To Write as if Already Dead Kate Zambreno. 2021-06-08 To Write As If Already Dead circles

around Kate Zambreno's failed attempts to write a study of Hervé Guibert's *To the Friend Who Did Not Save My Life*. In this diaristic, transgressive work, the first in a cycle written in the years preceding his death, Guibert documents with speed and intensity his diagnosis and disintegration from AIDS and elegizes a character based on Michel Foucault. The first half of *To Write As If Already Dead* is a novella in the mode of a detective story, searching after the mysterious disappearance of an online friendship after an intense dialogue on anonymity, names, language, and connection. The second half, a notebook documenting the doubled history of two bodies amid another historical plague, continues the meditation on friendship, solitude, time, mortality, precarity, art, and literature. Throughout this rigorous, mischievous, thrilling not-quite study, Guibert lingers as a ghost companion. Zambreno, who has been pushing the boundaries of literary form for a decade, investigates his methods by adopting them, offering a keen sense of the energy and confessional force of Guibert's work, an ode to his slippery, scarcely classifiable genre. The book asks, as Foucault once did, "What is an author?" Zambreno infuses this question with new urgency, exploring it through the anxieties of the internet age, the ethics of friendship, and "the facts of the body": illness, pregnancy, and death.
