*Unikitty's Guide to Being Happy* Howie Dewin.2018-10-30

LEGO(R) Unikitty gets her own toy line and Cartoon Network TV show beginning in 2018. As told by Unikitty herself, this is the ultimate guide to being happy! A guide from LEGO(R) Unikitty(TM) herself! The breakout star from The LEGO Movie gets her very own Cartoon Network TV show and toy line from The LEGO Group beginning in 2018. The series follows Princess Unikitty -- whose efforts to stay positive no matter what sometimes make her prone to the occasional rage-out -- as she keeps busy with royal responsibilities. Unikitty is most interested in making sure everyone is happy and in ridding the kingdom of negativity. She often fights the bad vibes that come from her nemesis, Master Frown, a big ol' jerk who lives in the next city over: Frowntown. Joined by a cast of wild characters, Unikitty and her friends make sure that every day is the happiest and most creative ever. So, are you ready to vanquish all negativity in Unikitty Kingdom? Are you ready to take on the forces of evil and spread rainbows and sunshine? Are you ready to get happy? Then this is the guide for you!

*100 Greatest American and British Animated Films* Thomas S. Hischak.2018-04-20 Animation has been a staple of the filmmaking process since the early days of cinema. Animated shorts had been produced for decades, but not until 1937 did a major studio venture into animated features when Walt Disney produced *Snow White and the Seven Dwarfs*. Of the hundreds of animated feature films made since, many have proven their importance over the years while also entertaining generations of audiences. There are also many recent animated movies that promise to become classics in the field. In *100 Greatest American British Animated Films*, Thomas S, Hischak looks at the most innovative, influential, and entertaining features that have been produced since the late 1930s—from traditional hand-drawn works and stop-motion films to computer-generated wonders. These movies have been selected not simply because of their popularity or critical acceptance but for their importance. Entries in this volume contain plot information production history critical reaction commentary on the film’s cinematic quality a discussion of the film’s influence voice casts production credits songs sequels, spin-offs, Broadway versions, and television adaptations awards and nominations Each movie is also discussed in the context of its original release as well as the ways in which the film has lived on in the years since. Familiar favorites and lesser-known gems are included, making the book a fascinating journey for both the avid animation fan and the everyday moviegoer. With a sweeping look at more than eight decades of movies, *100 Greatest American and British Animated Films* highlights some of the most treasured features of all time.
