**Journal - One Line a Day** Hinterland Journals Keepsakes.2019-08-03 One Line a Day Journals for life-tracking and simple diary writing notebook for a 5-year span! Daily Paragraph Journal Space 365 days x 5 years Soft Matte Cover Premium Paper 6 x 9 Sturdy, Durable Design Start Anytime - Add Your Own Dates! Years ago, after my grandmother's passing, we came across her old leather-bound five-year journals. They were simple, one line a day books, in five-year groups, from her childhood on the farm during the Great Depression, and later in the '40s and '50s when she moved into town, got her first apartment, went to college and even started courting my grandfather (among other young men!). She logged every little event from game nights with relatives, programs they listened to on the radio, what she wore, the day she bought her own furniture to furnish her new apartment, and she even logged the days she washed and permed her hair! I fell so much in love with these little snippets of life from the woman I only knew in her old age and it occurred to me what a treasure these little paragraphs of her life really were - it was like a time-machine into the past and into her early life. Our One-Line-a-Day diaries are designed to pass along a line or two per day of your heritage on to the next generation and passed down for decades to come. Designed with a paragraph of space for each of the 365 days in a year, times five! A beautiful gift for a loved one, elementary children, high school and college, these journals make the perfect space for collecting memories, collecting simple gratitude affirmations - one day, one line at a time!
