25 Top Rock Bass Songs Hal Leonard Corp..2015-02-01 (Bass Recorded Versions Mixed). This is not your typical bass tab book. In the Tab+ series from Hal Leonard we provide you guidance on how to capture the bass tones for each song as well as tips and advice on the techniques used to play the songs. Where possible, we've confirmed the gear used on the original recordings via new and previously published interviews with the bassists, producers, and/or engineers. Then we make general recommendations on how to achieve a similar tone, based on that info. Some of the songs will be easy to play even for advanced beginner students, and others might present a much greater challenge. In either case, we've identified key technique that should help you learn the songs with greater ease. This volume will help you master 25 must-know bass classics, including: Another One Bites the Dust * Around the World * Blurred Lines * The Boys Are Back in Town * Freewill * Hey Joe * The Joker * London Calling * My Generation * Sledgehammer * Strange Brew * Sweet Emotion * You Can Call Me Al * Young Lust * and more.

15 Easy Folksong Arrangements (Songbook) Hal Leonard Corp..2004-07-01 (Vocal Collection). This collection is designed for those students, of any age beyond early teens, in the early stages of voice study, although the arrangements are so satisfying that more advanced singers will also enjoy them. The ranges are modest, and songs have been chosen for both genders. The new arrangements are lovely, fresh and interesting, but keep the simple vocal line in the forefront. The piano accompaniments were deliberately designed for an intermediate level player. The audio includes beautiful performances of each song by professional singers to be used as a learning tool, and a piano accompaniment track for practice. Joan Boytim, the leading American expert on teaching the young voice, has added a preface about how to use these songs in the studio. Highlights: Barbara Allen * I Gave My Love a Cherry * Johnny Has Gone for a Soldier * Shenandoah * The Streets of Laredo * The Water Is Wide.

A New Tune a Day for Violin Sarah Pope.2005 (Music Sales America). Since it first appeared in the 1930s, the concise, clear content of the best-selling A Tune a Day series has revolutionized music-making in the classroom and the home. Now, for the first time, C. Paul Herfurth's original books have been completely rewritten with new music and the latest in instrument technique for a new generation of musicians. A New Tune a Day books have the same logical, gentle pace, and keen attention to detail, but with a host of innovations: the inclusion of audio with actual performances and backing tracks will make practice even more fun and exciting, and the explanatory diagrams and photographs will help the student to achieve the perfect technique and tone. The video shows you the basics from how to set up your instrument to playing your first notes. It takes you through the first few pages of the book ensuring you get off to a good start. Plus, excellent advice and tips from a professional player. Each book contains: advice on audio equipment * instructions for effective technique and comfortable posture * explanatory section on reading music * easy-to-follow lessons on clear, uncluttered pages * audio with a virtuoso performance, backing tracks and audio examples * great music including duets and rounds * tests to check progress and comprehension * useful pull-out chart giving all first position fingerings * and video, to help you get started on your instrument. Audio and video are accessed online using the unique code inside the book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.

20 Popular Uke Tunes for Kids ROB MACKILLOP.2013-09-12 This book and accompanying audio include twenty of the most popular kids' tunes of all time, arranged for small hands to play on the ukulele. Chords are supplied for other instruments to join in the fun, as well as lyrics for singing. Theukulele tablature makes learning fun and easy, while the arranger (with 25 years of teaching experience) has laid the foundations for good fingerstyle technique. This book is therefore both fun and educational. The ukulele is a wonderful instrument for kids - cheap and cheerful, and ready-made for kids' small hands. Most ukulele books introduce chords from the first page, yet chords can be difficult and frustrating for child beginners. This book gets kids playing recognizable tunes right from the get go. Each song includes: - A standard notation clef with the words underneath - Chord symbols for guitar, keyboard or another ukulele to provide accompaniment- A tablature clef, which is what the kids should play Downloadable audio available online.

Your card won't be charged, but you might find it off-putting. The eReader Cafe has listings every day for free Kindle books and a few bargain books. Daily email subscriptions and social media

profiles are also available if you don't want to check their site every day. BookBub is another website that will keep you updated on free Kindle books that are currently available. Click on any book title and you'll get a synopsis and photo of the book cover as well as the date when the book will stop being free. Links to where you can download the book for free are included to make it easy to get your next free eBook. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. Every day, eBookDaily adds three new free Kindle books to several different genres, such as Nonfiction, Business & Investing, Mystery & Thriller, Romance, Teens & Young Adult, Children's Books, and others. Make Sure the Free eBooks Will Open In Your Device or App. Every e-reader and e-reader app has certain types of files that will work with them. When you go to download a free ebook, you'll want to make sure that the ebook file you're downloading will open. Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.
