Free eBook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While with advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees. Since Centsless Books tracks free eBooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days. Library Genesis is a search engine for free reading material, including eBooks, articles, magazines, and more. As of this writing, Library Genesis indexes close to 3 million eBooks and 60 million articles. It would take several lifetimes to consume everything on offer here. You'll be able to download the books at Project Gutenberg as MOBI, EPUB, or PDF files for your Kindle. Want to listen to books instead? LibriVox is home to thousands of free audiobooks, including classics and out-of-print books. Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback. In the free section of the Google eBookstore, you'll find a ton of free books from a variety of genres. Look here for bestsellers, favorite classics, and more. Books are available in several formats, and you can also check out ratings and reviews from other users. OpenLibrary is a not-for-profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. Myanonamouse is a private bit torrent tracker that needs you to register with your email ID to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2 million torrents and is a free-for-all platform with access to its huge database of free eBooks.
