*The Island of Last Truth* Flavia Company.2012-11-08 I don't remember who introduced me to Dr. Prendel. However, I do know that it was at the home of Martin Fleming, the psychiatrist, during a get-together of the faculty professors to celebrate his promotion from Assistant Dean to Dean, and I was immediately captivated by his reserved, taciturn attitude and the indifference with which he looked around him, as if he knew exactly what would happen and what would be said... Legend has it that Dr. Matthew Prendel, an expert sailor, had been shipwrecked years before the action in

The Island of Last Truth opens in contemporary New York. His boat was attacked by pirates. He survived thanks to an incredible stroke of luck, while his entire crew perished, but then found himself embroiled in a ferocious fight for survival between two castaways on a desert island. There, too, he was lucky and came out the victor. But perhaps luck played no part in it. Perhaps something darker was at work and at stake. The only sure thing is that Matthew Prendel disappeared for five whole years. He has been back in New York now for a couple of years. That's what they say at least.

Though one should never rely entirely on hearsay. The Island of Last Truth is part adventure story, part noir, and party mystery, one that, like many novels belonging to the adventure genre, doesn't shy away from incisive observations about the nature of human relations.

*The Wolf in Underpants* Wilfrid Lupano.2019-01-01 In this witty graphic novel, a community of forest animals trades scary rumors about a nearby wolf. Some critters have even gone into business selling wolf traps and anti-wolf fences. But when the wolf appears in a pair of striped underpants, everyone rethinks their fears. This is a heartwarming story about understanding differences, told with an oddball sense of humor.

**Sharpie Art Workshop** Timothy Goodman.2015-06-15 "Pays tribute to the ubiquitous, universal, and highly user-friendly Sharpie marker . . . The heart of the guide is the many short creativity exercises." —Library Journal Bold and sharp, brilliant and vivid, Sharpie markers can be found in art, office, and stationery supply stores, drugstores, mass-market and crafts chains—almost anywhere writing utensils are sold. Sharpies can be used on virtually any surface, from the traditional (paper and canvas) to the unexpected (fabric, plastic, ceramics, glass, wood, stone, metal). In addition to the original fine point version, Sharpies are produced in five tip widths, several formulations, and in more than thirty colors, plus silver metallic. Their familiarity, accessibility, and clean, bold, dense line—especially the graphic impact that can be achieved with classic black—have made Sharpie markers the go-to medium for creatives of all stripes. In Sharpie Art Workshop, designer, artist, and art director Timothy Goodman explores Sharpie writing products, the materials and supplies that can be used to enhance or modify them, and the range of creative techniques and effects that can be achieved. Through a series of examples and exercises, Goodman demonstrates how to make different kinds of marks, patterns, and images on a variety of surfaces. Inspiring works by noted artists from all over the world who use Sharpie in interesting and innovative ways are also included. Sharpie Art Workshop offers ideas and inspiration to anyone who's looking to explore the creative potential of this exciting medium. So when you make your mark, what will you create? "Slim and unique, this 'catalog of inspiration' enthusiastically celebrates the mighty marker." —Publishers Weekly

OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. You can also browse Amazon's limited-time free Kindle books to find out what books are free right now. You can sort this list by the average customer review rating as well as by the book's publication date. If you're an Amazon

Prime member, you can get a free Kindle eBook every month through the Amazon First Reads program. Between the three major ebook formats—EPUB, MOBI, and PDF—what if you prefer to read in the latter format? While EPUBs and MOBIs have basically taken over, reading PDF ebooks hasn't quite gone out of style yet, and for good reason: universal support across platforms and devices. There are over 58,000 free Kindle books that you can download at Project Gutenberg. Use the search box to find a specific book or browse through the detailed categories to find your next great read. You can also view the free Kindle books here by top downloads or recently added. Therefore, the book and in fact this site are services themselves. Get informed about the \$this\_title. We are pleased to welcome you to the post-service period of the book. Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks). Think of this: When you have titles that you would like to display at one of the conferences we cover or have an author nipping at your heels, but you simply cannot justify the cost of purchasing your own booth, give us a call. We can be the solution. Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid.
