In His Manifest Presence George G. Jhagroo.2010-11 What would you do if God appeared to you and asked you to fellowship and worship with Him every night for years to come? How would you react as He made His grand entrance into your bedroom to commence worship and fill it with His Glory? Join author George G. Jhagroo in In His Manifest Presence, his truly amazing biographical account of how he met and embraced the Manifest Presence of the Holy Ghost face to face, every midnight in his bedroom for years. Who was the Wind that blew apart the Red Sea for Moses, Who created the earth in six days, Who stood beside Daniel in the furnace, and Who sat upon the mercy seat of the Ark of the Covenant now stood in the similitude of a man in his bedroom, leading him in worship to our Father and to Jesus our King. He continues to do so even to this day. George G. Jhagroo has stumbled upon one of the greatest consequences of Calvary. He—who lived behind the veil of the Temple when it was torn in two from top to bottom at the passing of Jesus on the cross—was made accessible to all saints throughout the world and could no longer only be visited once a year on the Day of Atonement but on everyday and at anytime. For centuries, this resource has remained untapped, and God the Third Person of the Trinity, seeking fellowship on the earth has remained alone and lonely. Yet He is on the earth free to talk to, walk with, go shopping with, and fall in love with any believer who would want Him and invite Him in. In In His Manifest Presence, George did

just that, and he shares this love story of his glorious experiences of worshipping with and fellowshiping with the Manifest Presence of God in the midst of His glorious power and unending love.

Strange Fire John MacArthur. 2013-11-19 In *Strange Fire*, bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement. What would God say about those who blatantly misrepresent His Holy Spirit; who exchange true worship for chaotic fits of mindless ecstasy; who replace the biblical gospel with vain illusions of health and wealth; who claim to prophesy in His name yet speak errors; and who sell false hope to desperate people for millions of dollars? The charismatic movement has always been a breeding-ground for scandal, greed, bad doctrine, and all kinds of spiritual chicanery. As a movement, it is clearly headed the wrong direction. And it is growing at an unprecedented rate. From the Word of Faith to the New Apostolic Reformation, the Charismatic movement is being consumed by the empty promises of the prosperity gospel. Too many charismatic celebrities promote a "Christianity" without Christ, a Holy Spirit without holiness. And their teaching is having a disastrous influence on a grand scale, as large

television networks broadcast their heresies to every part of the world. In *Strange Fire*, MacArthur lays out a chilling case against the modern Charismatic movement that includes: Rejecting its false prophets. Speaking out against their errors. Showing true reverence to the Holy Spirit. Clinging to the Bible as the inerrant, authoritative Word of God and the one true standard by which all truth claims must be tested.
