The Dig John Preston.2016-04-19 THE BASIS FOR THE NETFLIX FILM STARRING CAREY MULLIGAN, RALPH FIENNES, AND LILY JAMES A literary adventure that tells the story of a priceless buried treasure discovered in England on the eve of World War II In the long, hot summer of 1939, Britain is preparing for war, but on a riverside farm in Suffolk there is excitement of another kind. Mrs. Pretty, the widowed owner of the farm, has had her hunch confirmed that the mounds on her land hold buried treasure. As the dig proceeds, it becomes clear that this is no ordinary find. This fictional recreation of the famed Sutton Hoo dig follows three months of intense activity when locals fought outsiders, professionals thwarted amateurs, and love and rivalry flourished in equal measure. As the war looms ever closer, engraved gold peeks through the soil, and each character searches for answers in the buried treasure. Their threads of love, loss, and aspiration weave a common awareness of the past as something that can never truly be left behind.

Dig A.S. King.2019-03-26 Winner of the Michael L. Printz Medal □“King’s narrative concerns are racism, patriarchy, colonialism, white privilege, and the ingrained systems that perpetuate them. . . . [Dig] will speak profoundly to a generation of young people who are waking up to the societal sins of the past and working toward a more equitable future.”—Horn Book, starred review “I’ve never understood white people who can’t admit they’re white. I mean, white isn’t just a color. And maybe that’s the problem for them. White is a passport. It’s a ticket.” Five estranged cousins are lost in a maze of their family’s tangled secrets. Their grandparents, former potato farmers Gottfried and Marla Hemmings, managed to trade digging spuds for developing subdivisions and now they sit atop a million-dollar bank account—wealth they’ve refused to pass on to their adult children or their five teenage grandchildren. “Because we want them to thrive,” Marla always says. But for the Hemmings cousins, “thriving” feels a lot like slowly dying of a poison they started taking the moment they were born. As the rot beneath the surface of the Hemmings’ white suburban respectability destroys the family from within, the cousins find their ways back to one another, just in time to uncover the terrible cost of maintaining the family name. With her inimitable surrealism, award winner A.S. King exposes how a toxic culture of polite white supremacy tears a family apart and how one determined generation can dig its way out.

The Dig Michael Siemsen.2011-01-10 A mysterious woven metal artifact is found at a paleontological dig in Africa. Mystified experts, confounded by the impossible timeline they get from traditional dating methods, call upon a stubborn nineteen-year-old with a unique talent. Matthew Turner's gift is also his curse: When he touches any object, his awareness is flooded with the thoughts and feelings of those who touched it before him. It is a talent that many covet, some fear, and almost no one understands. Despite being exploited as a child and tormented by the unpleasant experiences imprinted on him from the various items he has read, Matthew agrees to travel from New York to the forests of Kenya. There, threatened by unknown enemies and helped by a beautiful but prickly ally who begins to understand his strange ability, he journeys back in geological time to make a discovery so shocking that it forces us to rewrite all human history.

**Dig Too Deep** Amy Allgeyer.2016-04-01 2017 Green Earth Book Award, Young Adult Fiction 2017 Sigurd F. Olson Nature Writing Award (SONWA), Young Adult Notable Book With her mother facing prison time for a violent political protest, seventeen-year-old Liberty Briscoe has no choice but to leave her Washington, DC, apartment and take a bus to Ebbottsville, Kentucky, to live with her granny. There she can at least finish high school and put some distance between herself and her mother—or her former mother, as she calls her. But Ebbottsville isn't the same as Liberty remembers, and it's not just because the top of Tanner's Peak has been blown away to mine for coal. Half the county is out of work, an awful lot of people in town seem to be sick, and the tap water is bright orange—the same water that officials claim is safe. And when Granny's lingering cold turns out to be something much worse, Liberty wonders if somebody at the mine is hiding the truth about the water. She starts to investigate and is soon plunged into a world of secrets, lies, threats, and danger. Her searches for answers and justice lead to even tougher questions—should she turn to violence and end up like her mother? Give up her quest for the sake of keeping the peace? Or keep fighting until the mine is shut down for good?

*A Dig in Time* Peni R. Griffin.1992 Quo vadis?-Where are you going?-is an appropriate question to ask of the current evangelical movement. To get a bearing on evangelical thought and assess future directions, the editor of the Journal of the Evangelical Theological Society, Andreas J. Köstenberger, has gathered selected addresses from past presidents of the ETS and contributed a thorough introduction and probing epilogue of his own. Covering the early years, the maturing movement, and recent times, the addresses-which span JETS' first fifty years-include discussions of foundational doctrinal issues, exegetical and theological practice and methodology, and current concerns delivered by some of evangelicalism's most distinguished leaders. These presidential addresses give today's scholars a much fuller and deeper appreciation of the history of evangelicalism and their place within it. Readers will also experience great hope for the future of a movement whose best days, by God's grace, are yet to come.
