Read Print is an online library where you can find thousands of free books to read. The books are classics or Creative Commons licensed and include everything from nonfiction and essays to fiction, plays, and poetry. Free registration at Read Print gives you the ability to track what you've read and what you would like to read, write reviews of books you have read, add books to your favorites, and to join online book clubs or discussion lists to discuss great works of literature. If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read. Bootastik's free Kindle books have links to where you can download them, like on Amazon, iTunes, Barnes & Noble, etc., as well as a full description of the book. With a collection of more than 45,000 free e-books, Project Gutenberg is a volunteer effort to create and share e-books online. No registration or fee is required, and books are available

in ePub, Kindle, HTML, and simple text formats. What You'll Need Before You Can Get Free eBooks. Before downloading free books, decide how you'll be reading them. A popular way to read an ebook is on an e-reader, such as a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone. These are some of our favorite free e-reader apps: Kindle Ereader App: This app lets you read Kindle books on all your devices, whether you use Android, iOS, Windows, Mac, BlackBerry, etc. A big advantage of the Kindle reading app is that you can download it on several different devices and it will sync up with one another, saving the page you're on across all your devices. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days. Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around.
