Being Heumann Judith Heumann,Kristen Joiner.2020-02-25 A Publishers Weekly Best Book of the Year for Nonfiction ...an essential and engaging look at recent disability history.— Buzzfeed One of the most influential disability rights activists in US history tells her personal story of fighting for the right to receive an education, have a job, and just be human. A story of fighting to belong in a world that wasn't built for all of us and of one woman's activism—from the streets of Brooklyn and San Francisco to inside the halls of Washington—Being Heumann recounts Judy Heumann's lifelong battle to achieve respect, acceptance, and inclusion in society. Paralyzed from polio at eighteen months, Judy's struggle for equality began early in life. From fighting to attend grade school after being described as a "fire hazard" to later winning a lawsuit against the New York City school system for denying her a teacher's license because of her paralysis, Judy's actions set a precedent that fundamentally improved rights for disabled people. As a young woman, Judy rolled her wheelchair through the doors of the US Department of Health, Education, and Welfare in San Francisco as a leader of the Section 504 Sit-In, the longest takeover of a governmental building in US history. Working with a community of over 150 disabled activists and allies, Judy successfully pressured the Carter administration to implement protections for disabled peoples' rights, sparking a national movement and leading to the creation of the Americans with Disabilities Act. Candid, intimate, and irreverent, Judy Heumann's memoir about resistance to exclusion invites readers to imagine and make real a world in which we all belong.

Hard Time Shaun Attwood.2014-02-18 Shaun Attwood was a millionaire day trader in Phoenix, Arizona, but his hedonistic lifestyle of drugs and parties came to an abrupt end in 2002 when a SWAT team broke down his door. Attwood found himself on remand in Maricopa Jail with a \$750,000 cash bond and all of his assets seized. The nightmare was only just beginning as he was submerged in a jail in which rival gangs vied for control, crystal meth was freely available, and where breaking rules could result in beatings or death. Sheriff Joe Arpaio's jails have the highest death rate in the United States. *Hard Time* is the harrowing yet darkly humorous account of the time Attwood spent submerged in a nightmarish world of gang violence and insect-infested cells, eating food unfit for animals. His remarkable story provides a revealing glimpse into the tragedy, brutality, comedy, and eccentricity of prison life.

**Transition** Iain M. Banks.2009-09-23 There is a world that hangs suspended between triumph and catastrophe, between the dismantling of the Wall and the fall of the Twin Towers, frozen in the shadow of suicide terrorism and global financial collapse. Such a world requires a firm hand and a guiding light. But does it need the Concern: an all-powerful organization with a malevolent presiding genius, pervasive influence and numberless invisible operatives in possession of extraordinary powers? Among those operatives are Temudjin Oh, of mysterious Mongolian origins, an un-killable assassin who journeys between the peaks of Nepal, a version of Victorian London and the dark palaces of Venice under snow; Adrian Cubbish, a restlessly greedy City trader; and a nameless, faceless state-sponsored torturer known only as the Philosopher, who moves between time zones with sinister ease. Then there are those who question the Concern: the bandit queen Mrs. Mulverhill, roaming the worlds recruiting rebels to her side; and Patient 8262, under sedation and feigning madness in a forgotten hospital ward, in hiding from a dirty past. There is a world that needs help; but whether it needs the Concern is a different matter.
