Their adventure is simple -- beer, ice-cream, swimming, singing -- but the friendship it forges between them turns out to be profound. The Red Millionaire Sean McMeekin.2008-10-01 Willy Münzenberg—an Old Bolshevik who was also a self-promoting tycoon—became one of the most influential Communist operatives in Europe between the World Wars. He created a variety of front groups that recruited well-known political and cultural figures to work on behalf of the Soviet Union and its causes, and he ran an international media empire that churned out enormous amounts of propaganda and raised money for Communist concerns. Sean McMeekin tells Münzenberg’s extraordinary story, arguing persuasively that his financial chicanery and cynical propaganda efforts weakened the non-Communist left, enraged the right, and helped feed a cycle that culminated in Nazism. Drawing extensively on recently opened Moscow archives, McMeekin describes how Münzenberg parlayed his friendship with Lenin into a personal fortune and how Münzenberg’s mysterious financial manipulations outraged Social Democrats and lent rhetorical ammunition to the Nazis. His book sheds new light on Comintern finances, propaganda strategy, the use of front organizations to infiltrate non-Communist circles, and the breakdown of democracy in the Weimar Republic. It is also an engrossing tale of a Communist con man whose name once aroused fear, loathing, and admiration around the world.

I Had a Black Dog Matthew Johnstone.2012-03-01 'I Had a Black Dog says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant

and indispensable.' - Stephen Fry 'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

Strategies of Humor in Post-Unification German Literature, Film, and Other Media Jill Twark. 2011-01-18 The fourteen chapters in this anthology feature original analyses of contemporary German-language literary texts, films, political cartoons, cabaret, and other types of performance. The artworks display a wide spectrum of humor modes, such as irony, satire, the grotesque, Jewish humor, and slapstick, as responses to unification with the accompanying euphoria, but also alienation and dislocation. Kerstin Hensel's Lärchenau, Christoph Hein's Landnahme, and vignette collections by Jakob Hein (Antrag auf ständige Ausreise und andere Mythen der DDR) and Wladimir Kaminer (Es gab keinen Sex im Sozialismus) are interpreted as examples of the grotesque. The popular films Lola rennt, Sonnenallee, Herr Lehmann, NVA, Alles auf Zucker!, and Mein Führer—Die wirklich wahrste Wahrheit über Adolf Hitler are reexamined through the lens of traditional and more recent humor or comic book theories. The contributors focus on how each artwork enriches four prominent postwall German cultural trends: post-unification identity reconstruction, Vergangenheitsbewältigung (including Hitler humor), New German Popular Literature (Christian Kracht's ironic subtexts), and immigrant perspectives (a "third voice" in the East-West binary reflected here pointedly in

Eulenspiegel cartoons). To date, no other scholarly work provides as comprehensive an overview of the diverse strategies of humor used in the past two decades in German-speaking countries.

"This summer's undoubtable smash hit... an addictive, heart-palpitating story." —Marie Claire The sun is shining, the sea is blue, the children have disappeared. When Liv and Nora decide to take their husbands and children on a holiday cruise, everyone is thrilled. The adults are lulled by the ship's comfort and ease. Poetics Aristotle.2008-01-01 The writings of Greek philosopher ARISTOTLE (384BC 322BC) student of Plato, teacher of Alexander the Great are among the most influential on Western thought, and indeed upon Western civilization itself. From theology and logic to politics and even biology, there is no area of human knowledge that has not been touched by his thinking.Poetics one of Aristotle 's greatest works is the philosopher 's grand and insightful essay on art and its purposes. How consciously should poets and playwrights construct their work?All these questions, and others, are discussed and debated in this, perhaps the single most significant text in Western critical tradition. Writers, actors, students of literature, and armchair philosophers will find it a challenging and rewarding read.

Yalom describes his patients' struggles -- as well as his own -- to come to terms with the two great challenges of existence: how to have a meaningful life yet reckon with its inevitable end. We meet a nurse who must stifle the pain of losing her son in order to comfort her patients' pains, a newly minted psychologist whose studies damage her treasured memories of a lost friend, and a man whose rejection of psychological inquiry forces even Yalom himself into a crisis of confidence. *Creatures of a Day* is a radically honest statement about the difficulties of human life, but also a celebration of some of the finest fruits -- love, family, friendship -- it can offer. Marcus Aurelius has written that we are
