*Journal officiel de la République française* France.1925

Species of Spaces and Other Pieces Georges Perec.1997 This selection of non-fictional work from the author of *Life, a User's Manual*, demonstrates Georges Perec's characteristic lightness of touch, wry humour and accessibility.

**DAC Guidelines and Reference Series Applying Strategic Environmental Assessment Good Practice Guidance for Development Co-operation** OECD.2006-11-10 This Guidance volume explains the benefits of using SEA in development co-operation and sets out key steps for its application based on recent experiences.

Poetry, Bible and Theology from Late Antiquity to the Middle Ages Michele Cutino.2020-07-06 This volume examines for the first time the most important methodological issues concerning Christian poetry - i.e. biblical and theological poetry in classical meters - from a diachronic perspective. Thus, it is possible to evaluate the doctrinal significance of these compositions and the role that they play in the development of Christian theological ideas and biblical exegesis.

Les abbayes cisterciennes en France et en Europe Henri Gaud, Jean-François Leroux-Dhuys.1998 Formidables moines constructeurs, les Cisterciens ont laissé quelque 750 abbayes et d'innombrables granges, moulins et autres domaines agricoles et industriels, qui s'inscrivent toujours dans le

paysage européen. Ce livre apporte un regard nouveau sur ce riche patrimoine cistercien que notre époque a reçu en héritage. [SDM].

**Portrait of a Man Known as Il Condottiere** Georges Perec.2015-04-10 The posthumously published first novel from the acclaimed French author of *Life: A User's Manual* offers “glimpses of Perec’s future greatness” (The New Yorker). Puckish and playful, Georges Perec infused avant-garde and experimental fiction with a wit and wonder that belied the serious concerns and concepts that underpinned it. A prominent member of the OuLiPo, and an abiding influence on fiction writers today, Perec used formal constraints to dazzling effect in such works as *A Void*—a murder mystery that contains nary an “e”—and *Life: A User's Manual*, in which an apartment building, systematically canvassed, unfolds secrets and, ultimately offers a reflection on creation, destruction, and the devotion to art. Before embarking on these experiments, however, Perec tried his hand at a relatively straightforward novel, *Portrait of a Man*. His first book, it was rejected by publishers when he submitted it in 1960, after which he filed it away. Decades after Perec’s death, David Bellos discovered the manuscript, and through his translation we have a chance to enjoy it in English for the first time. What fans will find here is a thriller that combines themes that would remain prominent in Perec’s later work, such as art forgery, authenticity, and murder, as well as craftsman

Gaspard Winckler, who whose namesakes play major roles in *Life: A User's Manual and W, or The Memory of Childhood*. Engaging and entertaining on its own merits, and gaining additional interest when set in the context of Perec's career, *Portrait of a Man* is sure to charm the many fans of this postmodern master. "Fascinating." —The Guardian

**States of Fragility 2018** OECD.2018-07-17 Three years into the 2030 Agenda it is already apparent that those living in fragile contexts are the furthest behind. Not all forms of fragility make it to the public's eye: fragility is an intricate beast, sometimes exposed, often lurking underneath, but always holding progress back. Conflict ...

Your Sons Are at Your Service Aaron Y. Zelin.2020-02-11 Tunisia became one of the largest sources of foreign fighters for the Islamic State—even though the country stands out as a democratic bright spot of the Arab uprisings and despite the fact that it had very little history of terrorist violence within its borders prior to 2011. In Your Sons Are at Your Service, Aaron Y. Zelin uncovers the longer history of Tunisian involvement in the jihadi movement and offers an in-depth examination of the reasons why so many Tunisians became drawn to jihadism following the 2011 revolution. Zelin highlights the longer-term causes that affected jihadi recruitment in Tunisia, including the prior history of Tunisians joining jihadi organizations and playing key roles in far-flung parts of the world over the past four decades. He contends that the jihadi group Ansar al-Sharia in Tunisia was able to take advantage of the universal prisoner amnesty, increased openness, and the lack of governmental policy toward it after the revolution. In turn, this provided space for greater recruitment and subsequent mobilization to fight abroad once the Tunisian government cracked down on the group in 2013. Zelin marshals cutting-edge empirical findings, extensive primary source research, and on-the-ground fieldwork, including a variety of documents in Arabic going as far back as the 1980s and interviews with Ansar al-Sharia members and Tunisian fighters returning from Syria. The first book on the history of the Tunisian jihadi movement, Your Sons Are at Your Service is a meticulously researched account that challenges simplified views of jihadism’s appeal and success.
