*A Man of Substances* David Partridge,Gerald McCarthy.2010-06-03 When Gerry McCarthy hit the headlines in 1996, he was the man at the center of a five million dollar dope bust, the largest grow-op takedown in Canadian history. But when he hit the big city as a small-town teenager many years before, he was as green as grass. The story in between is a unique and winding journey through the vibrant, revolutionary years of the twentieth century. A Man of Substances looks unblinkingly at McCarthys invention, reaction, and folly over a life on the less sober side of the law. This memoir explores McCarthys journey, from a guitar slung across his shoulders to handcuffs around his wrists. In between are the exploits of one of Canadas marijuana cultivation pioneers, at turns resourceful and rash, sincere and sardonic, hardworking and hammered. He is paperboy and pot dealer, secret keeper and raconteur. Hes a devoted suburban family man with a pound of weed in the second car. Both entertaining and educational, A Man of Substances reflects the times and the culture of the world in which he grew up and explores that worlds folly and its shadows with equal candor. I liked...no, loved this book. - Betsy Powell, author of Bad Seeds

**How to Make Money Flipping Motorcycles for Profit** Barrett Williams.2022-11-05 Attention motorcycle enthusiasts: Try the proven Moneybike flipping formula to turn your passion for bikes into profit. Looking to make some extra cash? If you're a motorcycle enthusiast with a knack for buying and selling bikes, flipping motorcycles could be the perfect side hustle for you. In the new book *How to Make Money Flipping Motorcycles for Profit*, author and expert flipper Barrett Williams shares his insider tips and tricks for turning your passion for motorcycles into a profitable business. In *How to Make Money Flipping Motorcycles for Profit*, you'll learn everything you need to know to get started flipping bikes. From finding the best deals to negotiating with sellers, Barrett shares his

secrets for maximizing profits and minimizing risk. You'll also learn how to spot common issues with used bikes, how to make necessary repairs and upgrades, and how to market and sell your motorcycles for top dollar. What sets *How to Make Money Flipping Motorcycles for Profit* apart is Barrett's extensive knowledge of the motorcycle market. As a seasoned flipper with years of experience, Barrett knows what makes a motorcycle a great investment and how to get the most value out of each bike. He shares this knowledge with readers, providing detailed insights into the motorcycle industry and the factors that can affect resale value. With *How to Make Money Flipping Motorcycles for Profit*, you'll be able to turn your passion for motorcycles into a lucrative and fulfilling side business. Whether you're looking to make some extra cash on the weekends or to transition into a full-time career, Barrett's expert advice and guidance will give you the tools and knowledge you need to succeed. In this book you will learn: Why motorcycles are a great opportunity to start a small business State laws and regulations to be aware of What time commitment you'll need to invest How to setup your shop for flipping motorcycles What skills and knowledge you'll need, and where to find them if you don't have them The MoneyBike Formula - the extremely detailed, step by step process that I've successfully used for several years How to conduct a profitability analysis on the bike before taking the time to see it in person How to put together a budget for the bike project to ensure you're on track for a nice profit Where to find motorcycles to buy, how to inspect the bike in person, and how to negotiate with the seller How to create a High-Quality Listing to sell the completed motorcycle online How to negotiate and sell the motorcycle for profit Case Studies Additionally, the book walks through four case studies showing all the details of actual motorcycle flips that were profitable. These case studies detail all the tasks, costs, and profits for each bike. This gives you solid examples of the Moneybike Formula in action and what you can expect. Additional Resources Finally, an example bill of sale is included as well as example spreadsheets and reference material. It's everything you need to get your motorcycle business up and running in very little time. So, what are you waiting for? Pick up a copy of *How to Make Money Flipping Motorcycles for Profit* today and start your journey toward financial freedom and the exciting world of motorcycle flipping.

**Design Thinking Business Analysis** Thomas Frisendal.2012-09-27 This book undertakes to marry the concepts of Concept Mapping with a Design Thinking approach in the context of business analysis. While in the past a lot of attention has been paid to the business process side, this book now focusses information quality and valuation, master data and hierarchy management, business rules automation and business semantics as examples for business innovation opportunities. The book shows how to take Business Concept Maps further as information models for new IT paradigms. In a way this books redefines and extends business analysis towards solutions that can be described as business synthesis or business development. Business modellers, analysts and controllers, as well as enterprise information architects, will benefit from the intuitive modelling and designing approach presented in this book. The pragmatic and agile methods presented can be directly applied to improve the way organizations manage their business concepts and their relationships. This book is a great contribution to the information management community. It combines a theoretical foundation with practical methods for dealing with important problems. This is rare and very useful. Conceptual models that communicate business reality effectively require some degree of creative imagination. As such, they combine the results of business analysis with communication design, as is extensively covered in this book. Dr. Malcolm Chisholm, President at AskGet.com Inc. "Truly understanding business requirements has always been a major stumbling block in business intelligence (BI) projects. In this book, Thomas Frisendal introduces a powerful technique—business concept mapping—that creates a virtual mind-meld between business users and business analysts. Frisendal does a wonderful explaining and demonstrating how this tool can improve the outcome of BI and other development projects . Wayne Eckerson, executive director, BI Leadership Forum

**Profit First** Mike Michalowicz.2017-02-21 Author of cult classics *The Pumpkin Plan* and *The Toilet Paper Entrepreneur* offers a simple, counterintuitive cash management solution that will help small businesses break out of the doom spiral and achieve instant profitability. Conventional accounting uses the logical (albeit, flawed) formula: Sales - Expenses = Profit. The problem is, businesses are run by humans, and humans aren't always logical. Serial entrepreneur Mike Michalowicz has developed a behavioral approach to accounting to flip the formula: Sales - Profit = Expenses. Just as the most effective weight loss strategy is to limit portions by using smaller plates, Michalowicz shows that by taking profit first and apportioning only what remains for expenses, entrepreneurs will transform their businesses from cash-eating monsters to profitable cash cows. Using Michalowicz's Profit First system, readers will learn that:

- Following 4 simple principles can simplify accounting and make it easier to manage a profitable business by looking at bank account balances.
- A small, profitable business can be worth much more than a large business surviving on its top line.

· Businesses that attain early and sustained profitability have a better shot at achieving long-term growth. With dozens of case studies, practical, step-by-step advice, and his signature sense of humor, Michalowicz has the game-changing roadmap for any entrepreneur to make money they always dreamed of.

**Motorcycle Dealer Revenues World Summary** Editorial DataGroup.2020-07-30 The Motorcycle Dealer Revenues World Summary Paperback Edition provides 7 years of Historic & Current data on the market in up to 100 countries.
