You will learn what 7 Chakras are, how we discovered their existence, and who has them and can heal them. Together, we will go through the journey of awakening the Chakras and I will be your guide on your journey to Self-Healing through your Chakra system. Chakras are a field of energy that vibrates at certain frequencies in your body. When you are going about your everyday life, you won't even notice that energy, because we aren't shown or taught how to understand them or work with healing them when we are young. Every day, your Chakras are a part of your life experience. The energy that they are is something that cannot be seen with the naked eye by most people (although some healers are known to have pictured them) and they are always in some kind of fluctuation between high and low, or negative and positive energy. The Chakras have been described as being vortexes, or

wheels of spinning energy that have a color and a light frequency associated with them. They are working hard to keep your health in order and when you are not in good health, neither are your Chakras. Let me explain a little bit more about how energy works so that you can understand how the Chakras work with our whole experience of life. Energy is in all things. Everything has an energetic force field or vibrational frequency that can actually be measured with technology. We are energy, the device you are holding in your hand is energy. The chair you are sitting on has an energetic output. Everything has energy. When you are thinking about the Chakras, and you can picture them as energy, try seeing how that energy can shift or change in certain ways. Learning from this Guide is an effective way to develop your Inner Energies. Inside you will find many techniques on How to awaken the Third Eye and find the empathic power and your secret side of personality. The Third Eye is associated with Spirituality and understanding of Spiritual Things. Many people mistake this for being religious, although one can be religious without being Spiritual. When the Third Eye is opened, it changes your life and your perspective of things and you have this feeling of inner wellbeing that you may never have otherwise experienced. It's almost akin to the opening of a door to understanding. Are you ready to discover this powerful world? What are you waiting for to improve your life? Start from here, Now! With Third Eye Awakening.

Third Eye Awakening Kimberly Empath.2020-03-02 Do you want to learn increases mind power, clarity, concentration, psychic awareness through meditation? Are you ready to align your chakras and activate the kundalini energy and decalcify the pineal gland? If yes, then keep reading... The third eye is a chakra that lies directly between and a little bit above your eyebrows. This chakra is generally represented by an indigo light and is known and used by many religions and spiritual practitioners. The third eye is also known as the mind's eye or the inner eye. In

essence, it translates to your ability to see and experience the invisible. Physically, the biological foundation of the third eye is not completely understood. Many studies have drawn conclusions on what causes it, but virtually no one has the finite answer as to what causes it to happen. Still, everyone is aware that it exists. Have you ever used your imagination? That is virtually the same as the third eye, except that it is being used in a different way. Many tests have been carried out to understand the third eye, but few have found out exactly how it works. Many scientists concluded that the visual pathway is a complex one that uses various pathways and neurons in order to create images. While we understand how vision works when actual eyes are involved, it's hard to understand how it works otherwise. Your chakras are powerful energy centers that connect your entire being to the worlds around you. Understanding how their power works and caring for your mind, body, and soul in a way that puts your energy as a primary priority can help you harness their capabilities to improve the way you navigate the world and the realms beyond what we perceive. As the gateway leading to the realities beyond our perceivable world, the third eye is one of the most potent and accessible energy centers we can use to increase and improve the powers of the mind. This ganglion of energy heightens our brain's capacity and establishes a stronger link between what we can sense and how we understand the truths and realities that we perceive. This book covers the following topics: - What is the third eye? - Process of unlocking the third eye - Pineal gland - Meditation - Healing mind and body through meditation - Mindfulness meditation - Awaken your inner self - What are clairvoyant capacities? - Benefits of astral projection - Psychic abilities - Chakra meditation - Guided meditations to rebalance your chakras and pineal gland activation - Mediums and intuition - Reiki practice - Energy healing - Creating positive thoughts - How to heal and strengthen your third eye ...And much more With the information in this book, you will be able to open

Third Eye Awakening Julia Crystal.2021-02-26 Opening your Third Eye in a safe and effective way! When the ancient yogis devised the chakra system, they were envisioning a uniquely holistic approach to the problem of unleashing the human potential. Thanks to the modern man's penchant for easily-digestible information, this system has been chopped up and split into several, easily-marketable ideas. In the same vein, the system has lost most of its credibility due to unscientific claims and a lack of evidence for the same. This book seeks to remedy all these problems, and to introduce the reader to the concept of opening one's third eye in the way it should be -holistic, safe, efficient, and most of all, realistic!

Third Eye Awakening Kate O' Russell.2017-10-16 The Third Eye is your most powerful psychic tool. Energy medicine utilizes the energy fields of your body to lessen pain and illness while simultaneously increasing one's focus, balance, and happiness. By purifying your energy field, you clear your physical body of negative energy and all your whole self (mind and body together) to be healed and re-energized. Overactive or underactive chakras will result in mental or physical illness. So, how do you balance these chakras? What are the seven chakras and what are the apparent health benefits of aligning them? There are many studies and articles available on the Third Eye, and while there is still so much we may not completely understand about the human brain (and the seven chakras specifically), there is one fact that is commonly referenced and generally agreed upon: awakening the sixth chakra, the Third Eye, may really be your most powerful psychic tool. In taking the time to learn about the seven chakras, you will gain the knowledge to balance your body's naturally

occurring energy cycles. When giving a brief summary of each of the seven chakras below, we will also be sure to discuss and evaluate the location and purpose of each. The seven chakras are a part of our consciousness, though learning how to open or awaken these chakras can help us to connect to our subconscious mind. The last chapter of this book, chapter eleven, offers a guided meditation session to help strengthen each of the individual seven chakras as well as a guided meditation session to tune in to all seven and align them with each other simultaneously. After thoroughly reading this book, you should now have a greater understanding of the seven chakras, of Third Eye awakening, astral travel, meditation techniques, and psychic abilities. In practicing the guided meditations provided within this book, you should be several steps closer to aligning your chakra system, relaxing your body and mind, and having a greater appreciation for psychic awareness. We hope that you are able to utilize this knowledge and these provided practices in order to achieve greater health and wellness for both body and mind. Key Concepts Discussed in This Book: - Spiritual Awakening, Spiritual Cleansing, Spiritual Enlightenment - Energy Medicine: Reiki Healing and Chakra Healing - The Seven Chakras and Chakra System Alignment - Astral Travel, Clairvoyance, and Precognition - Clairaudience Clairsentience And so much more... Third Eye Awakening Serenity Marcus.2020-03-23 Are you looking for a Powerful Guide to Awake your Inner Energies and Improve your Spiritual Practices? Then keep reading... I have seen many explanations of this but the most accurate is that the Third Eye is something that is located between your eyebrows. Place your finger at the top of your nose and up a little until you get to that point where your eyebrows would join and this is the area where the Third Eye is located. It is not an eye in the natural sense and certainly does not look like one, but it is able to discern certain truths and can observe Spiritual Development as well as being able to make the brain see things in a different way than traditional eyes can. Scientifically, we know that this area is the area of the brain that has the label of Pineal Gland. You may have heard of serotonin - which is a feel-good hormone produced by the pineal gland in the form of melatonin. If you understand the shape of the skull, this pinecone shaped gland is located just as we have indicated above and is responsible for many feelings of euphoria, although people such as Rene Descartes described it as being where the soul of man is located. You may not be aware of its existence at this moment in time, but that's because it's a relatively small gland, being about the size of a grain of rice although the impact it can have on your life can be mind-blowing. The Third Eye is associated with Spirituality and understanding of Spiritual Things. Many people mistake this for being religious, although one can be religious without being Spiritual. For example, many people in the teachings of the church while not

believing in spirituality being with you at all times. When the third eye is opened, it changes your life and your perspective of things and you have this feeling of inner wellbeing that you may never have otherwise experienced. It's almost akin to the opening of a door to understanding. This book will teach you and includes: - What is the Third Eye? - How To Open Your Third Eye - Mindfulness Meditation - Practicing Mindfulness - Astral Travel and Clairvoyance - Who Are Empaths? - Trust Your Intuition - How to Remove Negative Influences - Guided Meditations - FAQ's About The Third Eye - Benefits of the Third Eye and much more... We know that in Hinduism, there are Chakras through the body that allow energy flow and that many of the exercises that are performed by yoga classes help to open up this energy flow. There are also consequences to blockages of any of the Chakras, though, too many people, the Third Eye Chakra remains a mystery because they cannot step beyond the worldly beliefs that they hold into the Spiritual Plane required to open the third eye to greater understanding. The Third Eye sees things as if witnessing them and those things that are witnessed allow the individual to feel closer to understanding the Spiritual World as well as being able to gain a better understanding of Mindfulness. Third Eye Awakening Mastery Kate O' Russell.2018-01-10 Our universe is guided by a single energy, one that exists within all of us. We are all connected to it and have the power to harness this energy at any time. Many of us choose not to or simply do not know how to. The Third Eye Chakra is our spiritual connection made possible by the physical pineal gland within our brain. Environmental toxins cause build up around this organ, making it difficult to 'see' and harness the wisdom carried within this entity. The third eye allows us to see our inner visions and manifest our wildest dreams. The key to a happy, joyous life is the ability to maintain this connection. Feeling aimless and hopeless in your situation may be resolved by unblocking your third eye. Third Eye Awakening Mastery: 7 Techniques to Open the Third Eye Chakra, Activate and Decalcify Your Pineal Gland unlocks the secrets to decalcifying your pineal gland through physical manipulations like changing diet and completing certain exercises. Once the gland is clear, it is possible to reconnect with your inner spirit using methods like meditation and guided imagery. If you feel you

need a push and feel even the slightest drive to make improvements in your life, start here with this book. Unlocking the power of your third eye and true intuition will increase your zest for life, and make your visions for your future clear. What you'll learn in this book: What is the Third Eye? There's plenty of information in this book that will help you discover things about yourself that you never knew.
