The Cocktail Garden .2018-03-06 The Cocktail Garden offers cocktail recipes focused around the flavors and produce found throughout the seasons, all stunningly illustrated by internationally-renowned artist Adriana Picker. From summery raspberries and rich figs to citrus and white peaches, apples and pineapples, and infusions using a riot of herbs - basil and thyme, to sage and lavender and other flavors found in the garden. There are drinks for long hot summer afternoons spent among flowers in the garden; wine spritzers for breezy evenings on the back porch; champagne cocktails for celebrations under the apple tree; nightcaps for wintry nights by the fireside; and fruity party punches for that garden party gathering with style.

The Gospel of Buddha Paul Carus.2012 This is the extended and annotated edition including * an extensive annotation of more than 10.000 words about the history and basics of Buddhism * many illustrations * an interactive table-of-contents * perfect formatting for electronic reading devices The best evidence that this book characterizes the spirit of Buddhism correctly can be found in the welcome it has received throughout the entire Buddhist world. It has even been officially introduced in Buddhist schools and temples of Japan and Ceylon. The eminent feature of the work is its grasp of the difficult subject and the clear enunciation of the doctrine of the most puzzling problem of ātman, as taught in Buddhism. So far as we have examined the question of ātman ourselves from the works of the Southern canon, the view taken by Dr. Paul Cams is accurate, and we venture to think that it is not opposed to the doctrine of Northern Buddhism. Ideal Marriage Theodoor Hendrik van de Vlde,Theodoor Hendrik Velde,Margaret Smyth.1972

Scrolls of Love Peter S. Hawkins,Lesleigh Cushing Stahlberg.2006 Scrolls of Love is a book of unions. Edited by a Christian and a Jew who are united by a shared passion for the Bible and a common literary hermeneutic, this volume joins two biblical scrolls and gathers around them a diverse community of interpreters. Respectful of traditional biblical scholarship, the collection of essays moves beyond it; alert to contemporary trends, the volume returns venerable interpretive tradition to center stage. Most significantly, it is interfaith, bringing together two communities that have read their Bibles in isolation from one another, in ignorance of the richness of the others traditions.

Poucher's Perfumes, Cosmetics and Soaps H. Butler.2013-06-29 *Poucher's Perfumes Cosmetics and Soaps* has been in print since 1923 and is the classic reference work in the field of cosmetics. Now in a fully updated 10th edition, this new volume provides a firm basic knowledge in the science of cosmetics (including toiletries) as well as incorporating the latest trends in scientific applications and legislation which have occurred since the 9th edition. This edition will not only be an excellent reference book for students entering the industry but also for those in specialized research companies, universities and other associated institutions who will be able to gain an overall picture of the modern cosmetic science and industry. The book has been logically ordered into four distinct parts. The historical overview of Part 1 contains an essay demonstrating William Arthur Poucher's influence on the 20th Century cosmetics industry as well as a chapter detailing the long history of cosmetics. Part 2 is a comprehensive listing of the properties and uses of common cosmetic types, ranging from Antiperspirants through to Sunscreen preparations. There are an increased number of raw materials in use today and their chemical, physical and safety benefits are carefully discussed along with formulation examples. The many additions since the last edition demonstrate the dramatic recent expansion in the industry and how changes in legal regulations affecting the development, production and marketing of old, established and new products are operative almost worldwide. Information on specialist products for babies and others is included within individual chapters. The chapters in Part 3 support and outline the current guidelines regarding the assessment and control of safety and stability. This information is presented chemically, physically and microbiologically. Part 3 chapters also detail requirements for the consumer acceptability of both existing and new products. Those legal regulations now in force in the EU, the USA and Japan are carefully described in a separate chapter and the remaining chapters have been extensively updated to explain the technical and practical operations needed to comply with regulations when marketing. This information will be invaluable to European Union and North American companies when preparing legally required product information dossiers. The final chapters in Part 4 contain useful information on the psychology of perfumery as well as detailing methods for the conduct of assessment trials of new products. As ingredient labelling is now an almost universal legal requirement the International Nomenclature of Cosmetics Ingredients (INCI) for raw materials has been used wherever practicable. The advertised volume is the 10th edition of what was previously known as volume 3 of *Poucher's Cosmetics and Soaps*. Due to changes in the industry there are no plans to bring out new editions of volume 1 and 2.

The Tale of Tea George L. van Driem.2020-12-11 *The Tale of Teas* the saga of globalisation. Tea gave birth to paper money, the Opium Wars and Hong Kong, triggered the Anglo-Dutch wars and the American war of independence, shaped the economies and military history of Táng and Sòng China and moulded Chinese art and culture. Whilst black tea dominates the global market today, such tea is a recent invention. No tea plantations existed in the world's largest black tea producing countries, India, Kenya and Sri Lanka, when the Dutch and the English went to war about tea in the 17th century. This book replaces popular myths about tea with recondite knowledge on the hidden origins and detailed history of today's globalised beverage in its many modern guises.

Gods, Demons and Symbols of Ancient Mesopotamia Jeremy Black,Anthony Green.1992-05-01 Ancient Mesopotamia was a rich, varied and highly complex culture whose achievements included the invention of writing and the development of sophisticated urban society. This book offers an introductory guide to the beliefs and customs of the ancient Mesopotamians, as revealed in their art and their writings between about 3000 B.C. and the advent of the Christian era. Gods, goddesses, demons, monsters, magic, myths, religious symbolism, ritual, and the spiritual world are all discussed in alphabetical entries ranging from short accounts to extended essays. Names are given in both their Sumerian and Akkadian forms, and all entries are fully cross-referenced. A useful introduction provides historical and geographical background and describes the sources of our knowledge about the religion, mythology and magic of the cradle of civilisation.

The CBD Beauty Book CICO Books.2021-07-13 Discover how to use CBD oil in homemade natural beauty products to harness its powerful antioxidant and anti-inflammatory effects to help with acne, ageing and much more. CBD (cannabidiol) has become hugely popular as a beauty ingredient, especially when combined with other wonderful botanical ingredients. CBD is one of the most powerful parts of the cannabis and hemp plant and is immensely helpful for skincare needs including acne, ageing and skin irritation. CBD has no psychoactive activity, unlike THC which is the psychoactive chemical element of the plant. This means you can benefit from the therapeutic effects of CBD without any other effects. Not only a medicinal aid, CBD can also be used in an oil within your beauty products and treatments since it is rich in antioxidants as well as having brilliant anti-inflammatory properties. The *CBD Beauty Book* shows you how to incorporate CBD oil into a range of homemade beauty products for your face, body and hair, all made with natural, vegan and nut-free ingredients which are kinder to your skin and to the environment. Recipes include an anti-ageing rosehip face oil, a honey and cinnamon anti-inflammatory face mask, divine orange and cocoa body butter and a body balm to relieve aches and pains.

Find Floral Libations 41 Fragrant Drinks Ingredients

It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. The split between "free public domain ebooks" and "free original ebooks" is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. Booktastik has free and discounted books on its website, and you can follow their social media accounts for current updates. If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indie authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible. If you have an internet connection, simply go to BookYards and download educational documents, eBooks, information and content that is freely available to all. The web page is pretty simple where you can either publish books, download eBooks based on authors/categories or share links for free. You also have the option to donate, download the iBook app and visit the educational links. Make Sure the Free eBooks Will Open In Your Device or App. Every e-reader and e-reader app has certain types of files that will work with them. When you go to download a free ebook, you'll want to make sure that the ebook file you're downloading will open. Amazon has hundreds of free eBooks you can download and send straight to your Kindle. Amazon's eBooks are listed out in the Top 100 Free section. Within this category are lots of genres to choose from to narrow down the selection, such as Self-Help, Travel, Teen & Young Adult, Foreign Languages, Children's eBooks, and History. Project Gutenberg: More than 57,000 free ebooks you can read on your Kindle, Nook, e-reader app, or computer. ManyBooks: Download more than 33,000 ebooks for every e-reader or reading app out there. Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days.
