description of the book. Overdrive is the cleanest, fastest, and most legal way to access millions of ebooks—not just ones in the public domain, but even recently released mainstream titles. There is one hitch though: you'll need a valid and active public library card. Overdrive works with over 30,000 public libraries in over 40 different countries worldwide. As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format. In the free section of the Google eBookstore, you'll find a ton of free books from a variety of genres. Look here for bestsellers, favorite classics, and more. Books are available in several formats, and you can also check out ratings and reviews from other users. Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide

variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available. After more than 30 years, the domain continues as a popular, proven, low-cost, effective marketing and exhibit service for publishers large and small. The domain book service remains focused on its original stated objective - to take the experience of many years and hundreds of exhibits and put it to work for publishers.
