The Dental Practice "Jugglers" Ashley Latter, Alistair Mann. 2019-09-13 The picture of a juggler on the front cover is there for a reason, as a practice manager's life is all about keeping all the many different balls in the air. In one moment, you are facilitating a meeting. In the next moment, you have to deal with a staffing issue. Then you are creating a new marketing strategy. In truth, you have a seemingly endless list of challenges and only a finite number of hours in the day to complete them. If that sounds like a typical day, then this book is for you. Discover how to do the following: —Hold more productive meetings—learn how to engage your employees, encouraging them to come up with original ideas. —Implement innovative time-management strategies and save at least an extra hour a day. —Motivate your team to a higher level of performance. —Manage upward and get

your owners to buy into your vision. —Deal effectively with underperforming team members. —Delegate effectively—learn how to let go and actually enjoy the process. —Implement change and convince employees to buy into the transition and much more.

Preparing for Dental Practice Trevor Burke,Ruth Freeman.2004-09-16 This book prepares dental students and vocational dental practitioners for primary dental practice. It will also be helpful to general dental practitioners to enable them to undertake continuing professional development. The book provides a background to the holistic approach that dentists need to use when identifying treatment needs, and covers the integration of treatment and its planning, aspects of dental team

building, practice selection and management matters. The first chapter examines issues in relation to career choices, the location of the practice together with the means by which access to dental care may be increased. Chapters 2 and 3 take the reader from outside to inside the dental practice to examine relationships within the practice. This includes those with the patient as well as the dental team. The fourth chapter describes clinical excellence in primary dental care by examining clinical decision-making, the need for referral as well as the place of prevention and restorative philosophies in treatment of patients. The last chapters examine the business of dental practice and suggest future pathways for the newly qualified dental practitioner.

Managing a Dental Practice Michael R. Young. 2010 The parallel aims of a dental practice are to deliver excellent patient care through highly trained and motivated employees and to maximise income and profit. Achieving these aims as a practice manager demands a clear vision, sound preparation, planning and marshalling of resources, broad business knowledge, an understanding of a rapidly changing world, and above all wise judgement. So why Genghis Khan? Although some in the West see him in negative terms, the Mongol leader created one of the world's greatest empires. His hugely successful strategies included intelligence gathering, understanding his rivals' motivations, being quick to learn and adopt new technologies and ideas, and successful people management. Genghis Khan is one of history's most charismatic and dynamic leaders - and you will need all his skill, strength and tenacity to succeed in both dentistry and business. This 'how to - ' book on survival and empire-building in the dentistry business is ideal for anyone who owns, aspires to own, or is involved in managing a practice. It contains advice relevant to both small and large practices, to dentists working in the National Health Service (NHS) and private practice, and to general and specialist practices. "This book, in summoning years of valuable experience of the

vagaries of dental practice and connecting them with the wider world, provides the reader with an excellent starting point from which to plan, develop and make successful their own practice.' - Stephen Hancocks in his Foreword

Association.2016-12-05 Provides dental practices with sample job descriptions, guidelines for handling hiring and terminations, performance evaluations, and salary reviews.

Making Sense of Dental Practice Management Raj Rattan, Kevin Lewis.2017-09-29 Managing a dental practice has become increasingly complex in recent years, after changes within both the National Health Service and the private sector. Modern dental practice requires that dentists meet demanding business and management challenges as well as employing their clinical expertise. However, most dentists receive little or no formal training in practice management. In this book established management principles are applied specifically to dentistry. It shows how to best serve the interests of patients by effective management of staff, finances, premises and resources. It assumes no prior knowledge, is concise and offers clear, practical advice. It is the definitive guide for dentists, vocational trainees, dental students, practice managers and administrators, and a useful reference for those undertaking the DGDP and MGDS examinations.

For more information about our Coaching and Consulting services please, email us at: clientcare@TheDentalBusiness.com. You can also learn about us at www.TheDentalBusiness.com. You really can have the successful practice you desire; enjoy going to work each day, have a patient base that happily refers to you and enjoy worry-free time away from the office. - Mary Fisher-Day

Hiring Mary as my Dental Consultant was the best thing I ever did for my Practice. She helped me reach 5 and 10 year goals in less than 2 years. Her ability to evaluate my Practice, find the problem areas and address those areas with results, in a very short period of time, amazed me. I actually have a life outside the office and the financial freedom I hoped to have 10 years from now. -Dr. James Richardson

Before hiring Mary, we had no idea where our overhead stood. We knew something was out of whack but didn't know where to begin to find the problem. Mary evaluated our overhead, pointed out areas that were in line and areas that needed work. With her help we now have systems in place to monitor our overhead and have the knowledge and tools to keep it in line. In addition, we have fine-tuned our business office and have collections consistently at 98% or above. Our recall percentage is well above the norm and our Hygiene department is more efficient and productive than we ever thought it could be. It's nice to have a competent, dependable Consultant who listens and will tailor Management for the individual needs of the practice. -Doctors Doug and Cathy Smith
