Your Love Makes Me Complete Ratnadip Acharya.2020-12-30 The dark shadows of the past chase many of us, forcing us to live in a small cocoon that we make around us. We feel safe in that tiny nest where other people cannot enter and hurt us easily. But little do we know that in this process we also stop love and beatitude of life from overwhelming our beings. Heartbroken Sugandha had taken a vow not to respond to love if it ever knocked at the door to her heart again. Christopher was haunted by a disturbing childhood and boyhood and had devised his own means to derive joy from life all alone. They both met in the sleepy and quaint town of Panaji. From a small nod of acknowledgement to long idyllic talks... love cast its own magic spell. But a difficult battle was looming overhead, determined to destroy their dream of remaining together. All they possessed to win the battle was the courage, trust and determination that they drew from love. Based on a true story 'Your Love Makes Me Complete' is an inspiring novel on love, trust & destiny to read and reread.

Suvasas: the beautiful costumes Vishu Arora.2023-09-29 Clothing has always been a vital part of an individual's personality. It mirrors society and acts as a symbol to identify people as per their rank, role, occupation, status, religion and culture. An attempt has been made to prepare a monograph with details on all the historical costumes, their design elements and influence of social, political and economic factors on clothing. 'Suvasas- the beautiful costumes' is a collection of exotic traditional Indian and Western attire since the ancient civilization. This book is specially written for the students of UG and PG courses in Clothing and Textiles and Fashion designing. The tutors, who undertake the teaching of history of costumes, can take this book as guide as it depicts the illustrated beauty of ancient costumes which are diversified in fashion, full of color and pattern. It has relocated all the traditional costumes and provides complete information of the prevalent traditional beautiful garments under different kingdoms, in various Indian states and western countries like Egypt, France, Rome, Byzantine and Greece. Though every effort has been made to explain the matter in a simple and comprehensive manner, the suggestions from readers and fellow teachers for further improvement of the book are welcome. The Grace of Four Moons Pravina Shukla.2008-01-17 Because clothing, food, and shelter are basic human needs, they provide excellent entries to cultural values and individual aesthetics. Everyone gets dressed every day, but body art has not received the attention it deserves as the most common and universal of material expressions of culture. The Grace of Four Moons aims to document the clothing decisions made by ordinary people in their everyday lives. Based on fieldwork conducted primarily in the city of Banaras, India, Pravina Shukla conceptualizes and realizes a total model for the study of body art--understood as all aesthetic modifications and supplementations to the body. Shukla urges the study of the entire process of body art, from the assembly of raw materials and the manufacture of objects, through their sale and the interactions between merchants and

consumers, to the consumer's use of objects in creating personal decoration.
