The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: * Practice test questions with detailed answer explanations * Step-by-step video tutorials to help you master difficult concepts * Tips and strategies to help you get your best test performance * A complete review of all NCLEX test sections Mometrix Test Preparation is not affiliated with or endorsed by any official testing organization. All organizational and test names are trademarks of their respective owners. The Mometrix guide is filled with the critical information you will need in order to do well on your NCLEX exam: the concepts, procedures, principles, and vocabulary that the National Council of State Boards of Nursing (NCSBN) expects you to have mastered before sitting for your exam. Test sections include: * Coordinated Care * Safety and Infection Control * Health Promotion and Maintenance * Psychosocial Integrity * Basic Care and Comfort * Pharmacological Therapies * Reduction of Risk Potential * Physiological Adaptation ...and much more! Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix NCLEX study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of NCLEX practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our Next Generation NCLEX PN Review Book 2023-2024 - LPN NCLEX Exam Secrets Study Guide is no exception. Introduction to Community-Based Nursing Fifth Edition Testbank Test Bankia.2016-06-11 Do you ever feel overwhelmed by concepts in Community Health Nursing? Do you ever feel that it is just a small part of the entirety of nursing concepts yet you need to pass the subject to finish your nursing program? Do you consider this as your Achilles' heel in passing NCLEX? Community nursing is not a small matter at all. With the adaptive nature of the NCLEX exam, it may happen that you may incorrectly answer 2 to 3 questions on this subject and subsequently find yourself lost answering many similar questions as the exam progresses. Don't get lost! Be ready and put on your best armor for success. This test bank will help you significantly because it highlights important concepts that will help you understand community nursing. The quality of this test bank is assured because community health nurses themselves compiled the questions. The test bank has undergone the strictest development and evaluation processes so that accuracy and significance are ensured. The test bank reveals concepts from the book, Introduction to Community-Based Nursing, Fifth Edition by Roberta Hunt. The questions and rationales have been streamlined to include most important concepts to remember. It also includes the latest NCLEX question structure, the SATA (Select All That Applies) questions to further enhance your test-taking skills. The book itself develops clinical reasoning that will be helpful in these times when home health in the community setting gains momentum as stay in acute care settings is shortened. It also gives a fair emphasis on cross-cultural care. Furthermore, it provides a great insight into how the family influences individual care. Whether you are a student taking this subject, a graduate aspiring to be a professional or already a registered nurse looking into community nursing as a career path, this test bank is a powerful tool to help achieve your goals. It would give you an edge over others in terms of readiness and critical thinking skills. Get this test bank now!

Updated to reflect the latest NCLEX-PN test plan, this new edition and companion Evolve website help you hone your understanding of all the important NCLEX-PN content areas. Full-color design makes for a more visually engaging learning experience. 12 pharmacology chapters address the emphasis on pharmacology questions on the NCLEX-PN exam. Priority Nursing Actions boxes outline and explain clinical emergent situations requiring immediate action, including detailed rationales and textbook references to help you strengthen prioritizing skills in clinical and testing situations. Pyramid Alert boxes reinforce learning of essential content frequently tested on the NCLEX-PN exam. Reference to a Mosby or Saunders textbook gives you resources for further study and self-remediation. Question codes categorize each question by cognitive level, client needs area, integrated process, clinical content area, and priority concepts to allow you multiple study and exam selections on the companion Evolve site. Inclusion of all alternate item formats (multiple response, ordered response, fill-in-the-blank, figure, chart/exhibit, audio, and video questions) offers practice with mastering prioritizing, decision-making, and critical thinking skills, and help prepare you for this additional component of the new test plan for NCLEX-PN. Pyramid to Success sections supply an overview of the chapter, guidance and direction regarding the focus of review in the content area, and its relative importance to the most recent NCLEX-PN test plan. Pyramid Points identify content that typically appears on the NCLEX-PN exam. Pyramid Terms give you a quick review of each content area. Introductory chapters on preparation guidance for the NCLEX-PN, nonacademic preparation, test-taking strategies, the CAT format, and the NCLEX-PN are presented from a new graduate's perspective. Companion Evolve site allows for automatic software updates to allow you to check for changes and updates to content or functionality throughout the life of the edition.

Prioritization, Delegation, and Assignment Linda A. LaCharity, Candice K. Kumagai, Barbara Bartz. 2010 Prioritization, Delegation, and Assignment: Practice Exercises for the NCLEX(R) Examination is the only review book on the market with a focus on prioritization and management of care—just like the current NCLEX Examination itself! The workbook's unique approach establishes your foundational knowledge and then provides exercises of increasing difficulty to help you build confidence in your prioritization, delegation, and patient assignment skills. It offers unique preparation for the NCLEX Examination and effectively equips you to practice in today's fast-paced healthcare environment. The only workbook available that provides in-depth practice with prioritization, delegation, and assignment questions similar to those you'll see on the NCLEX Examination, including questions in alternate item formats Unique three-part organization that (1) equips you with foundational skills to make sound decisions, then helps you apply those skills (2) in straightforward scenarios and (3) then in complex health scenarios In-depth Answer Key at the back

of the book that provides not only the correct answer but also a detailed rationale and an indication of the focus of the question, whether prioritization, delegation, supervision, or patient assignment. Expanded content focus to include psychiatric/mental health, OB/maternity, and pediatrics along with med-surg areas New chapters on infection control and obstetrics and maternity Greater emphasis on questions involving core body systems and related health problems, such as diabetes and cancer, to best prepare you for the conditions you are most likely to encounter on the NCLEX Examination and in clinical practice Four new unfolding cases addressing long-term care, pediatrics, psychiatric/mental health nursing, and OB/maternity Additional emphasis on medication safety equips you to take appropriate actions to prevent or remediate medication errors Multiple-select questions revised to include at least 5 response choices each, keeping you up to date with the full range of NCLEX Examination item formats
