The Whisperer Fiona McIntosh.2016-04-12 Two boys with a mysterious connection find a way to save each other--

Plural Masculinities Sofia Aboim.2016-04-22 Plural Masculinities offers a contemporary portrait of the plural dynamics and forms of masculinity, emphasizing the multiple, even contradictory, pathways through which men are remaking their identities. Proceeding from the premise that it is impossible to fully understand masculinity without considering its connection with family change and women's change, it places men and masculinities within the realm of family life, examining men's practices and discourses in their relationships with women and their changing femininities. Combining an empirical study based in Portugal with cross-national analyses of attitudes towards ideal gender arrangements in Europe and the USA, this book examines the various ways in which men come to define their identities and will appeal to those working in the fields of masculinities, gender studies and the sociology of the family.

Correspondance Voltaire.1833

Kamouraska Anne Hébert.2000-01-01 A classic of Canadian literature by the great Quebecoise writer, Kamouraska is based on a real nineteenth-century love-triangle in rural Quebec. It paints a poetic and terrifying tableau of the life of Elisabeth d'Aulnieres: her marriage to Antoine Tassy, squire of Kamouraska; his violent murder; and her passion for George Nelson, an American doctor. Passionate and evocative, Kamouraska is the timeless story of one woman's destructive commitment to an ideal love. Translated into seven languages, Kamouraska won the Paris book prize and was made into a landmark feature film by Claude Jutra. This edition features a brilliant new introduction by Noah Richler.

The Five Daughters of the Moon Leena Likitalo.2017-07-25 Inspired by the 1917 Russian revolution and the last months of the Romanov sisters, *The Five Daughters of the Moon* by Leena Likitalo is a beautifully crafted historical fantasy with elements of technology fueled by evil magic. The Crescent Empire teeters on the edge of a revolution, and the Five Daughters of the Moon are the ones to determine its future. Alina, six, fears Gagargi Prataslav and his Great Thinking Machine. The gagargi claims that the machine can predict the future, but at a cost that no one seems to want to know. Merile, eleven, cares only for her dogs, but she smells that something is afoul with the gagargi. By chance, she learns that the machine devours human souls for fuel, and yet no one believes her claim. Sibia, fifteen, has fallen in love for the first time in her life. She couldn't care less about the unrests spreading through the countryside. Or the rumors about the gagargi and his machine. Elise, sixteen, follows the captain of her heart to orphanages and workhouses. But soon she realizes that the unhappiness amongst her people runs much deeper than anyone could have ever predicted. And Celestia, twenty-two, who will be the empress one day. Lately, she's been drawn to the gagargi. But which one of them was the first to mention the idea of a coup? Inspired by the 1917 Russian revolution and the last months of the Romanov sisters, *The Five Daughters of the Moon* is a beautifully crafted historical fantasy with elements of technology fuelled by evil magic. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Omega Sacrifice N.J. Lysk.2022-01-18 Fate arranged their union... but can love keep them together? Ghian is the leader of his pack and as such must mate and produce an heir to take over his role when he's gone. But females hold no appeal to him and he cannot bring himself to take a life partner just to do his duty. Aalyan belongs to a pack on the edge of starvation and when he presents omega, his fate is sealed; he must go away. It's a

sacrifice he's ready to make if it means his people will thrive. The man waiting for him across the river is nothing like the tyrant he's been led to expect, but no matter how kind his captor, the role of omega is still a cage Aalyan cannot help but pace within. When a kiss is demanded, it cannot be true, can it? Can the tenderness of skin waken that of the heart? An arranged marriage mpreg romance.

Not to be Borne N.J. Lysk. When his twin brother presents as an omega, Michuá feels like the world is ending. In a way, becoming an omega himself seems almost fated... Choosing an alpha from a faraway pack who can afford to take them both is the only way to stay together, but Zybyn's new alpha wants a lot more than they have bargained for and in a journey towards a strange land, there is nothing to stop him from taking it. Omegas must obey and follow, but can the love they bear each other be stronger than instinct? A Dark Mpreg Romance with a happy ending.

The Voynich Manuscript M. E. D'Imperio.1978 In spite of all the papers that others have written about the manuscript, there is no complete survey of all the approaches, ideas, background information and analytic studies that have accumulated over the nearly fifty-five years since the manuscript was discovered by Wilfrid M. Voynich in 1912. This report pulls together all the information the author could obtain from all the sources she has examined, and to present it in an orderly fashion. The resulting survey will provide a firm basis upon which other students may build their work, whether they seek to decipher the text or simply to learn more about the problem.

Dearly Departed Lia Habel.2012 YA. FANTASY & MAGICAL REALISM. This is a sharp, slick, blisteringly paced debut novel, with an unconventional but tender love story at its heart. I parted the curtains. A skeletal face peered back at me, blackened eyes rolling in sockets seemingly unsupported by flesh. It smiled ... It should be game over for Nora Dearly when she is ambushed and dragged off into the night by the living dead. But this crack unit of teen zombies are the good guys, sent to protect Nora from the real monsters roaming the country and zeroing in on cities to swell their ranks. Can Nora find a way to kill off the evil undead once and for all? Can she trust her protectors to resist their hunger for human flesh? And can she stop herself falling for the noble, sweet, surprisingly attractive, definitely-no-longer-breathing Bram ...? Ages 12+.

The Red and the Black Stendhal.2008-10-15 The Red and the Black is a reflective novel about the rise of poor, intellectually gifted people to High Society. Set in 19th century France it portrays the era after the exile of Napoleon to St. Helena. The influential, sharp epigrams in striking prose, leave reader almost as intrigued by the author's talent as the surprising twists that occur in the arduous love life.

Camille Claudel: A Life Odile Ayral-Clause.2019-08-09 Camille Claudel, sister of writer Paul Claudel, was a gifted nineteenth-century French sculptor who worked with Auguste Rodin, became his lover, and then left him to gain recognition for herself in the art world. With a strong sense of

independence and a firm belief in her own considerable talent, Claudel created some extraordinary works of art and challenged the social and artistic limitations imposed upon the women of her time. Eventually, however, she crumbled beneath the combined weight of social reproof, deprivation, and art-world prejudices. Her family, distraught by her unconventional behavior as well as her delusions and paranoia, had her committed to a mental asylum, where she died thirty years later. Camille Claudel's life has been romanticized in print and on film, but this is the first fully researched biography to present a rounded picture of the life and work of this remarkable woman. The book, also available in French, has been widely praised for its gripping presentation of the life of a woman artist in the nineteenth century, and for its successful attempt to free Claudel from the myths that had been woven around her. "The complete story of Claudel's tragic life has never been thoroughly researched and recounted until now, and Ayral-Clause's polished, to-the-point coverage is galvanizing... Fair and precise, Ayral-Clause's clarion biography arouses the only reasonable response to Claudel's saga: outrage." — Booklist "Ayral-Clause commands much new data and an admirable objectivity. Highly recommended." — Library Journal "... scholars will find this book, with its mastery of the sources in their original language, a welcome substitute for outdated previous studies..." — Publisher's Weekly "By excavating Claudel from the edifice of victimization, Ayral-Clause frees us to focus on her work and the factors, both Rodin and non-Rodin-related, that nurtured and hindered her career." — Los Angeles Times "This is a fascinating biography... Using newly discovered private letters, family photographs and medical documents recently released to the public, the author provides the first serious, authoritative portrait of this brilliantly gifted, misunderstood artist." — Umbrella "Ayral-Clause... resists dogmatic interpretation, choosing instead to view her protagonists as fully and as sympathetically as the evidence allows... Her straightforward narrative style offers a clear and vivid context for Claudel's life and work." — Art and Auction "Camille Claudel: A Life is riveting: measured, even-handed and revelatory. The author shows how we have absorbed the legend (Rodin exploited and deserted her), ignorant of the facts... Odile Ayral-Clause brilliantly illuminates Claudel's vivacity and recounts her downfall." — Art Quarterly (England) "The author has redefined the relationship between Camille Claudel, her environment and the art world, and brings to light the originality of the work of Camille Claudel in relation to Rodin's" — L'Oeil (France)

The Violence of Modernity Debarati Sanyal.2020-03-03 The Violence of Modernity turns to Charles Baudelaire, one of the most canonical figures of literary modernism, in order to reclaim an aesthetic legacy for ethical inquiry and historical critique. Works of modern literature are commonly theorized as symptomatic responses to the trauma of history. In a climate that tends to privilege crisis over critique, Debarati Sanyal argues that it is urgent to rethink literary experience in terms that recall its contestatory potential. Examining Baudelaire's poems afresh, she shifts the focus of critical attention toward an account of modernism as an active engagement with violence, specifically the violence of history in nineteenth-century France. Sanyal analyzes a literary current that uses the traditional hallmarks of modernism—irony, intertextuality, self-reflexivity, and formalism—to challenge the historical violence of modernity. Baudelaire and the committed ironists writing in his wake teach us how to read and resist the violence of history, and thereby to challenge the melancholy tenor of our contemporary wound culture. In a series of provocative readings, Sanyal presents Baudelaire's poetry as an aesthetic form that contests historical violence through rhetorical strategies of complicity, counterviolence, and critique. The book develops a new account of Baudelaire's significance as a modernist by dislodging him both from his traditional status as a practitioner of art for art's sake and from his more recent incarnation as the poet of trauma. Following her extended analysis of Baudelaire's poetry, Sanyal in later chapters considers a number of authors influenced by his strategies—including Rachilde, Virginie Despentes, Albert Camus, and Jean-Paul Sartre—to examine the relevance of their interventions for our current climate of trauma and terror. The result is a study that underscores how Baudelaire's legacy continues to energize literary engagements with the violence of modernity.

Selva Oscura Dashiell Hedayat.1974

The Dream Maker Jean-Christophe Rufin.2013-11-01 Based on the true story of Jacques Coeur, The Dream Maker recounts the life and times of a Steve Jobs of the Middle Ages. Born to a modest fur trader, Coeur rose to become the King of France's visionary First Banker who, with his tours of the Far East, his criticism of the Crusades, and his efforts to develop trade, contributed to bringing France out of darkness toward the Renaissance and modernity. Coeur was, at one time, the wealthiest man in France, but at the height of his success, disgrace and imprisonment at the hands of his enemies threatened. His ill-considered infatuation with Agnès Sorel, King Charles VII's favorite mistress, and her mysterious and premature death, precipitated Coeur's fall from grace. In Rufin's delicious prose this remarkable true story becomes a gripping tale of adventure, a novel of ideas, and a moving love story.

Dictionnaire encyclopédique d'histoire, de biographie, de mythologie et de géographie Louis Grégoire.1872

Hypocrisies de Joë Bousquet François Berquin.2000 Quel est donc le salaud qui bat les cartes à ma place se surprend à marmotter entre ses dents Joë Bousquet alors qu'il vient une fois encore, dans le demi-jour ou les demi-ténèbres de sa chambre, d'échouer à faire ce qu'on appelle parfois une réussite mais qu'on serait mieux avisé ici d'appeler patience. Car il a beau recommencer - à chaque fois remettant symboliquement sa vie en jeu -, les cartes se disposent dans un ordre exactement contraire à la bonne marche du coup, et la partie s'interrompt. Il y a certes de quoi désespérer. Rien pourtant de désespéré chez Joë Bousquet qui continue, non sans malice, à provoquer l'étrange, le diabolique adversaire qui, à tous les coups, vient lui couper ses meilleurs jeux. Etrange adversaire et peut être étrange partenaire... Effectivement, tout se passe à la longue comme si l'homme couché ne faisait en fait semblant de jouer que pour bientôt sentir se lever en lui ce double obscur. Comme s'il cherchait à manipuler ce frère d'ombre qui, précisément, le dépossède de toute maîtrise... C'est un paradoxe de cette nature qui fait marcher l'œuvre de l'homme coupé en deux, et la fait marcher comme elle peut, c'est-à-dire le plus souvent sur la tête. D'où la forme du livre que voici : seize chapitres qui sont comme les cartes d'un jeu amputé de moitié. Distribués dans un ordre semi-aléatoire, ils se proposent à chaque fois de relancer une nouvelle image de Joë Bousquet. Une nouvelle figure. La seule règle imposée veut que cette figure soit - comme celles bien sûr des cartes à jouer, vignettes aux deux visages - systématiquement dédoublée.

Lias .1996 Sources and documents relating to the early modern history of ideas.

The Heart of Betrayal Mary E. Pearson.2015-07-07 Held captive in the barbarian kingdom of Venda, Princess Lia and Rafe have little chance of escape--and even less of being together--as the foundations of Lia's deeply-held beliefs crumble beneath her while she wrestles with her upbringing, her gift, and her very sense of self to make powerful choices that affect her country, her people, and her own destiny.

Journal de Paris .1812

Shot in the Heart Mikal Gilmore.2009-09-23 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER WINNER OF THE LOS ANGELES TIMES BOOK PRIZE Haunting, harrowing, and profoundly affecting, *Shot in the Heart* exposes and explores a dark vein of American life that most of us would rather ignore. It is a book that will leave no reader unchanged. Gary Gilmore, the infamous murderer immortalized by Norman Mailer in *The Executioner's Song*, campaigned for his own death and was executed by firing squad in 1977. Writer Mikal Gilmore is his younger brother. In *Shot in the Heart*, he tells the stunning story of their wildly dysfunctional family: their mother, a black sheep daughter of unforgiving Mormon farmers; their

father, a drunk, thief, and con man. It was a family destroyed by a multigenerational history of child abuse, alcoholism, crime, adultery, and murder. Mikal, burdened with the guilt of being his father's favorite and the shame of being Gary's brother, gracefully and painfully relates a murder tale from inside the house where murder is born... a house that, in some ways, [he has] never been able to leave. Shot in the Heart is the history of an American family inextricably tied up with violence, and the story of how the children of this family committed murder and murdered themselves in payment for a long lineage of ruin.

The Kiss of Deception Mary E. Pearson.2014-07-08 A debut entry in a new trilogy by the author of the Jenna Fox Chronicles introduces Princess Lia, who flees an unwanted marriage and expectations about her supernatural legacy only to be pursued by her jilted fiancé and a ruthless assassin.

The Lost Book of Enki Zecharia Sitchin.2004-08-16 The companion volume to The Earth Chronicles series that reveals the identity of mankind's ancient gods • Explains why these "gods" from Nibiru, the Anunnaki, genetically engineered Homo sapiens, gave Earthlings civilization, and promised to return • 30,000 sold in hardcover Zecharia Sitchin's bestselling series The Earth Chronicles provided humanity's side of the story concerning our origins at the hands of the Anunnaki, "those who from heaven to earth came." In The Lost Book of Enki we now view this saga from the perspective of Lord Enki, an Anunnaki leader revered in antiquity as a god, who tells the story of these extraterrestrials' arrival on Earth from the planet Nibiru. In his previous works Sitchin compiled the complete story of the Anunnaki's impact on human civilization from fragments scattered throughout Sumerian, Akkadian, Babylonian, Assyrian, Hittite, Egyptian, Canaanite, and Hebrew sources. Missing from these accounts, however, was the perspective of the Anunnaki themselves. What was life like on their own planet? What motives propelled them to settle on Earth--and what drove them from their new home? Convinced of the existence of a lost book that held the answers to these questions, the author began his search for evidence. Through exhaustive research of primary sources, he has here re-created tales as the memoirs of Enki, the leader of these first "astronauts." What takes shape is the story of a world of mounting tensions, deep rivalries, and sophisticated scientific knowledge that is only today being confirmed. An epic tale of gods and men unfolds, challenging every assumption we hold about our past and our future.
