Seven Steps to a Successful Business Plan Al Coke.2002 As the saying goes, People don't plan to fail -- they fail to plan. In business, this failing is fatal -- because planning is essential to the well-being and success of any company. This new book cuts past the traditional planning problems and provides readers with a documented method of building a simplified business plan that works! This book helps managers find a sensible starting point, understand the value of an integrated planning model, and finally write a logical business plan. Four features make it all work: 1. A Seven-Step Planning Process -- How you plan to integrate planning down to the lowest level. 2. Your Management Story -- Define what the company is about, and ask yourself if it makes a good story? 3. The Concept of backPlanning -- Where do you want to be, and how do you work backward from there? 4. The 5-Page Business Plan -- How can you create a concise, functional, and user-friendly plan -- in just 5 pages?
