Complex Cases of Personality Disorders Antonino Carcione, Giuseppe Nicolo, Antonio Semerari. 2021-06-29 This book proposes an integrated model of treatment for Personality Disorders (PDs) that goes beyond outdated categorical diagnoses, aiming to treat the general factors underlying the pathology of personality. The authors emphasize the development of metacognitive functions and the integration of procedures and techniques of different psychotherapies. The book addresses the treatment of complex cases that present with multiform psychopathological features, outlining clinical interventions that focus on structures of personal meaning, metacognition and interpersonal processes. In addition, this book: Provides an overview of pre-treatment phase procedures such as assessment interviews Explains the Metacognitive Interpersonal Therapy (MIT) approach and summarizes MIT clinical guidelines Outlines pharmacological treatment for patients with PDs Includes checklists and other useful resources for therapists evaluating their adherence to the treatment method *Complex Cases of Personality Disorders: Metacognitive and Interpersonal Therapy* is both an insightful reexamining of the theoretical underpinnings of personality disorder treatment and a practical resource for clinicians.

Empatia integrata. Analisi umanistica del comportamento motivazionale nella clinica e nella formazione Edoardo Giusti.

La supervisione pedagogica Francesca Oggionni. 2013-10-04T00:00:00+02:00 940.11

Cambiamento e resistenza in terapia Edoardo Giusti, Florinda Barbuto. 2014-07-29 L'evoluzione esistenziale procede naturalmente nel suo perenne mutare in divenire. Le terapie psicologiche utilizzano interventi focalizzati sul cambiamento intenzionale tramite valutazioni diagnostiche e metodologie plurime per identificare e interrompere comportamenti disadattivi. La resistenza al processo trasformativo è inclusa nel percorso terapeutico e rappresenta un fattore ineludibile per avanzare verso l'estinzione dei sintomi e la modificazione consapevole della personalità

L'empatia tra teoria e clinica Guido Baggio, Gabriele Quinzi. 2023-11-30 L'empatia tra teoria e clinica propone un approccio interdisciplinare attorno alla nozione di "empatia" al fine di evidenziare come essa trascenda le singole discipline in cui classicamente viene analizzata. La ricchezza di questa dimensione affettiva e cognitiva umana richiede infatti una pluralità prospettica che ne evidenzia l'articolazione semantica, teorica e applicativa. Per tale ragione il volume raccoglie contributi eterogenei, che attraversano la letteratura greca e contemporanea, la filosofia, le scienze cognitive e le neuroscienze, la psicologia sperimentale e clinica. Tale varietà di approcci permette di guardare al fenomeno dell'empatia da punti differenti, restituendo un quadro articolato, complesso e ricco.

Dimensioni cliniche e modelli teorici della relazione terapeutica AA.

Teoria e pratica dell'alleanza terapeutica Jeremy D. Safran, J. Christopher Muran. 2019

CBT Case Formulation as Therapeutic Process Giovanni Maria Ruggiero, Gabriele Caselli, Sandra Sassaroli. 2021-04-09 This book reasserts the importance of case formulation as the first step in implementing effective cognitive behavioral therapies (CBT), centering it as the main operative tool of CBT approaches by which the therapist handles the whole psychotherapeutic process. Chapters discuss specific CBT interventions and components of the treatment, as specific factors including therapeutic alliance and relationship, and theoretical and historical background of CBT practices. In addition, the book assumes that in CBTs the case formulation is a procedure which is continuously shared and reevaluated between patient and therapist throughout the course of treatment. This aspect is increasingly becoming the distinguishing feature of CBT approaches as it embodies CBT's basic tenets and implies full confidence in patients' conscious agreement, transparent cooperation and explicit commitment with CBT's model of clinical change.

Clinica psicologica dell'obesità Enrico Molinari, Gianluca Castelnuovo. 2012-07-05 Il testo si propone di affrontare il tema dell'obesità e dei disturbi del comportamento alimentare ad essa associati in una prospettiva psicologica che coniuga l'esperienza riabilitativa e di ricerca di psicologi e medici all'interno dell'Istituto Auxologico Italiano, Istituto di Ricovero e Cura a Carattere Scientifico storicamente impegnato nel trattamento dell'obesità e delle sue complicanze. Oltre ad un inquadramento generale del fenomeno obesità nella sezione 1, vengono trattati, nella sezione 2, i temi della diagnosi e dei principali trattamenti integrati per l'obesità, con un approfondimento sugli interventi psicologici e psicoterapeutici individuali e di gruppo di diverso orientamento. La sezione 3 illustra le possibilità di cura e di ricerca nei contesti extra-ospedalieri o complementari al ricovero. Si evidenzia la realtà del day hospital per l'obesità e si sottolinea il contributo della medicina di famiglia. Infine si accenna alle possibilità offerte dalle nuove tecnologie (Progetto TECNOB in particolare). Il testo fornisce dunque spunti di riflessione e pratica clinica (diagnostica e riabilitativa) per psicologi, psicoterapeuti, medici di base e specialisti di diverse aree (psichiatria, endocrinologia, cardiologia, geriatria, medicina interna, ecc.) ed altri operatori sanitari che si trovano a lavorare a vari livelli con pazienti con obesità a diversi livelli di gravità.

Teoria e clinica dell'alleanza terapeutica. Una prospettiva cognitivo-evoluzionista G. Liotti, F. Monticelli. 2014 Contributi di: Maurizio Ceccarelli, Antonello Colli, Benedetto Farina, Giovanni Fassone, Daniela Gentile, Antonella Ivaldi, Cecilia La Rosa, Vittorio Lingiardi, Giovanni Liotti, Fabio Monticelli, Antonio Onofri, Lucia Tombolini.

Clinica del trauma nei rifugiati Emilio Vercillo, Maria Guerra. 2019-05-16 T00:00:00+02:00 Questo libro è figlio di una mancanza e dell'unione di alcune risorse e esperienze. Esiste una differenza clinica del trauma a partire da diversi contesti, culture e agenti traumatici? Se i campi dell'Etnopsichiatria e della Psicotraumatologia hanno registrato un notevole sviluppo, manca però nella letteratura italiana un testo che unisca indicazioni sulla clinica post-traumatica in popolazioni culturalmente differenti, con informazioni sulle influenze che gli eterogenei fattori culturali realizzano sui quadri post-traumatici e sulle modificazioni necessarie nel loro trattamento. A queste mancanze tenta di rispondere questo libro che, frutto delle competenze e delle esperienze di vari operatori in differenti contesti con pratiche diversificate, è un manuale tematico centrato sulle difficoltà teoriche e soprattutto pratiche che emergono nell'incontro con persone che per la loro patologia e cultura possono apparire a una distanza smisurata.

Storia, teorie e tecniche della psicoterapia cognitiva Antonio

Semerari. 2015-06-01 T00:00:00+02:00 Un'introduzione organica e completa alla psicoterapia cognitiva. I più recenti modelli cognitivi della valutazione e dell'intervento psicoterapico sono fatti oggetto di un'accurata trattazione, che si caratterizza per il frequente ricorso ad esempi concreti, tratti da trascrizioni integrali di sedute. Questa vivida presentazione della dimensione pratico-operativa della psicoterapia cognitiva acquista poi respiro sullo sfondo di un'originale ricostruzione storica dell'influenza delle scienze della mente sulle teorie del cognitivismo clinico, da quelle dei pionieri Beck ed Ellis, fino al più recente approccio 'metacognitivo', di cui lo stesso autore è uno dei più autorevoli esponenti.

Un nuovo sguardo alla schizofrenia. Psicoterapia e psicomodinamica Elia.2014

Il coraggio di far fiore le tue risorse Lara Zucchini.2023-02-10 Abbiamo spesso la convinzione che se ciò che desideriamo non si realizza, non dipende da noi, ma dal caso, dalla sfortuna, dal destino. Questo libro ci aiuta a cambiare prospettiva, a vedere le cose da un'angolazione più funzionale al nostro benessere, ricordandoci che siamo noi gli artefici di quel che ci accade. La consapevolezza di questa responsabilità, che è anche uno straordinario potere, è la chiave di ogni trasformazione. Prendere coscienza dei meccanismi psicologici che ci condizionano ci mostra che il nostro sguardo su noi stessi e sul mondo spesso è frutto delle trappole della mente: i pensieri autosabotanti, le emozioni negative da cui ci lasciamo sopraffare, le paure (di non essere all'altezza, di perdere il controllo, di non essere accettati e amati...). Trappole da cui possiamo liberarci, riconoscendo le qualità che ci rendono unici, lavorando sui nostri punti di forza, scegliendo quali semi coltivare per conseguire gli obiettivi che ci prefiggiamo e far fiorire la nostra vita. Pensa alla tua anima come fosse un giardino. Immagina che pensieri, comportamenti, valori, relazioni siano fiori e piante. Quali vorresti seminare?

La Terapia Metacognitiva Interpersonale di Gruppo (TMI-G) per i disturbi di personalità

Raffaele Popolo, Giancarlo Dimaggio, Paolo Ottavi.2022-04-08T00:00:00+02:00 1161.32

Il panico ospite imprevisto Paola Vinciguerra, Isabel Fernandez.2018-11-29T00:00:00+01:00 Il panico, questo sconosciuto. Come riconoscerlo? Quali sono i meccanismi che lo provocano? Paola Vinciguerra e Isabel Fernandez raccolgono in questo volume non soltanto le considerazioni cliniche sul DAP (Disturbo da attacchi di panico), ma anche le testimonianze di coloro che il panico lo hanno vissuto e superato. I dati più recenti parlano chiaro: il numero di italiani che soffre di attacchi di panico aumenta vertiginosamente e l'età d'insorgenza del disturbo si sta notevolmente abbassando. Attraverso l'approccio psicoterapeutico dell'EMDR (Eye Movement Desensitization and Reprocessing), considerato oggi strumento risolutivo per il trattamento del DAP, Vinciguerra e Fernandez ci mostrano come affrontare e sconfiggere uno dei disturbi più diffusi del nostro tempo.

Pazienti difficili. Un approccio psicoterapico Luigi Pavan, Massimo

Marini.2012-09-21T00:00:00+02:00 1217.1.17

Psicologia clinica E. Molinari, A. Labella.2007-04-29 Il volume fornisce un panorama aggiornato dei principali aspetti teorici, formativi e di ricerca che attualmente caratterizzano la psicologia clinica in Italia. I diversi contributi presentati nelle prime 4 sezioni (Prospettive e dibattiti; Le psicoterapie: sviluppi ed innovazioni; Psicologia clinica, psicoterapia e ricerca; La dimensione formativa in psicologia clinica) rappresentano il frutto di un dialogo e di un confronto che si è articolato nel tempo fra alcuni dei principali studiosi italiani. Lo spirito che accomuna i diversi capitoli deriva dalla considerazione che la psicologia clinica implica una clinica essenzialmente psicologica, caratterizzata da metodiche atte a comprendere ed eventualmente modificare stati mentali, schemi di comportamento e sistemi di relazione. Nella sezione quinta In dialogo con altre discipline vengono riportati i contributi della filosofia del linguaggio ed alcune nuove proposte metodologiche sugli studi osservazionali. I diversi capitoli del volume offrono un aggiornato panorama delle principali tematiche che caratterizzano le attuali prospettive della psicologia clinica.

Handbook of International Negotiation Mauro Galluccio.2014-12-04 This book reinforces the foundation of a new field of studies and research in the intersection between social sciences and specifically between political science, international relations, diplomacy, psychotherapy, and social-cognitive psychology. It seeks to promote a coherent and comprehensive approach to international negotiation from a multidisciplinary viewpoint generating a longer term of studies, researches, and

networking process that both respond to changes and differences in our societies and to the unprecedented demand and opportunities for international conflict prevention and resolution. There is a need to increase cooperation, coherence, and efficiency of international negotiation. It is necessary to focus our shared attention on new ways to better formulate integrated and sustainable negotiating strategies for conflict resolution. This book acquires innovative relevance in and will impact on the new context of international challenges which do not have a one-off solution that can be settled through a single target-oriented negotiation process. The book brings together leading scholars and researchers into the field from different disciplines, diplomats, politicians, senior officials, and even a Cardinal of the Holy See to give their contributions and make proposals on how best to optimize the use of negotiation and diplomacy structures, tools, and instruments. However, unlike most studies and researches on international negotiation, this book emphasizes processes, not simply outcomes or even tools but the way in which tools are and can be used to achieve better outcomes in international reality-based negotiation.

Tutti pazzi per... la relazione Autori Vari.2018-04-18 Questo lavoro rappresenta un'esaustiva vetrina dei metodi della psicoterapia nei diversi contesti della nostra società. Offre un'ampia panoramica degli ambiti d'intervento :disturbi dell'alimentazione, dipendenze comportamentali, problematiche di coppia, co-dipendenza e violenza, neurobiologia e relazioni, strumenti e metodi peritali. Le proposte d'intervento vedono coinvolti canali originali da Skype alle consulenze via mail ,ai rapidi messaggi da cellulare in grado di costruire interventi di aiuto flessibili ed efficaci. Questa raccolta, pur recuperando la dimensione storica del modello Sistemico Relazionale , ne valorizza l'attualità nei suoi aspetti più entusiasmanti che consentono ai professionisti della relazione di aiuto, di costruire progetti terapeutici in perfetta sintonia con le tante e diverse richieste di una società in rapida evoluzione.

Sulla natura della mente Maurizio Ceccarelli.2024-02-01T00:00:00+01:00 1250.351

Il drop-out in psicoterapia Vincenzo Auriemma,Valeria Saladino.2022-04-01 L'opera approfondisce una tematica poco analizzata in ambito psicoterapeutico e di ricerca: il drop-out, condizione che si verifica nel momento in cui il percorso psicoterapeutico si interrompe per motivazioni legate sia al paziente che al professionista. L'obiettivo è duplice: da una parte analizzare la concettualizzazione scientifica e accademica del concetto di drop-out, procedendo alla stesura di un dizionario di termini condiviso; dall'altra individuare le dinamiche della relazione psicoterapeutica tra paziente e professionista al fine di comprendere i fattori che caratterizzano il drop-out.

Divenire genitori e divenire figli AA. VV..2022-10-14T00:00:00+02:00 L'aumento dell'infertilità e delle nascite pretermine, le nuove tecniche di procreazione assistita, le famiglie omogenitoriali, la monogenitorialità, la maternità surrogata sono solo alcuni dei grandi temi che riguardano la perinatalità. Temi che implicano questioni bioetiche, legislative, sociali e antropologiche, ma soprattutto psicologiche, con effetti importanti sui soggetti direttamente (genitori e figli) e indirettamente (operatori sanitari) coinvolti. Date queste premesse, non c'è da stupirsi che la psicologia perinatale stia diventando uno degli ambiti in maggiore evoluzione, che richiede necessariamente una riflessione sulle sfide in atto, le opportunità da cogliere e le ripercussioni psichiche. Siamo veramente pronti ad accogliere i diversi percorsi che conducono alla nascita, le sofferenze del soggetto e gli effetti che esse causano in noi?

Pensare l'affettività Guido Baggio,Gabriele Quinzi.2021-09-01 L'affettività è una dimensione fondamentale della relazione tra noi e il mondo circostante, essa indica fenomeni che caratterizzano profondamente le nostre inclinazioni psichiche, le nostre modalità relazionali, il nostro modo di guardare il mondo. Proprio per l'ampiezza della sua portata, che coinvolge fenomeni strettamente intrecciati ma distinti come le affezioni, le emozioni, i sentimenti e le passioni, la categoria concettuale dell'affettività rivela un'ampia e articolata plurivocità semantica. I contributi raccolti in questo volume, proposti da filosofi, scienziati della mente e psicoterapeuti indagano da diverse prospettive disciplinari la complessità di tale categoria concettuale, fornendone una ricognizione storico-filosofica, psicologica, neuroscientifica e psicoterapeutica.

Teoria E Clinica Dell Alleanza Terapeutica Una Pr Introduction

In today's digital age, the availability of Teoria E Clinica Dell Alleanza Terapeutica Una Pr books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Teoria E Clinica Dell Alleanza Terapeutica Una Pr books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Teoria E Clinica Dell Alleanza Terapeutica Una Pr books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Teoria E Clinica Dell Alleanza Terapeutica Una Pr versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Teoria E Clinica Dell Alleanza Terapeutica Una Pr books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally,

PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Teoria E Clinica Dell Alleanza Terapeutica Una Pr books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Teoria E Clinica Dell Alleanza Terapeutica Una Pr books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Teoria E Clinica Dell Alleanza Terapeutica Una Pr books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of

the vast world of Teoria E Clinica Dell Alleanza Terapeutica Una Pr books and manuals for download and embark on your journey of knowledge?

FAQs About Teoria E Clinica Dell Alleanza Terapeutica Una Pr Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
