Popular Science .1961-01 Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Your Putting Solution James Sieckmann,David

Denunzio.2016-03-01 The author of Your Short Game Solution presents his Tour-proven putting-improvement system that can work with any stroke. In a follow-up to the industry-acclaimed Your Short Game Solution (2015), James Sieckmann presents a no-nonsense plan to making more putts. Most putting manuals focus on hard-set mechanics that even the top putters on Tour fail to achieve. According to Sieckmann, you can score even if your mechanics are flawed as long as you master four essential skills: 1) choosing the correct line; 2) starting your ball on that line; 3) matching the line with appropriate speed; and 4) believing completely in yourself and in your training. Borrowing from the same playbook he uses with his Tour clients, Sieckmann outlines a step-by-step process for perfecting these skills, which automatically boost performance.

The 7-Minute Back Pain Solution Gerard Girasole,Dr. Gerard Girasole,Cara Hartman.2012-03-20 An orthopedic spine surgeon and a personal trainer join forces to share a proven program that helps relieve back pain and prevents it from happening again through daily stretches and exercises that strengthen the core and protect the spine.

Winning Not Fighting John Vincent, Julian Hitch. 2019-11-07

Winning Not Fighting draws on the philosophy of Wing Tsun, an ancient Chinese martial art, to offer a profound and practical guide to achieving success at work, life and business. By explaining what these teachings reveal about decision-making, professional relationships, personal targets and positivity, it challenges some of our deepest-held assumptions and forces us to unlearn many ideas that inform our current ideas on professional success. Why, for example, do we refer to business through a lens of conflict? Why does winning always require confrontation, competition and a loser? John Vincent and Julian Hitch challenge our ingrained assumptions about success and achievement to guide us through a path of self-cultivation using the eight wisdoms of Wing Tsun. John Vincent, the co-founder of LEON, has applied these mantras to his healthy fast-food empire with enormous success. In *Winning Not Fighting*, he collaborates with Wing Tsun master, Sifu Julian Hitch to sculpt this timeless wisdom into a practical and accessible guide to achieving success for your business.

Organizing Plain & Simple Donna Smallin. 2019-09-04 Take control of everyday disorder. With strategies for everything from keeping track of mittens and scarves to combining two households, Donna Smallin takes a personalized, nonjudgmental approach as she explains how to assess different situations and decide where to start organizing. Whether you're craving a more functional closet, having trouble planning meals for your family, or trying to make sense of your finances, this straightforward guide offers proven techniques for living an efficient and clutter-free life. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

The 8 Minute Organizer Regina Leeds.2012-05-01 Whether you are busy dealing with a demanding job, raising kids, or coping with illness, simply finding the time to get organized can be a challenge. The 8-Minute Organizer to the rescue! Regina Leeds shows how anyone can organize their home with just a few minutes each day. She has tailored her magic formula (eliminate, categorize, organize) so that readers can work in short, effective increments and complete small projects that add up to big progress. The book includes hundreds of systems and tricks—from rapid closet rehab to tackling junk drawers, clutter-busting a room to setting up a mail system. Leeds also offers quick but important daily routines (making the bed), periodic tasks (checking the smoke detector), and fun projects (creating a dream board) to keep up the momentum.

The Russian Kettlebell Challenge Pavel Tsatsouline.2001 Both the Soviet Special Forces and numerous world-champion Soviet Olympic athletes used the ancient Russian Kettlebell as their secret weapon for extreme fitness. Thanks to the kettlebell's astonishing ability to turbo charge physical performance, these Soviet supermen creamed their opponents time-and-time-again, with inhuman displays of raw power and explosive strength. Now, former Spetznaz trainer, international fitness author and nationally ranked kettlebell lifter, Pavel Tsatsouline, delivers this secret Soviet weapon into your hands.

chronic worry, is disruptive all by itself, and it can lead to other, more serious anxiety problems. This little book—the fifth in New Harbinger’s Ten Simple Solution series—offers a handful of easy and effective techniques for getting rid of worry once and for all. Drawing on powerful psychotherapeutic techniques, *10 Simple Solutions to Worry* is a succinct resource of cognitive-behavioral techniques for controlling worry and reducing stress. Exercises include self-assessments, motivation builders, relaxation training, and cognitive restructuring. After identifying and changing the negative thoughts that result in worry, you’ll learn to replace worry behaviors with other, more positive and constructive activities.

High Definition and 24P Cinematography Paul

Wheeler.2012-10-12 This authoritative new reference demystifies the technologies of high definition and 24P cinematography. It is written for the director of photography, camera crew and producer or director and deals with the subject from their point of view. It provides a thorough and logical description of the five scanning formats 24P, 25P, 30P, 50i and 60i as well as recording formats, editing options, delivery potential and discussions on the financial implications these decisions might have. It looks at comparative costs between different decisions surrounding camera formats, such as 16mm to 35mm shooting for different examples, such as a 100-minute low budget movie or 30 second commercial. There is also considerable discussion on the advantages and disadvantages of using HD versus film, seen from a producer's perspective and what the impact is on all those involved in making a movie. Different delivery systems and camera equipment are discussed as well as editing. Filled with practical advice for tackling everyday decisions and choices, this is a must-have guide for anyone using or considering using high definition technology.

Fearless Dialogues Gregory C. Ellison II.2017-11-10 Drawing on all the community's collective voices--from doctors to drug

dealers--Fearless Dialogues is a groundbreaking program that seeks real solutions to problems of chronic unemployment, violence, and hopelessness. In cities around the United States and now the world, the program's founder, Gregory C. Ellison, and his team create conversations among community members who have never spoken to one another, the goal of which are real, implementable, and lasting changes to the life of the community. These community transformations are based on both face-to-face encounters and substantive analysis of the problems the community faces. In *Fearless Dialogues: A New Movement for Justice*, Ellison makes this same kind of analysis available to readers, walking them through the steps that must be taken to find common ground in our divided communities and then to implement genuine and lasting change.

The 10-Minute Energy Solution Jon Gordon.2006-11 A thirty-day program for increasing physical, mental, and spiritual energy shares such recommendations as taking short walks and substituting green tea for coffee as a means of enabling personal rejuvenation. By the author of *Energy Addict*. Reprint. 40,000 first printing.

Jungle Tales of Tarzan 01-04 Charlton Comics (1964-1965)

Edgar Rice Burroughs.2014-08-15 A classic run of Tarzan comics, reprinted for the first time! In the 1960s, believing Tarzan to have fallen into the public domain, Charlton Comics enlisted Joe Gill (Flash Gordon, House of Mystery) and Sam Glanzman (Hercules, Our Army at War) to create a new comics version of the Lord of the Jungle. Only four issues were produced before Charlton was forced to end the series, and much of the original print runs were destroyed. Collects Chalton's Jungle Tales of Tarzan #1-#4. * Includes never-before-seen Tarzan comic strips by Glanzman and historical essays by Roger Broughton!
