A Court of Frost and Starlight Sarah J. Maas.2018-05-01 A tender addition to the #1 New York Times bestselling Court of Thorns and Roses series by Sarah J. Maas, bridging the events of A Court of Wings and Ruin and upcoming books. Feyre, Rhysand, and their friends are still busy rebuilding the Night Court and the vastly altered world beyond, recovering from the war that changed everything. But Winter Solstice is finally approaching, and with it, the joy of a hard-earned reprieve. Yet even the festive atmosphere can't keep the shadows of the past from looming. As Feyre navigates her first Winter Solstice as High Lady, her concern for those dearest to her deepens. They have more wounds than she anticipated—scars that will have a far-reaching impact on the future of their court. Bridging the events of A Court of Wings and Ruin with the later books in the series, A Court of Frost and Starlight explores the far-reaching effects of a devastating war and the fierce love between friends.

Kingsley (The Macmillan Co.). wood on Wichuraiana and training the pliant, new canes over wire frames in the shape of arches. Undoubtedly very pretty effects could be obtained by this method. She also states that the Banksias, some of the Multifloras such as Crimson Rambler, and one Noisette, Fortune's Yellow, only flower on the sub-laterals, i.e., on wood three years old. We knew that Crimson Rambler needed practically only thinning, but were ignorant of the interesting fact regarding the sub-laterals. It will be readily understood how easily the above-named climbers could be spoiled by unintelligent pruning. Hybrid Tea and Hybrid Perpetual Climbers (other than sports) and Polyantha Climbers should be treated on somewhat the same principle as the Wichuraiana Climbers. The difference is that their wood winter kills more easily, and therefore no thinning out of old canes should be done before spring, and then only when such canes crowd the new growths. The laterals on the main canes should be cut back to from two to four eyes. Climbing Sports of dwarf roses, Tea Climbers and Noisettes should be pruned more sparingly. Old canes should only be removed as they become profitless, laterals but slightly shortened unless they are crowded. In the case of all climbers better results will be obtained if they are carefully and systematically trained and fastened in place. Most Hybrid Tea Climbers, Noisettes, and all the Teas need winter protection, as above described. For all climbers, on account of the greater evaporation due to their larger growth, much more water is necessary than for dwarfs. We strongly recommend for them the peat moss mulch, noted later. Prairie (roses derived from *R. setigera*); (R.H.), Rambler hybrids (Crimson Rambler, one parent); (T.), Tea-scented, (W.H.), Wichuraiana hybrid. We can have roses almost anywhere. It is even possible to have them in poor, sandy soil, but it is not possible to have the best double varieties without the best soil and the best care. There can be roses on walls, on trellises, on tree trunks, on arbours, in the city garden, at the seashore, and about the mountain home where your summer is enjoyed. There are roses that bloom in the summer, others that make the garden glow in autumn, and some that are so lavish with flower that they repeat their gifts of colour and fragrance through the season. As a whole, the rose family asks for a deep, rich and heavy soil; but the Burnet, or Scotch, roses will thrive in sand; so will the Memorial, or Wichuraiana--and there are a score of excellent varieties derived from this which make rampant growth with almost no soil at all, and seem not to ask much care. We have been so long trained to think and speak of roses as only for their individual flowers that whole groups and families of kinds that do not make a great display of specimen individual flowers have been almost lost to the sight of the ordinary individual. It is not true that all roses are ugly plants, to be regarded only as the means of producing glorious roses, and that therefore their proper place is in an out-of-the-way corner where they will never...

[A Bed of Roses](#) W. George.2017-01-23 The story of a woman's descent into prostitution. The broad man stepped forward quickly and shook hands with Molly. Then he took a critical look at Victoria. The three young men struggled for an absurd little bag which Molly always dropped at the right moment. 'How do you do, Mrs Fulton, ' said the broad man stretching out his hand. Victoria took it hesitatingly. 'Don't you remember me?' he said. 'My name's Cairns. Major Cairns. You know. Travancores. Met you at His Excellency's hop.' Of course she remembered him. He was so typical. Anybody could have told his profession and his rank at sight. He had a broad humorous face, tanned over freckled pink. Since he left Wellington he had grown a little in every direction and had become a large middle aged boy. Victoria took him in at one look. A square face such as that of Cairns, distinctly chubby, framing grey blue eyes, was as easily recalled as forgotten

THE WIND AND THE ROSE. The wind that lifts thy sunny tresses And softly strokes thy winsome face, And blending whispers with caresses Still lingers at the shrine of grace--Ah, envied breeze, 'tis blessed too much To kiss unchid thy curving lips, While I, alas! scarce dare to touch, With beating heart, thy finger tips. The rose that on thy breast lies sleeping, What blissful dreams that rose must know, Unworn by any thought of weeping, Unpierced by any pang of woe! Ah, happy rose! in joy to live, In bliss to die, from sorrow free: Oh, I the whole wide world would give Just one brief hour that rose to be. A SONG OF THE STREET. Oh, like a sunbeam 'mid the gloom You swiftly glide along the pave; Your face is like a flower in bloom, A pearl beneath the ocean wave. On me your glances never rest: Your starry eyes, with grace a-glow, The stranger's care have never guessed; I watch you when you do not know. I watch you pass amid the throng And thread the loud and busy street; So heedless sweeps the crowd along, I tremble for your little feet. Your looks shine out so sweet and warm, The winds of heaven more gently blow. A SONG OF THE STREET. No sudden ill your feet shall harm; I guard you when you do not know. Oh, fairer than the wild rose spray Your cheek whereon the dimples peep Oh, may they ever peep and play, And ne'er in sorrow learn to weep! May fate give you my share of bliss And grant to me your part of woe; May fortune greet you with a kiss; I love you, and you do not know. SWEET SIXTEEN. Excerpt: ...to propagate from cuttings than other Roses, and is to be found in only one nurseryman's list, but I am glad to say its merit has been recognised, and a stock of it will, I believe, soon again be obtainable. To my fancy it is far preferable to the deeper coloured Reine Marie Henriette, so very common all along the Riviera, and which in December, mingling with Reve d'Or, has a great charm, even if it be not the very best of all. R. La Grifferaie, which we seem only to know as a stock for other Roses, is a very brilliant and luxuriant climber in late spring, intensely bright pink in its clusters. The growth and foliage of this Rose are prodigious, and it requires a large space to do itself justice; were it perpetual it would rank as one of the best. Waltham Climber No. 3 shows to great advantage on this coast. Its long strong shoots are clothed with its scarlet-crimson flowers early in spring, and give a fair sprinkling of blooms continuously during winter when grown on a sunny pergola. No mention has been made of Gloire de Dijon and its many seedlings, for they do not show to as great advantage as in more northern gardens. Belle Lyonnaise is fairly good, but there is one of more modern date, Duchesse d'Auerstadt, which proves the exception to the rule, and is most excellent in every way. From its growth it is evidently from Reve d'Or on one side, and is quite the finest, freest, and best of all golden-yellow Tea Roses of climbing habit. It will no doubt entirely displace Reve d'Or, being its superior in every way, and this, to those who know that old Rose on this coast, is saying much. Noisette Roses.--After Lamarque, which has already received its due notice, Jaune Desprez must be mentioned on account of its perfume and beauty in spring....

Excerpt: ... good, strong, healthy plants, united to cleanliness and careful watching as to detail in cultivation. Avoid overwatering in dark weather, syringe carefully and not too often in the Winter time. Keep a little sulphur painted on the pipes all the time when firing, and dust a little dry sulphur on tlic iulmg: in Midsummer when there is no fire. Let this remain on the bushes, with one or two days of hot sun on it, before washing it off. Renew the application as soon as the bushes are dry, if necessary. When the first spots of mildew show in a house, the affected leaves should be picked off and burned. If this is persisted in for a few days the disease may be kept from spreading, if the sulphur remedy is kept up. A muggy atmosphere in a house, induced by too much damping down and too little air, will cause mildew to spread rapidly. When mildew reaches the fruiting stage, the white powder is carried by the wind and spread, or it may be carried on the clothing from one house to another. At this time it may be drowned out by continuous syringings which wash off and beat down the spores, destroying a great many of them before they can get a chance to alight on a favorable place to reproduce themselves. If mildew has been present in the Fall, all the leaves that were affected, which show signs of its presence, should be removed and destroyed, or an outbreak is certain in the Spring. When syringing to destroy mildew, always work to drive it away from (instead of on to) benches that are clean. Black spot is a disease confined to the foliage, and mostly troublesome in the Fall and Winter under glass, particularly on American Beauty and Richmond Roses. It appears in the form of black or purplish spots, sometimes almost circular and about...

No Bed of Roses Cecil Rajendra.2013-10-14 Rose Chan, "Queen of Striptease" at just 27 years old, enthralled men young and old in the heyday of cabaret in 1950s Malaya. Her accidental shot to fame, thanks to a wardrobe malfunction in which her bra snapped, catapulted her into the limelight. In *No Bed of Roses*, Cecil Rajendra pens an account of her life — her childhood in Soochow, China, and then in Kuala Lumpur and Singapore, her five marriages and personal struggles, how she circumvented the colonial decency laws that forbade nudity, and finally her fight with cancer that took her life in 1987 at the age of 62.

He has behaved like a villain to me--I mean to her; and Mrs. Mersey's handkerchief goes up to her eyes, to hide the confusion consequent on her little mistake. Mrs. Ruthven regards her keenly. She is a clever woman, though her faculties are considerably sod dened by drink. But she does not believe in her own sex, and is generally sharp where they are concerned. You seem to feel this business pretty

considerably, she remarks, presently. I feel it on account of my dear young friend, replies the visitor. And what have you done for your dear young friend? What do you expect me to do for her? I should have enough to do if I adopted the cause of all the girls my husband flirts with. Mrs. Ruthven, you quite mistake me. I came here--not to ask for your help, but your sympathy. You could surely stop this sort of thing if you chose. You are Mr. Ruthven's wife, and he is accountable to you for (at least) his outward respectability of demeanour. The ex-mistress of the Californian gold-digger knows too much of her own mode of life, not to be amused at the idea. I don't know that he is accountable, or that I should care to make him so, she answers. You know that we don't live together. What is it to me where he goes, or who he makes love to? But in the cause of morality, my dear Mrs. Ruthven, surely a wife should exert her influence in a case like this. The poor girl's character is ruined--absolutely ruined 1 Then I can't patch it up again....

Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1911 edition. Excerpt: ... The early Christian church dedicated the plant to the Virgin, and in the east and in parts of Europe it is prized by women who believe that they shall become mothers of many. Wherever the holy family paused in its flight to Egypt this plant sprang from the earth, the first rising from the plain of Jericho to greet the infant Saviour. ROSE Loved by the world and loving it, the rose is the type of beauty. It is grown and worn in all but Arctic lands and the equatorial belt. Its essence, the fragrant attar, carries to the earth's ends a memory of its sweetness. It has been the symbol of faction, the symbol of peace, the emblem of prospering nations. Its part in history is still told in rites and tributes, for in London the custom holds of laying the city sword on a bed of rose-leaves on Michaelmas day--a memory of the Wars of the Roses. The rose figures from the earliest times in the art, the poetry, the traditions, of the people, and has its place in the legends of the saints. It is with a rose of gold that the Pope requites service to the faith. It is a rosary by which piety still numbers its prayers and aves. The rose blooms in precious stones, among the treasures of kings and princea of the church; it flowers on storied windows; it glorifies tapestries and vestments, silks and canvases, even as it blows in gardens. From the earliest speech, it has figured in poetry and song. It comes from China, Japan, Persia, Damascus, Caucasus, Provence, Iceland; it borrows the name of Sharon; we have the Austrian briar and the double yellow of Constantinople; we pluck the banksia of Scotland and the harsh plant of the Dead Sea border; we have our own lovely roses that will not leave America, for they say that the blooms of Virginia die if they are...

(6) Columns for Discount on Purchases and Discount on Notes on the same side of the Cash Book; (c) Columns for Discount on Sales and Cash Sales on the debit side of the Cash Book; (d) Departmental columns in the Sales Book and in the Purchase Book. Controlling Accounts.--The addition of special columns in books of original entry makes possible the keeping of Controlling Accounts. The most common examples of such accounts are Accounts Receivable account and Accounts Payable account. These summary accounts, respectively, displace individual customers' and creditors' accounts in the Ledger. The customers' accounts are then segregated in another book called the Sales Ledger or Customers' Ledger, while the creditors' accounts are kept in the Purchase or Creditors' Ledger. The original Ledger, now much reduced in size, is called the General Ledger. The Trial Balance now refers to the accounts in the General Ledger. It is evident that the task of taking a Trial Balance is greatly simplified because so many fewer accounts are involved. A Schedule of Accounts Receivable is then prepared, consisting of the balances found in the Sales Ledger, and its total must agree with the balance of the Accounts Receivable account shown in the Trial Balance. A similar Schedule of Accounts Payable, made up of all the balances in the Purchase Ledger, is prepared, and it must agree with the balance of the Accounts Payable account of the General Ledger. The Balance Sheet.--In the more elementary part of the text, the student learned how to prepare a Statement of Assets and Liabilities for the purpose of disclosing the net capital of an enterprise. In the present chapter he was shown how to prepare a similar statement, the Balance Sheet. For all practical...

A Curse of Roses Diana Pinguicha.2020-12-01 Based on Portuguese legend, this #OwnVoices historical fantasy is an epic tale of mystery, magic, and making the impossible choice between love and duty... With just one touch, bread turns into roses. With just one bite, cheese turns into lilies. There's a famine plaguing the land, and Princess Yzabel is wasting food simply by trying to eat. Before she can even swallow, her magic—her curse—has turned her meal into a bouquet. She's on the verge of starving, which only reminds her that the people of Portugal have been enduring the same pain for years. If only it were possible to reverse her magic. Then she could turn flowers into food. Fatyan, a beautiful Enchanted Moura, is the only one who can help. But she is trapped by magical binds. She can teach Yzabel how to control her curse—if Yzabel sets her free with a kiss. As the King of Portugal's betrothed, Yzabel would be committing treason, but what good is a king if his country has starved to death? With just one kiss, Fatyan is set free. And with just one kiss, Yzabel is yearning for more. She'd sought out Fatyan to help her save the people. Now, loving her could mean Yzabel's destruction. A Curse of Roses includes themes, imagery, and content that might be triggering for some readers. Discussions of religious-based self harm, religious-based eating disorders, and religious-based internalized homophobia appear throughout the novel.

Though rooted in esteem's deep soil, the slow And gradual culture of kind intercourse Must bring it to perfection. Joanna Faillie. I hAVE loved with right good will, Mourned my hopes departed, Dreamed my golden dream, and still Am not broken-hearted. August 1st. OULD we forbear dispute and practise love, We should agree as angels do above, Where love presides: not vice alone does find No entrance there, but virtues stay behind: Both faith and hope, and all the meaner train Of moral virtues at the door remain. Love only enters, as a native there; For, born in heav'n, it does but sojourn here. Edmund Waller. Love lightens every doom, Love brightens every gloom, Love cheers us to the tomb-Death's self will spare it. J. F. Waller. August 2nd. I do abominate to dance! Could carve Fiddlers and company! The Rose of Life Mary Elizabeth Braddon.2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1905 edition. Excerpt: ... CHAPTER III MRS. MONTROSE DANIEL had no intention of sending the telegram, and he went straight to the station, arriving just in time for the train to Monte Carlo. Carried to the upper level he inquired at once for the H6tel de Versailles, which, as he had supposed, was situated obscurely at the back of all that makes for splendour and beauty in that metropolis of rich men's pleasures. It was a tall, narrow house at the corner of a new street. The plastered facade was shabby while still new, the sunblinds were dirty, the geraniums on the doorstep were white with dust, and rancid odours of vulgar food exuded from the basement. He knew enough of Mrs. Montrose to have been able to forecast the kind of hotel in which she would be found. She was a well-known figure in the Rooms. He had seen her often, and had exchanged speech with her in the trifling courtesies of the gaming-table; and had heard all that there was to be told about her from grey-haired punters who had known her when life was still summer. She was a woman who had been pre-eminently beautiful, and who had nourished for a butterfly's brief existence as a famous beauty, never in society, but an object of interest for society. She was a well-known spendthrift's daughter, flung on the world early by her father's ruin and death, taken up by busybody friends, who suggested the stage as a natural career for so much beauty and so little talent. The manager to whom she was introduced appreciated her beauty, and could do without talent. He was about to produce *The Winter's Tale*, at a large, popular West End theatre, with unprecedented splendour, and he engaged Mary Horton for Perdita, hoping she would make as great a hit as Mrs. Robinson, the historical Perdita. You can have no idea what...

Roses and Thorns; Or, Recollections of an Artist Susanna Paine.2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1854 edition. Excerpt: ... ROSES AND THORNS. Can you tell me who that is--she that has just passed us? What, that tall, large lady, in a drab bonnet, crossing the street yonder? Exactly. Her name and profession are generally known through the medium of the advertising columns, but who or what she really is, is a question that probably few in this part of the city could answer. She is seen going to her studio every morning, and returning about sunset. Neither cold, heat, or even storms prevent her. She always goes on foot, and alone, through all. It is well for the omnibusses that all the ladies are not such pedestrians. Perhaps poverty makes one of her. Very likely, for her dress, though quite decent, would not lead one to suppose she was one of the upper ten. How long has she resided here? About three years, I believe. It is said that she resided here formerly, and sustains an unblemished character. Is she, or has she ever been married? I do not know; it is pretty evident that she has met with heavy trials of some kind. In the street, she appears in a deep study, and wholly unconscious that there is an individual within a mile of her. Perhaps it was a matrimonial disappointment? Very likely. She is seldom, if ever met at any place of amusement, or public resort; does not appear to move in any society, high or low; or to have any intimacy with any one; but seems to be wholly unconnected. No one seems to know where her residence is: it is probable, however, that she is a boarder in some obscure, private family. She is certainly a very eccentric person. No doubt of it, but it has been ascertained that she holds many testimonials, respecting her moral character, and from unquestionable sources. Will she probably remain long, ...

publisher. Not indexed. Not illustrated. 1908 edition. Excerpt: ... 'Good-bye! Get some roses in those pale cheeks, ' cried Lady Meadrow. 'Have a nice walk, you need it, but mind and be back in time to do my foot, ' called Mrs. Bowman. 'Oh, yes. Edith must not be out too long, ' Amy assured them. Edith was dull and calm, a little discontented-looking, as usual. And as usual she walked fast, with her head a little bent down. Amy counselled more deliberation. 'You know there's no hurry. You must not overdo it.' 'Why do you bother about me?' said the wife. 'Why should I not?' 'It is just as if you cared about me.' 'I do.' 'Not a pin!' 'A brooch--a locket--a tiara--a great deal!' 'You can't care for me, or you' 'Or I what?' said Amy. 'You may say what you like, but I think I do truly appreciate you. I consider you an awful brick, the best woman I have ever known and the most patient.' 'Yes, that I am, ' said Edith violently. 'Because it must be rather trying, the whole arrangement, eh? Here am I, a mere outsider, taking on myself to boss your house for you, and you never get cross or order me out, but just sit still and look pretty.' 'Because if I did order you out, ' replied Edith, as one in a dream of sincerity, 'I know that Jeremy would have you back again the next minute. You do it all so well, I don't deny that. No better than I could, only I have been ill and unable.... However, as soon as I get over this, I mean to assume the reins again.' 'Will you?' / 'Shall you mind very much?' asked the other, bending a weakly inquisitorial gaze on her companion. 'Yes, ' said Amy, frankly, 'I shall mind very much, although of course it is your right.' 'And you will help me, won't you?' 'I'll try. But I am afraid I shall not be able to work with you as well as I work for you. It isn't in my nature. I need a free...

A Bed of Roses Walter Lionel George.2015-06-11 'We go.' The lascar meditatively pressed his face, brown and begrimed with coal dust, streaked here and there with sweat, against the rope which formed the rough bulwark. His dark eyes were fixed on the shore near by, between which and the ship's side the water quivered quicker and quicker in little ripples, each ripple carrying an iridescent film of grey ooze. Without joy or sadness he was bidding goodbye to Bombay, his city. Those goodbyes are often farewells for lascars who must face the Bay and the Channel. But the stoker did not care.

Problem is, he doesn't do relationships. Badly burned by an ex, Dylan only allows himself one-night stands. But after his night with Ari, he has to be with her again, even if it means making things complicated. Their mutual attraction is too strong to ignore and one night turns into many. As an anti-relationship kind of guy, the fun-intentioned Kris is perfect for him. But Kris has a bad habit of falling for playboys, and Trey's past is enough to put him off relationships forever. How can they grab the chance at a liberating future when painful experiences stand in their path? SECRET TASTES Can a fake romance that's turning into something real survive the malicious actions of a jealous ex? Samantha intends to resign from her father's accounting practice and move to another state to follow her dream of establishing a catering business. But she doesn't want to break her parents' hearts. When her cousin suggests telling them that a man is the reason behind her decision, she finds the perfect excuse to give her hopelessly romantic folks. Adam doesn't mind playing the role of Sam's fake boyfriend. She's a friend in need and he's a helpful guy. Besides, he is desperate to show a clingy ex that they are truly over, and Sam acting as his girlfriend is the perfect solution. When their pretense becomes all too real, Adam's jealous ex makes sure they don't end up together. How can Sam trust Adam when she believes she has proof he's not ready to move on? And how can Adam convince Sam of his feelings when she's intent on moving away from him? keywords: contemporary romance, romantic comedy, friends to lovers, friends with benefits, fake dating, career and love, friendships, steamy romance, box set, boxed set, collection, complete series

Bed of Roses Suzanne Simmons.1995 The last thing the determinedly unmarried Lady Alyssa wanted at her ancestral home was a man. Yet the Queen had heard about the haunting of Greystone Abbey and was sending an emissary, Miles St. Aldford--a nonbeliever in ghosts and love--to investigate. Since Alyssa had been running the estate, the oddest things were happening. Now she would have a meddling stranger to cope with, as well.

A Bed of Red Flowers Nelofer Pazira.2010-07-30 As a young girl growing up in 1970s Afghanistan, Nelofer Pazira seems destined for a bright future. The daughter of liberal-minded professionals, she enjoys a safe, loving and privileged life. Some of her early memories include convivial family picnics and New Years' celebrations overlooking the thousands of red flowers that carpet the hills of Mazar. But Nelofer's world is shattered when she is just five and her father is imprisoned for refusing to support the communist party. This episode plants a "seed of anger" in her, which is given plenty of opportunity to grow as the years unfold. In 1979, the Soviets invade Afghanistan beginning a ten-year occupation. The country becomes an armed camp with Russians fighting U.S.-backed mujahidin fighters while trying to impose military rule. For Nelofer, daily life includes an endless succession of tanks, rockets screaming overhead and explosions in the street. During this time, she and her best friend, Dyana, seek refuge in their love of poetry. At eleven, the two girls throw stones at Soviet tanks and plot other acts of rebellion at the local school. As Nelofer gets older, she joins the resistance movement, distributes contraband books, studies guerilla warfare and hides a gun in her parent's mint garden. When Nelofer's younger brother comes home from school in military garb, the family finally decides to flee Afghanistan. What follows is a perilous, clandestine journey across rugged mountains into Pakistan. But the life of a refugee is not what Nelofer expects. Though she once idealized the mujahidin as freedom fighters, she is shocked, as a woman, to find herself stripped of her personal freedom in their midst. In 1990, Nelofer and her family are offered refugee status in Canada. Here she corresponds with her friend Dyana, whose letters reveal the increasing oppression of life under the Taliban. Fearing that her friend will kill herself, Pazira returns to Afghanistan to rescue her. This search becomes the basis for the acclaimed film Kandahar. Her journey to discover Dyana's tragedy leads her finally to Russia, the land of her enemy, where she confronts the legacy of the Soviet invasion of her homeland first-hand. *A Bed of Red Flowers* is a gripping, heart-rending story about a country caught in a struggle of the superpowers - and of the real people behind the politics. Universally acclaimed for its astute insights and extraordinary humanity, Pazira's memoir won the Drainie-Taylor Biography Prize for 2005. The Winnipeg Free Press writes: "Powerfully written, *A Bed of Red Flowers* is a rare account of a misunderstood country and its intrepid people, trying to live ordinary lives under extraordinary circumstances." The Gazette (Montreal) describes the book as "an outpouring of passionate non-fiction that captivates like the tales of Sheherazade.... It's a remarkable journey. An inspiring read."

A Bed of Roses W L George.2021-01-15 Book Excerpt: ...ly. The broad man stepped forward quickly and shook hands with Molly. Then he took a critical look at Victoria. The three young men struggled for an absurd

little bag which Molly always dropped at the right moment. 'How do you do, Mrs Fulton, ' said the broad man stretching out his hand. Victoria took it hesitatingly. 'Don't you remember me?' he said. 'My name's Cairns. Major Cairns. You know. Travancores. Met you at His Excellency's hop.' Of course she remembered him. He was so typical. Anybody could have told his profession and his rank at sight. He had a broad humorous face, tanned over freckled pink. Since he left Wellington he had grown a little in every direction and had become a large middle aged boy. Victoria took him in at one look. A square face such as that of Cairns, distinctly chubby, framing grey blue eyes, was as easily recalled as forgotten. She took in his forehead, high and likely to become higher as his hair receded; his straight aggressive nose; his little rough moustac..

A Bed of Thorns and Roses Sondra Carr. 2013-10-11 A Beauty and the Beast tale set during America's Gilded Age I may be a monster, Miss Tate, but I am not a beast. His new secretary looked unconvinced. How could he blame her? His mask had her trembling like a frightened rabbit. Yet what lay beneath was far worse. The sight of his face had already killed one young woman. He well understood Miss Tate's fear. If only she understood his. Because as disturbing as she found his gruesome appearance, he was far more terrified of her beauty. Heir to a wealthy robber baron, Jonathan Nashe had every advantage money could buy until a tragic fire left him horribly disfigured. Now he lives secluded in his isolated country mansion, his scientific research his only solace. When declining health threatens to rob him of even this small comfort, Jonathan is forced to choose between his work and his privacy. Reluctantly, he hires a secretary. Though distasteful, sacrificing his privacy soon proves the least of his concerns; he never expected to sacrifice his heart as well. But Isabelle Tate guards the secrets of her past as vigilantly as Jonathan hides the scars beneath his mask. Can they confess their growing love for one another knowing that to bare their deepest feelings, they must also bare their deepest shame?
