Material is presented in a concise manner, focusing on increasing your understanding and retention of exam topics. CCSP IPS Exam Certification Guide presents you with an organized test preparation routine through the use of proven series elements and techniques. Do I Know This Already quizzes open each chapter and allow you to decide how much time you need to spend on each section. Exam topic lists and Foundation Summary materials make referencing easy and give you a quick refresher whenever you need it. Challenging chapter-ending review questions help you assess your knowledge and reinforce key concepts. The companion CD-ROM contains a powerful testing engine that allows you to focus on individual topic areas or take complete, timed exams. The assessment engine also tracks your performance and provides feedback on a module-by-module basis, presenting question-by-question remediation to the text. Well-regarded for its level of detail, assessment features, and challenging review questions and exercises, this book helps you master the concepts and techniques that will enable you to succeed on the exam the first time. CCSP IPS Exam Certification Guide is part of a recommended learning path from Cisco Systems® that includes simulation and hands-on training from authorized Cisco Learning Partners and self-study products from Cisco Press. To find out more about instructor-led training, e-learning, and hands-on instruction offered by authorized Cisco Learning Partners worldwide, please visit www.cisco.com/go/authorizedtraining. Companion CD-ROM The CD-ROM contains an electronic copy of the book and more than 200 practice questions for the IPS exam, all available in study mode, test mode, and flash-card format. This volume is part of the Exam Certification Guide Series from Cisco Press®. Books in this series provide officially developed exam preparation materials that offer assessment, review, and practice to help Cisco Career Certification candidates identify weaknesses, concentrate their study efforts, and enhance their confidence as exam day nears.

India After Gandhi: The History of the World's Largest Democracy Ramachandra Guha.2017-07-13 Ramachandra Guha's India after Gandhi is a magisterial account of the pains, struggles, humiliations and glories of the world's largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India

is the work of one of the world's finest scholars at the height of his powers.

Netaji: Living Dangerously Kingshuk Nag.2015-11-18 Did Netaji Subhas Chandra Bose die in an air crash in Taihoku (Taipei, Taiwan) on 18 August 1945? Was he sent off to Siberia by Joseph Stalin? Did he die there? Or did he escape? Or was he let off, eventually to make his way back to India? Was he the mysterious Gumnami Baba of Faizabad, Uttar Pradesh? If so, how did he find his way back? Why did Bose leave India when he did? Was it on account of his political approach, which was opposed by the then high command of the Congress party that wanted a quick transfer of power from the British? The past comes alive as journalist and author Kingshuk Nag seeks answers to these and related questions at a time when there is a considerable renewal of interest in Netaji's fate with old records tumbling out, the latest being the declassification of 64 files on the subject by the West Bengal government. Will the Union government make public the records that it holds, as has been stated by Prime Minister Narendra Modi? Will the governments in Moscow and London be approached for new leads? *Netaji: Living Dangerously* is a riveting account of the life of one of India's most charismatic leaders and an in-depth analysis of one of the world's best kept secrets.

NCERT Summary (Class VI - XII) One Liner General Knowledge Book New Latest Edition Dr. Manish Rannjan (IAS).2024-02-09 The book is meant to be an all-inclusive text covering not just the target syllabus comprehensively but also facts for the exam. The book also provides comprehensive and depth analysis for comprehensive examination. This book effectively caters to the requirement of many competitive examinations, particularly UPSC, UPPSC, BPSC, JPSC, MPPSC and others. The book is largely divided into Indian History (Ancient India, Medieval India and Modern India), Art and Culture, World History, Geography (World Geography, Landforms, and Indian Geography), Environment and Ecology, Indian Polity and Constitution, Indian Economy, General Science (Physics, Chemistry, and Biology), Science and Technology which based on NCERT Books in different segments so that an aspirant can easily find out the desired information from it. NCERT Summary have been provided to give the aspirants a sense of direction and focus during the course of their study. In the selection of material, various competitive examinations have also been taken into consideration.

India Since Independence Bipan Chandra.2008-02-11 A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling *India's Struggle for Independence*, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

Decode UPSC: My Take On UPSC & Beyond Agam Jain, IPS.2022-03-07 This book contains the answers to the general doubts we have when we start the preparation for UPSC. From my personal experiences, I have tried to address some of the issues and how one can prepare. This book is divided into various chapters which have questions related to 'before UPSC times' i.e. when I failed in IIT even after taking a drop at Kota and my college life where I wasn't sure as to where life will take me, 'during UPSC times' i.e. when I was preparing for the UPSC and 'after UPSC' where questions related to Mussoorie and Hyderabad academies, life of civil servants in general have been answered. I want to put a disclaimer in the beginning itself that this book doesn't cover any part of the UPSC syllabus and this book is just to motivate and help you strategize your way to fight UPSC and any other life struggle for that matter. I would recommend readers not to 'study' this book but 'read' it which means that go through this book at leisure time. Pick up the book whenever you are in doubt, feel depressed or want to quit. This book can be your favorite companion during tough times. You will be able to learn few things from my mistakes, you might laugh at few moments, you may picture yourself as a successful candidate while reading this book. There is no compulsion to complete this book and I believe that you can pick this from any page. The size of book is because I tried addressing as much as I could in this book. Thank you. Jai Hind.

IAS/IPS Success Path Dr. Ranjit Kumar Singh, IAS (AIR-49).2023-06-24 IAS /IPS services are considered to be the most prestigious services in the country, so as much as these services are respected, there are some misconceptions about the examination related to these services. Every educated and promising youth of the country wants to get the position and prestige that comes with these posts, but at the same time, there are many questions in their minds regarding this examination, such as when to prepare, where to do it, which books will be appropriate to study, etc. Every year lakhs of candidates appear in this examination, out of which only a few can reach their goal by crossing the threshold of this examination. This book gives proper guidance to the candidates to reach their goal, as well as provides them with mental support while resolving their doubts. The stories of successful candidates given in the book will inspire the readers. This book does not cover the UPSC syllabus but removes the misconceptions and confusions in the minds of the candidates in the context of the exam and motivates them to be serious towards their goal.
