Cognitive Approaches to English Mario Brdar,Marija Omazić,Višnja Pavičić Takač.2009-12-14 The present volume contains a selection of papers presented at the conference Cognitive Approaches to English, an international event organized to mark the 30th anniversary of English studies at the Faculty of Philosophy, Josip Juraj Strossmayer University, Osijek, which was held in Osijek on October 18-19, 2007. The participants were invited to discuss issues in cognitive accounts of English, ranging from fundamental to methodological to interdisciplinary and applied. The volume is accordingly divided into four parts. Part I, Motivation in grammar, deals with various phenomena in the grammar of English in the broadest sense of the term, all of which are shown to be motivated by metaphorical and/or metonymic operations. Part II, Constructing meaning (between grammar and lexicon), contains five chapters dealing with phenomena ranging from various peculiarities of form-meaning pairings (such as synonymy, polysemy, and figurative meanings) to concept formation. The four chapters that make up Part III are concerned with the phenomenon of interlinguistic and intercultural variation in the use of metaphorical and metonymic processes. The volume is concluded by Part IV, the three papers of which attempt to reconsider some TEFL issues from a cognitive linguistic point of view.

Fearless Confessions Sue William Silverman.2010-01-25 Everyone has a story to tell. *Fearless Confessions* is a guidebook for people who want to take possession of their lives by putting their experiences down on paper—or in a Web site or e-book. Enhanced with illustrative examples from many different writers as well as writing exercises, this guide helps writers navigate a range of issues from craft to ethics to marketing and will be useful to both beginners and more accomplished writers. The rise of interest in memoir recognizes the power of the genre to move and affect not just individual readers but society at large. Sue William Silverman covers traditional writing topics such as metaphor, theme, plot, and voice and also includes chapters on trusting memory and cultivating the courage to tell one's truth in the face of forces—from family members to the media—who would prefer that people with inconvenient pasts and views remain silent. Silverman, an award-winning memoirist, draws upon her own personal and professional experience to provide an essential resource for transforming life into words that matter. *Fearless Confessions* is an atlas that contains maps to the remarkable places in each person's life that have yet to be explored.

Reducing Anger and Violence in Schools William Ketterer. 2019-12-06 William Ketterer is the winner of the APA 2021 Distinguished Contributions of Applications of Psychology to Education and Training Award This book provides school teachers, counselors, administrators, therapists, and parents an accessible and evidence-based approach to reduce violence in schools. The work outlines how self-esteem controls emotions and helps regulate expression of aggressive and violent feelings and behavior. The work demonstrates in three distinct parts how faculty can reduce and prevent violence in their schools by using the student-teacher relationship: theory, case studies, and learning activities. Anger and violence are reduced through increasing children's self-esteem, which is developed through important relationships with adults. The book invites teachers, school counselors, school psychologists, and other school administrators to rethink their relationships with children and to incorporate the relational ingredients needed to increase children's self-esteem by adopting features of evidence-based psychotherapy and demonstrating how such approaches can be applied in schools.

Elementary English Grammar And Writing Skill Prabir Rai Chaudhuri. 2022-08-13 Elementary English Grammar And Writing Skill. Learn English Grammar With Easy Writing Skill Lessons (Noun, Pronoun, Adjective, Adverb, Preposition, Conjunction, Interjection, Sentence - With Examples) This book is intended as an introductory text for courses in English grammar at secondary and tertiary level. It offers an outline account of the most important and central grammatical constructions and categories in English. I have assumed only minimal prior familiarity with the structure of English: all the grammatical terminology used is systematically explained. The analysis draws on the descriptive and theoretical advances made in modern linguistics, and for this reason

the book could be used for an elementary course on English within a linguistics programme. It is, however, intended for a wider audience: for any course aiming to present a descriptive overview of the structure of English. Significant departures from traditional grammar in analysis or terminology are pointed out, normally in footnotes. One distinctive feature of the book is that it discusses the major grammatical categories at both a language-particular and a general level. The language-particular account gives the distinctive grammatical properties of the various categories as they apply to English: it thus provides the criteria for determining whether some word is a noun, verb, adjective, adverb or whatever, whether some verb-form is a past participle, a past tense form, etc., whether some clause is declarative, interrogative, imperative, exclamative – and so on. Analysis at the general level is concerned with what is common to the categories across languages, thus providing criteria for the application of the same terms in the grammars of different languages. Hope this book will remain as a “friend in need” in your daily life whenever you use English language as a communicative vehicle .

Learner-directed Assessment in Esl Glayol V. Ekbatani,Herbert D. Pierson.2012-10-12 This text integrates the theory and practice of learner-based assessment. Written in response to two recent movements in language teaching--learner-centered teaching and a renewed interest in authenticity in language testing--it examines the relationship between the language learner and language assessment processes, and promotes approaches to assessment that involve the learner in the testing process. Particular attention is given to issues of reliability and validity. Grounded in current pedagogical applications of authentic assessment measures, this volume is intended for and eminently accessible to classroom teachers and program directors looking for ways to include their students in the evaluation process, graduate students, and professional language testers seeking authenticity in assessment and desiring to create more interactive evaluation tools.

True to Your Selfie Megan McCafferty.2020-02-04 The most hilarious, charming, realistic story of middle-grade friendships you'll ever read, from Megan McCafferty, the mega bestselling, beloved author of Sloppy Firsts. Twelve-year-old Ella has everything she needs to take seventh grade by storm, from the perfect outfit to the perfect new best friend. She's still not 100% sure why cool,

confident Morgan has chosen Ella to be her newest sidekick, but Ella is flattered by the attention, even if it means giving up some of the things she's always loved, like fantasy novels . . . and her former best friend, Sophie. Ella feels a little guilty about ditching Sophie, but middle school is no laughing matter, and Ella knows that it'll be safer in popular Morgan's shadow than by Sophie's side. But life as Morgan's best friend is trickier than Ella imagined. Everything has to be perfect, from their on brand selfies to the videos they record of them singing. And the more demanding Morgan becomes, the more Ella starts to wonder if she made the right choice. But Sophie already has a new best friend, leaving Ella feeling more alone and out of place than ever. So when Ella discovers a new activity that she's really good at -- a hopelessly dorky sport that Morgan has forbidden her from pursuing, Ella has to ask herself what matters more: popularity . . . or staying true to herself? But does she even know who she really is without loyal Sophie by her side?
