Temperature Logs (Refrigeration and Freezers) Joshua R. Embry.2016-04-29 Keeping your food or other perishables at optimal temperatures is vital to your operation. Not only can mishandling create a spoilage issue cutting into your bottom line, but in many cases lives can be at stake. Be sure to keep within compliance and monitor your temperatures. It's better to find an issue early on than to spend hours sorting through destroyed product. In the following pages you'll find 5 years worth of temperature logs that you can keep in one organized location. When the book is full, file and purchase another. The benefit of a bound log book is ease of storage and consistency in your method of recording temperatures.
