**Stolen Crown** Dennis L. McKiernan.2014 "For classic fantasy, there is no better author" (Jennifer Roberson) than Dennis L. McKiernan, who created the legendary realm of Mithgar. Now the national bestselling author of Dragondoom returns to his most beloved fictional world to reveal the untold history of the rightful heir to the kingdom—the War of the Usurper.... For more than a hundred years, a bitter dispute over how the High King had been selected simmered in the dark halls of the royal family whose line had not been chosen. They held fast to their anger and bitterness through generations. Finally one of their sons, Arkov of Garia, seized the throne through treachery and by force of arms, claiming it as rightfully his. But in his haste to see the king and queen slain, Arkov failed to confirm the death of the young prince, Reyer, who was spirited away to safety. On a distant and mysterious island ruled by elves, where he was raised and trained by a trusted Captain of the slain High King, Reyer has now come of age. He has learned of his lineage—and those loyal to the bloodline of the true High King have rallied to his side. And though the forces of his enemy are far superior, Reyer will gather an army and lead them against the Usurper—to gain back the crown and kingdom stolen from him and to restore Mithgar to its rightful rule.

*Gardens of the Moon* Steven Erikson.2004-06-01 Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic

fantasy series from Steven Erikson. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, *Gardens of the Moon* is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*The Way of Kings Part Two* Brandon Sanderson.2021-06-24 This is the second half of the epic fantasy novel *The Way of Kings*. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilisation alike. Animals hide in shells, trees pull in branches, and grass retracts into the soil-less ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armour that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of more than ten years of planning, writing, and world-building, *The Way of Kings* is but the opening movement of *The Stormlight Archive*, a bold masterpiece in the making. Speak again the ancient

oaths: Life before death. Strength before weakness. Journey before Destination. And return to men the Shards they once bore. The Knights Radiant must stand again. The story continues in *The Way of Kings: Part Two*.

*The Broken Kings* Robert Holdstock.2015-03-31 The hill below the fortress of Taurovinda, stronghold of Urtha, High King of the Cornovidi, is coming alive: the Otherworldly realm of the Shadows of Heroes are claiming the land as their own. But this time their actions are driven by a force that is darker and older than even the oldest among the ghosts. Who or what is raising the Dead? Merlin, a temporary resident in the fortress, must answer that question if this time of kings and lovers is to be saved. Jason's wonderful ship, Argo, has returned, drawn back by her own guilty past, and a dreadful secret that she will reveal only to Merlin. Argo holds the key to the mystery. And Niiv, the bewitching, beautiful Northlands enchantress, is working her way even closer into Merlin's charms. This is a journey that will take Merlin back in history, and to a fabled island of legend. Love is in the air. But at a price.

*King's Last Hope* Robert Ryan.2017-05-07 Against the many, the king sends one. Brand is the youngest bodyguard to ever protect the king, but he may never grow any older. A horde of mankind's ancient enemies lays siege to Cardoroth city. During the day, the clang of blades, the mad shrieks of the foe and the hiss of swift-flighted arrows cuts the air. At night, the sorcerous chanting begins. Brand ignores it all. His one duty is to guard the king. He asks Brand to undertake a last-chance quest to save all that they love. Brand accepts the mission. Soon, enemies track him across strange lands, beasts of foul magic stalk him and an emissary of evil hunts him. Amid it all, he meets a beautiful but deadly girl who aids him - for reasons of her own. She knows secrets that she will not tell, but she does reveal that more is at play than just the fate of kings and realms. Ancient forces, drenched in long-forgotten blood, seek to plunge the world into the dark. The odds pile against him, but not for nothing was he the king's last hope. *The Golden Vial (Legends of the Realm Book #3)* Thomas Locke.2018-03-20 Lady Shona, the newly crowned queen of the realm, is a leader without a throne. Pursued relentlessly by a dark force, her small contingent of loyal followers must make a difficult choice--flee or fight. Determined to save her land from nefarious threats, Lady Shona decides that she must seek out the enemy and attack them head on--a strategy that leads back to the region of the Three Valleys where Hyam was born. Alas, Hyam has been struck by a mysterious illness that is silently sweeping through the realm. Known as the wasting disease, the sickness has no cure. But there is one shred of hope for Lady Shona and the realm--and it comes in the most unlikely of forms. A young orphan, untested and untrained, could well mean the difference between victory and total defeat. Thomas Locke concludes his epic trilogy with a gripping tale of courage that will inspire readers to persevere even when all seems lost.

The Witchwood Crown Tad Williams.2017-06-29 'Fawless epic fantasy . . . An instant fantasy classic' - Kirkus \*\*\*\*\* Thirty years ago Ineluki, the Storm King, was destroyed and his armies scattered. Osten Ard has been at peace ever since, ruled by Simon Snowlock, kitchen boy made king, and Miriamelle, King Elias' only child. But now age weighs upon their reign. Simon's dreams have deserted him, old allies die and betrayal and assassination threaten. His son and heir John Josua is years dead and his grandson, Morgan, is a wastrel. A journey of redemption and discovery beckons in the darkening world. And in the frozen North, in Nakkiga, the mountain fortress, Ineluki's ally, the Norn Queen, wakes from her deep, decades-long sleep and tells her followers that she will sleep no more. Humanity must be destroyed. Her sorcerers will bring a demon back from death, her warriors will seek the world for living dragon's blood... And finally the greatest artefact of all, the Witchwood Crown, will be hers. With a cast of hundreds - humans, giants, dragons, trolls, Sithi and Norn - The Witchwood Crown is epic fantasy as it used to be: classic, grand and sweeping and evidence that Tad Williams is the greatest living writer of the form.

In the realm of Aerdon, where the kingdoms of Calypsos, Indius, Harduin and Maeryn struggle against diminishing rains, infertile lands and the White Curse, a cold-blooded murder leads to the discovery of an ancient temple deep in the forest of Eravia, which might hold the clue for the realm's survival. As the gods give the Aerdonians one last chance to save the race of men, they also ask for sacrifices, and put forth conditions that the kings of Aerdon are not so thrilled about. A great council is held, and the fate of the realm is decided. As politics, prestige and power take center stage in this tale of deceit, death and decay, witness the struggle of the kings, as they attempt to cross the Endless Forest in search of new lands and new races, experience twists and turns and change of hearts, as each king tries to ensure the survival of their kingdom. But little do they, real power resides with the Wizard-Gods, the Vizarins, creators and destroyers of the realm, The Lords of the Kings. If you liked the multi-character narratives, brutal deaths, surprise betrayals and the unhinged language of 'A song of ice and fire', then you will surely enjoy this book!
