Selected Poems Jibanananda Das.2006 Jibanananda Das' lyricism is unparalleled in Bengali literature. His early poems are vivid, eloquent celebrations of the beauty of Bengal; his later works, written in the 1940s and 50s, are darker, comments on political issues and current affairs like the Second World War, the Bengal Famine of '43 and Hindu - Muslim riots at the time of Partition. Born in 1899, Jibanananda belonged to a group of poets who tried to shake off Tagore's poetic influence. While he is best known for poetry that reveals a deep love for nature and rural landscapes, tradition and history, Jibanananda is also strikingly urban, and introspective, his work centring on themes of loneliness, depression and death. He was a master of word-images, and his unique poetic idiom drew on tradition but was startlingly new.

Neglected Poems Gulzar.2012-01-19 Gulzar is regarded as one of India's foremost Urdu poets today, renowned for his unusual perspectives on life, his keen understanding of the complexities of human relationships, and his striking imagery. After **Selected Poems**, a collection of some of his best poetry translated by Pavan K. Varma was extremely well received, Gulzar has chosen to present his next sixty poems in an inimitable way: labelling them **Neglected Poems**. 'Neglected' only in name, these poems represent Gulzar at his creative and imaginative best, as he meditates on nature (the mountains, the monsoon, a sparrow), delves into human psychology (when a relationship ends one is amazed to notice that 'everything goes on exactly as it used to'), explores great cities like Mumbai, Chennai, Kolkata, Delhi and New York ('In your town, my friend, how is it that there are no homes for ants?'), and confronts the most telling moments of everyday life.

Angaaray Snehal Shingavi.2018-06-05 First published in 1932, this slim volume of short stories created a firestorm of public outrage for its bold attack on the hypocrisy of conservative Islam and British colonialism. Inspired by British modernists like Woolf and Joyce as well as the Indian independence movement, the four young trailblazers who penned this collection were eager to revolutionize Urdu literature. Instead, they invited the wrath of the establishment: the book was burned in protest and then banned by the British authorities. Nevertheless, Angaaray spawned a new generation of Urdu writers and gave birth to the Progressive Writers' Association, whose members included, among others, stalwarts like Chughtai, Manto, Premchand and Faiz. This edition also provides a compelling account of the furor surrounding this explosive collection.

Visited by the Muse Nichelle Shah,Krishav Shah,Rayol Augustus.2019-04-03 My 'poetry' was written at times of great happiness and love and at other times of deep sorrow and betrayal. And yet again, it was times of pure self-talk when I had to shore up my own strength and worth. So, each poem is mine and it is read, accompanied by a symphony in my mind. Each poem was written at a different time and with a slightly different 'beat' to the rhyme. Poetry must be read aloud. It may take on different meanings depending on how it is read, by whom it is read and when it is read. Poetry can be almost anything. It simply needs to be in writing with words that express feelings and ideas with style and rhythm. I thought I could do just that. It gave me an opportunity to play around with words and to search for the perfect word. It had to fit with the style and rhythm of the poem. Robert Frost said, A poem begins as a lump in the throat. It can also begin with joy in your heart and a tear in your eye. The rest does not matter. I think I have broken a lot of rules in the English language, but then, rules are meant to be broken, at least the literary ones. That's what makes it exciting, because I can create my own rules. I can play around and do what I want. To use a pun, I do not have to have any rhyme or reason. That is freedom.

Sillage and Other Poems Chitra Govindraj.2020-09 How do we choose? Why do we worry about what others think of us? Why do we doubt ourselves? Here are some of the questions the poet ponders, and delves into emotions that we experience every day. Each poem makes the reader realize that they are about our feelings or what happens to us, but we never really put into words because we take the simple things for granted.

Sex in Development Vincanne Adams,Stacy Leigh Pigg.2005-04-12 Sex in Development examines how development projects around the world intended to promote population management, disease prevention, and maternal and child health intentionally and unintentionally shape ideas about what constitutes "normal" sexual practices and identities. From sex education in Uganda to aids prevention in India to family planning in Greece, various sites of development work related to sex, sexuality, and reproduction are examined in the rich, ethnographically grounded essays in this volume. These essays demonstrate that ideas related to morality are repeatedly enacted in ostensibly value-neutral efforts to put into practice a "global" agenda reflecting the latest medical science. Sex in Development combines the cultural analysis of sexuality, critiques of global development, and science and technology studies. Whether considering the resistance encountered by representatives of an American pharmaceutical company attempting to teach Russian doctors a "value free" way to offer patients birth control or the tension between Tibetan Buddhist ideas of fertility and the modernization schemes of the Chinese government, these essays show that attempts to make sex a universal moral object to be managed and controlled leave a host of moral ambiguities in their wake as they are engaged, resisted, and reinvented in different ways

Jigar Moradabadi Lecturer in Human Resource Management in the Department of Human Resource Management and Industrial Relations Paul Smith,Paul Smith.2016-06-18 JIGAR MORADABADI: SELECTED POEMS Translation & Introduction Paul Smith Ali Sikander Moradabadi (takhallus, Jigar... meaning 'heart or liver') was born in Moradabad in Uttar Pradesh, India. If one talks of later Urdu ghazal... the cream of poets is Jigar, the 'Prince of the Urdu ghazal!' Jigar was admired and read by many and his works launched him into a realm of his own, he was more popular than princes and regents. He had a large following among the ordinary people. His fame transcended religious and language barriers. Although his poetry was in Urdu, his works were loved in the Hindu and Muslim communities. Although his poems are in the traditional ghazal form, he was considered modern and he is believed to have reinvigorated the Urdu ghazal. He was a great admirer of beauty and painted a living picture of it in his ghazals, but not stopping at that, his description of beauty carries one to a different timeless place where Eternal Beauty reigns supreme. This is true Sufism. This is the largest translation of his poems in English and the only one keeping the correct rhyme structure of the originals. Introduction on his Life, Times & Poetry and on Urdu Poetry & The Ghazal in Urdu Poetry, Selected Bibliography. 156 pages. COMMENTS ON PAUL SMITH'S TRANSLATION HAFIZ'S 'DIVAN'. It is not a joke... the English version of ALL the ghazals of Hafiz is a great feat and of paramount importance. I am astonished. Dr. Mir Mohammad Taghavi (Dr. of Literature) Tehran. Superb translations. 99% Hafiz 1% Paul Smith. Ali Akbar Shapurzman, translator of English into Persian and knower of Hafiz's Divan off by heart. I was very impressed with the beauty of these books. Dr. R.K. Barz. Faculty of Asian Studies, Australian National University. Paul Smith is a poet, author and translator of many books of Sufi poets from the Persian, Arabic, Urdu, Turkish, Pashtu and other languages... including Hafiz, Sadi, Nizami, Rumi, 'Attar, Sana'i, Jahan Khatun, Obeyd Zakani, Mu'in, Amir Khusrau, Nesimi, Kabir, Anvari, Ansari, Jami, Omar Khayyam, Rudaki, Yunus Emre, Mahsati, Lalla Ded, Makhfi, Ghalib, Iqbal, Rahman Baba, Bedil, Baba Farid and many others, as well as his own poetry, fiction, plays, biographies, children's books and screenplays. www.newhumanitybooks.com

Quiver : Poems And Ghazals Javed Akhtar.2003-04-08 The poems in this collection contain the poets reminiscences of his childhood, and bemoan the loss of its innocence with the passage of time. They are also about love - its complications, pains and even its joys. But even the simple love poems usually contain a much deeper message; it is up to the reader to explore the various levels of meaning for himself or herself. His verse is thoughtful without being pretentious. On the surface it appears disarmingly simple and direct, but frequently has something profound and significant to communicate.

Sun Babies Cornelia Sorabji.2014-07-24 Miss Sorabji has a humorous and vivid pen; she can see below the surface of human nature, and is able to reveal the characters of native children in India with considerable insight and skill.... The volume contains several excellent illustrations. —The Publishers' Circular, Volume 82 Miss Sorabji's charmingly-written little book, in which that remarkable woman tells, in sketches, the story of the child-life of India, and incidentally not a little of the profoundly absorbing story of Indian domestic life at large. The book is full of a wonderful tenderness. —Vanity Fair By way of impartial test we submitted this volume to two lady critics aged twelve, deeply read in the literature of children's books. It was returned with the verdict that it was too like a geography lesson. From this judgment we wholly dissent. It may be said of the stories that they follow the method and manner made popular by Kipling and Mrs. Steel: but the matter has much that is original and a good deal that is altogether delightful, albeit the language is somewhat idealised for such speakers. We should be grateful to Miss Sorabji for this glimpse of Indian child-life. —The Saturday Review of Politics, Literature, Science and Art, Volume 99

Firaq Gorakhpuri: The Poet of Pain & Ecstasy Ajai Mansingh,Gopi Chand Narang.2015-05-25 One of contemporary India's most prolific Urdu poets, Firaq Gorakhpuri was well known for his ghazals, nazms, rubaais and qat'aa. Jalsaghar Steffen Horstmann.2016-10-18 Praise for Jalsaghar My hands memorize your hourglass waist. /Slow winds pass through distant sands, sifting grains. Imagine that beauty rethought in stanza after stanza. The ghazal is the Satie of poetry, sustained by the whirling dervish, its couplets braiding into the brain. Steffen Horstmanns Jalsaghar is a stunning homage to the late Agha Shahid Ali (Terese Svoboda, author of Professor Harrimans Steam Air-Ship). A rapprochement with a formal tradition demands incisive cultural evaluation; an essay of a formal tradition not ones own demands that one become a naturalized citizen of a nation of poetry. The sure-footedness with which Steffen Horstmann navigates the ghazal forma kind of poem often misunderstood in Anglophone practice is a testimony to long and devoted study as well as to Horstmanns skill as a practitioner, his keen ear, and his passion for the possibilities of the kind of dtente poetry offers: a genuine cross-pollination of the music, the landscapes, the souls of distant and yet always kindred lives (T. R. Hummer, author of Skandalon). Steffen Horstmanns book of contemporary ghazals shows us the ways in which form in this case precise, musical, devotional in its origins can act as a vehicle for meditation. The rhymes and repetitions of the ghazal are part prayer, part spell, and as such they bind together in language the world of material things and the world of spirit, which is also a world of longing. Agha Shahid Ali brought the tradition of the ghazal into the center of our contemporary and American poetic repertoire; Steffen Horstmann has carried it into our young century, made it new (Mark Wunderlich, author of The Earth Avails).

Pirate Modernity Ravi Sundaram.2009-07-30 Using Delhi's contemporary history as a site for reflection, *Pirate Modernity* moves from a detailed discussion of the technocratic design of the city by US planners in the 1950s, to the massive expansions after 1977, culminating in the urban crisis of the 1990s. As a practice, pirate modernity is an illicit form of urban globalization. Poorer urban populations increasingly inhabit non-legal spheres: unauthorized neighborhoods, squatter camps and bypass legal technological infrastructures (media, electricity). This pirate culture produces a significant enabling resource for subaltern populations unable to enter the legal city. Equally, this is an unstable world, bringing subaltern populations into the harsh glare of permanent technological visibility, and attacks by urban elites, courts and visceral media industries. The book examines contemporary Delhi from some of these sites: the unmaking of the citys modernist planning design, new technological urban networks that bypass states and corporations, and the tragic experience of the road accident terrifyingly enhanced by technological culture. *Pirate Modernity* moves between past and present, along with debates in Asia, Africa and Latin America on urbanism, media culture, and everyday life. This pioneering book suggests cities have to be revisited afresh after proliferating media culture. *Pirate Modernity* boldly draws from urban and cultural theory to open a new agenda for a world after media urbanism.

Selected Poems Kaifi Azmi.2002-04-04 A bilingual volume of some of Kaifi Azmiys finest poetry: One of the finest Urdu poets of the subcontinent, Kaifi Azmi has borne witness to an entire era of social change. Born in 1918 in Azamgarh, Uttar Pradesh, in a zamindar family, Azmi wrote his first poem at the age of eleven. He joined the Communist Party when he was nineteen, and wrote for the Party paper, Quami Jung. Subsequently, he moved to Bombay, and wrote his first lyric for the film *Buzdil*, directed by Shahid Latif, in 1948. A member of the Progressive Writersy movement, Azmi has been an active spokesperson for several workersy unions and works passionately to rectify social injustices even today. The richness of experience and maturity of perspective is captured in his poems, which reflect the many aspects of Azmiyman, lover, activist and poet. Some of his best verses are about the plight of the exploited, like the famous *yMakaany* which highlights a system where the poor, homeless footpath dwellers build palaces for the rich. At the other end of the spectrum are his love poems, including memorable lyrics for films that haunt the reader with their tenderness and contained passion. Azmiys preoccupation with such disparate themes are indicative as much of his zest for life as his sincerity and honesty of experience. Brilliantly translated by Pavan K. Varma, this bilingual selection brings to a wider audience the wisdom and lyricism of Azmiys poetry.
