! Come back to Scarlet Springs with members of the Rocky Mountain Search & Rescue Team. Featuring characters from Pamela Clare's acclaimed I-Team series. He's the one man she can't have... Winona Belcourt left the Pine Ridge Reservation to become a wildlife vet in the small Colorado mountain town of Scarlet Springs. She now leads a busy life caring for sick and injured animals and watching over her aging grandfather. Apart from a complete lack of romance, her life is close to perfect. She doesn't have time for dating, even if there were available men in tiny Scarlet who interested her. Then Jason Chiago comes to town, one of many volunteers here to help rebuild her family's summer camp. Tall, dark, and hot as hell, he's the friend of some friends and a member of the legendary Shadow Wolves, an all-Native unit of expert trackers who patrol the US-Mexico border. Sadly, he's also taken-or so her friends say. Winona would never get involved with another woman's man. Still, she can't turn off the longing she feels for him-or stop herself from imagining the heat of his kisses. She's everything he wants... As a Tohono O'odham man, Jason knows that life's journey is filled with unexpected twists and turns. Still, he never expected to be where he is now-his ex-fiancée in prison and his job with the Shadow Wolves on the line. On administrative leave for taking out a killer on the wrong side of the border, he has come to Scarlet Springs to help rebuild a kids' camp that burned to the ground-and to clear his head before his disciplinary hearing next month. Yet, from the moment Winona stumbles into him, he can think only about her. With her big heart, sharp mind, and sweet face, she is everything he's ever desired in a woman. But he made a deathbed promise to his grandmother that he would never abandon his responsibility to the O'odham people and move away from the reservation like so many others have done. It's his duty to pass on traditional lifeways so they won't disappear and to be a role model for O'odham youth. Winona deserves better than a

fling with a man who can't stick around. That's why he's going to keep his hands to himself, no matter how much she makes him burn. A love that won't be denied... When a wealthy rancher asks Winona to help find a wolf that is killing his livestock, Jason and Winona join forces to solve the mystery. There haven't been wild wolves in Colorado for eighty years. But working closely side by side has consequences. As they move in on the wolf and uncover a more shocking truth, their attraction ignites into passion. Jason realizes he has a choice to make. He can either keep a vow he made long ago and break both of their hearts by walking away-or he can turn his back on his duty and his people to seize a chance at true happiness in the arms of the woman he loves. Good and Cheap Leanne Brown.2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention.

Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

It Was Me All Along Andie Mitchell.2015-01-06 A yet heartbreakingly honest, endearing memoir of incredible weight loss by a young food blogger who battles body image issues and overcomes food addiction to find self-acceptance. All her life, Andie Mitchell had eaten lustily and mindlessly. Food was her babysitter, her best friend, her confidant, and it provided a refuge from her fractured family. But when she stepped on the scale on her twentieth birthday and it registered a shocking 268 pounds, she knew she had to change the way she thought about food and herself; that her life was at stake. It Was Me All Along takes Andie from working class Boston to the romantic streets of Rome, from morbidly obese to half her size, from seeking comfort in anything that came cream-filled and two-to-a-pack to finding balance in exquisite (but modest) bowls of handmade pasta. This story is about much more than a woman who loves food and abhors her body. It is about someone who made changes when her situation seemed too far gone and how she discovered balance in an off-kilter world. More than anything, though, it is the story of her finding beauty in acceptance and learning to love all parts of herself.
