

Books About Family Russian Edition

Stroganoff Penelope Stiebel-Hunter.2000-03 Lavishly illustrated with more than two hundred works, this book chronicles the history of the Stroganoff family and its collections. From icons, embroideries, and richly decorated Russian stonework to exquisite paintings and decorative objects produced in western Europe, these works of art, most of them never before reproduced, represent the highest level of quality and reflect the discerning taste of the Stroganoffs as both collectors and patrons. Of special interest are the architectural designs of Andrei Voronikhin, a Stroganoff protege whose influence can still be seen in St. Petersburg today. This book, published to accompany an exhibition opening at the Portland Art Museum, Oregon, provides an opportunity to understand how one family helped to shape the culture of a nation. --Book Jacket.

The Family in Soviet Russia H. Kent Geiger.1968

The Golovlyov Family Mikhail Evgrafovich Saltykov.1973

Sweet Love, Survive Susan Johnson.2010-06-16 The award-winning, bestselling author of *Brazen* and *Pure Sin* brings her brand of steamy sensuality to this shattering tale of forbidden love. Kitty Radachek played to perfection her role as the demure wife of a powerful army commander she could never love . . . until a stolen kiss from a daring cavalry captain awoke in the countess a flaring passion more devastating than the fires of war that raged around them. Captain Apollo Kuzan was a gloriously handsome prince who'd triumphed on the battlefields—and in bedrooms—all across Russia. He knew Kitty had no business being in his arms, yet beneath her cool exterior lay a woman of fierce sensuality he couldn't resist. And in the midst of a nation's upheaval, their reckless liaison would hold two hearts captive—as the hungry flames of passion threatened to burn out of control.

Nothing Is True and Everything Is Possible Peter Pomerantsev.2014-11-11 A journey into the glittering, surreal heart of 21st century Russia, where even dictatorship is a reality show Professional killers with the souls of artists, would-be theater directors turned Kremlin puppet-masters, suicidal supermodels, Hell's Angels who hallucinate themselves as holy warriors, and oligarch revolutionaries: welcome to the wild and bizarre heart of twenty-first-century Russia. It is a world erupting with new money and new power, changing so fast it breaks all sense of reality, home to a form of dictatorship-far subtler than twentieth-century strains-that is rapidly rising to challenge the West. When British producer Peter Pomerantsev plunges into the booming Russian TV industry, he gains access to every nook and corrupt cranny of the country. He is brought to smoky rooms for meetings with propaganda gurus running the nerve-center of the Russian media machine, and visits Siberian mafia-towns and the salons of the international super-rich in London and the US. As the Putin regime becomes more aggressive, Pomerantsev finds himself drawn further into the system. Dazzling yet piercingly insightful, *Nothing Is True and Everything Is Possible* is an unforgettable voyage into a country spinning from decadence into madness.

My Russian Wife. Моя русская жена. Kjetil Sandermoen.2018-10-17 Insights and reflections about being a couple with different cultural background. Bilingual book: Russian and English. The book "My Russian Wife" is not a typical book about love and romance. It is about how you build a loving and lasting relationship despite of differences, but the book also contains insights about several aspects that are just as relevant for business as for the personal life. Quotes from the book "My experience is that women are very easy to win over if ... " "Isn't it boring to live in Switzerland?" "But you don't have berezka (birch trees) here, don't you miss the Russian berezka?!" "A nice, long and complicated toast will always be highly regarded." "Being a Russian mother also means believing your child is always on the brink of starvation." "When did you kiss mama for the first time?"

How to Draw Stuff in the House (Russian Edition) Amit Offir.2014-01 Drawing is a universal language so even though this drawing book is in russian language there isnt any text so anyone can enjoy it all around the world!

The Race to Save the Romanovs Helen Rappaport.2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family, Helen Rappaport embarks on a quest to uncover the various plots and plans to save them, why they failed, and who was responsible. The murder of the Romanov family in July 1918 horrified the world, and its aftershocks still reverberate today. In Putin's autocratic Russia, the Revolution itself is considered a crime, and its anniversary was largely ignored. In stark contrast, the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church. While the murders themselves have received major attention, what has never been investigated in detail are the various plots and plans behind the scenes to save the family—on the part of their royal relatives, other governments, and Russian monarchists loyal to the Tsar. Rappaport refutes the claim that the fault lies entirely with King

George V, as has been the traditional view for the last century. The responsibility for failing the Romanovs must be equally shared. The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political, logistical and geographical challenges at a time when Europe was still at war. Like a modern day detective, Helen Rappaport draws on new and never-before-seen sources from archives in the US, Russia, Spain and the UK, creating a powerful account of near misses and close calls with a heartbreaking conclusion. With its up-to-the-minute research, *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs.

An Ordinary Marriage Katherine Pickering Antonova.2017-03-15 *An Ordinary Marriage* is the story of the Chikhachevs, middling-income gentry landowners in nineteenth-century provincial Russia. In a seemingly strange contradiction, the mother of this family, Natalia, oversaw serf labor and managed finances while the father, Andrei, raised the children, at a time when domestic ideology advocating a woman's place in the home was at its height in European advice manuals. But Andrei Chikhachev defined masculinity as a realm of intellectualism; the father could be in charge of moral education, defined as an intellectual task. Managing estates that often barely yielded a livable income was a practical task and therefore considered less elevated, though still vitally important to the family's interests. Thus estate management was available to gentry women like Natalia Chikhacheva, and the fact that it inevitably expanded their realm of influence and opportunity (within the limits of their estates), and that it increased their centrality to the family's material security relative to their social counterparts to the west, was accidental. *An Ordinary Marriage* examines the daily activities and ideas of the family based on multiple overlapping diaries and informal correspondence by the husband, wife, and son of the family, as well as the wife's brother. No such cache of intimate Russian family documents has ever previously been studied in such depth. The family's relative obscurity (with no pretensions to fame, wealth, or influence) and the presence of a woman's private documents are especially unusual in any context. The book considers the Chikhachevs' social life, reading habits, attitudes toward illness and death, as well as their marital roles and their reception of major ideas of their time, such as domesticity, Enlightenment, sentimentalism, and Romanticism.

The Family Romanov: Murder, Rebellion, and the Fall of Imperial Russia Candace Fleming.2014-07-08 “[A] superb history.... In these thrilling, highly readable pages, we meet Rasputin, the shaggy, lecherous mystic...; we visit the gilded ballrooms of the doomed aristocracy; and we pause in the sickroom of little Alexei, the hemophiliac heir who, with his parents and four sisters, would be murdered by the Bolsheviks in 1918.” —*The Wall Street Journal* Here is the tumultuous, heartrending, true story of the Romanovs—at once an intimate portrait of Russia's last royal family and a gripping account of its undoing. Using captivating photos and compelling first person accounts, award-winning author Candace Fleming (*Amelia Lost*; *The Lincolns*) deftly maneuvers between the imperial family's extravagant lives and the plight of Russia's poor masses, making this an utterly mesmerizing read as well as a perfect resource for meeting Common Core standards. An exhilarating narrative history of a doomed and clueless family and empire. —Jim Murphy, author of Newbery Honor Books *An American Plague* and *The Great Fire* For readers who regard history as dull, Fleming's extraordinary book is proof positive that, on the contrary, it is endlessly fascinating, absorbing as any novel, and the stuff of an altogether memorable reading experience. —Booklist, Starred Marrying the intimate family portrait of Heiligman's Charles and Emma with the politics and intrigue of Sheinkin's *Bomb*, Fleming has outdone herself with this riveting work of narrative nonfiction that appeals to the imagination as much as the intellect. —*The Horn Book*, Starred Winner of the Los Angeles Times Book Prize for Young Adult Literature Winner of the Boston Globe-Horn Book Award for Nonfiction A Robert F. Sibert Honor Book A YALSA Excellence in Nonfiction Award Finalist Winner of the Orbis Pictus Award for Outstanding Nonfiction

A Dual-Language Book for Kids -(English and Russian Edition) Anna Gadytska.2017-09-04 *A Dual-Language Book for kids -(English and Russian Edition)*

In Memory of Memory Maria Stepanova.2021-02-09 An exploration of life at the margins of history from one of Russia's most exciting contemporary writers Shortlisted for the 2021 International Booker Prize Winner of the MLA Lois Roth Translation Award With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir, travelogue, and historical documents—Stepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory.

How to Draw Space (Russian Edition) Amit Offir.2013-12 Drawing is a universal language so even though this drawing book is in russian language there isnt any text so anyone can enjoy it all around the world!

I Love to Sleep in My Own Bed Shelley Admont,S. A. Publishing.2015-11-02 This fun children's picture book follows the story of cute little bunny, Jimmy. Every night he sneaks quietly into his parents' room and falls asleep in their bed. Until one night something unexpected happened Are you curious? Well, you'll just have to read the book to find out what happened. This is the first book in the collection of short bedtime stories for children. This story may be ideal for reading to your kids at bedtime and enjoyable for the whole family as well!

A Russian Gentleman Sergeĭ Timofeevich Aksakov.1917

My Russian Grandmother and Her American Vacuum Cleaner Meir Shalev.2018-01-02 From the author of the acclaimed novel *A Pigeon and a Boy* comes a charming tale of family ties, over-the-top housekeeping, and the sport of storytelling in Nahalal, the village of Meir Shalev's birth. Here we meet Shalev's amazing Grandma Tonia, who arrived in Palestine by boat from Russia in 1923 and lived in a constant state of battle with what she viewed as the family's biggest enemy in their new land: dirt. Grandma Tonia was never seen without a cleaning rag over her shoulder. She received visitors outdoors. She allowed only the most privileged guests to enter her spotless house. Hilarious and touching, Grandma Tonia and her regulations come richly to life in a narrative that circles around the arrival into the family's dusty agricultural midst of the big, shiny American sweeper sent as a gift by Great-uncle Yeshayahu (he who had shockingly emigrated to the sinful capitalist heaven of Los Angeles!). America, to little Meir and to his forebears, was a land of hedonism and enchanting progress; of tempting luxuries, dangerous music, and degenerate gum-chewing; and of women with painted fingernails. The sweeper, a stealth weapon from Grandpa Aharon's American brother meant to beguile the hardworking socialist household with a bit of American ease, was symbolic of the conflicts and visions of the family in every respect. The fate of Tonia's "svieeperrr"—hidden away for decades in a spotless closed-off bathroom after its initial use—is a family mystery that Shalev determines to solve. The result, in this cheerful translation by Evan Fallenberg, is pure delight, as Shalev brings to life the obsessive but loving Tonia, the pioneers who gave his childhood its spirit of wonder, and the grit and humor of people building ever-new lives.

I Love My Mom - Russian Edition Shelley Admont,Kidkiddos Books.2019-09-22 *I Love My Mom - Russian Edition* In this bedtime story, the little bunny Jimmy and his older brothers try to find a perfect present for Mom's birthday. They want to show how much they love her. What creative solution did they find to express their feelings? This story may be ideal for reading to your kids at bedtime as it's enjoyable for the whole family!

Nicholas and Alexandra Robert K. Massie.2011-11-08 A “magnificent and intimate” (Harper's) modern classic of Russian history, the spellbinding story of the love that ended an empire—from the Pulitzer Prize-winning author of *Peter the Great*, *The Romanovs*, and *Catherine the Great* “A moving, rich book . . . [This] revealing, densely documented account of the last Romanovs focuses not on the great events . . . but on the royal family and their evil nemesis. . . . The tale is so bizarre, no melodrama is equal to it.”—*Newsweek* In this commanding book, *New York Times* bestselling author Robert K. Massie sweeps readers back to the extraordinary world of the Russian empire to tell the story of the Romanovs' lives: Nicholas's political naïveté, Alexandra's obsession with the corrupt mystic Rasputin, and little Alexis's brave struggle with hemophilia. Against a lavish backdrop of luxury and intrigue, Massie unfolds a powerful drama of passion and history—the story of a doomed empire and the death-marked royals who watched it crumble.

Spies in the Family Eva Dillon.2017-05-09 A riveting true-life thriller and revealing memoir from the daughter of an American intelligence

officer—the astonishing true story of two spies and their families on opposite sides of the Cold War. In the summer of 1975, seventeen-year-old Eva Dillon was living in New Delhi with her family when her father was exposed as a CIA spy. Eva had long believed that her father was a U.S. State Department employee. She had no idea that he was handling the CIA's highest-ranking double agent—Dmitri Fedorovich Polyakov—a Soviet general whose code name was TOPHAT. Dillon's father and Polyakov had a close friendship that went back years, to their first meeting in Burma in the mid-1960s. At the height of the Cold War, the Russian offered the CIA an unfiltered view into the vault of Soviet intelligence. His collaboration helped ensure that tensions between the two nuclear superpowers did not escalate into a shooting war. Spanning fifty years and three continents, *Spies in the Family* is a deeply researched account of two families on opposite sides of the lethal espionage campaigns of the Cold War, and two men whose devoted friendship lasted a lifetime, until the devastating final days of their lives. With impeccable insider access to both families as well as knowledgeable CIA and FBI officers, Dillon goes beyond the fog of secrecy to craft an unforgettable story of friendship and betrayal, double agents and clandestine lives, that challenges our notions of patriotism, exposing the commonality between peoples of opposing political economic systems. Both a gripping tale of spy craft and a moving personal story, *Spies in the Family* is an invaluable and heart-rending work. *Spies in the Family* includes 25 black-and-white photos.

The Russian Rockefellers Robert W. Tolf.2020-03-24 The name of Nobel usually calls to mind Alfred Nobel, inventor of dynamite, and the internationally prestigious prizes that bear his name. But Alfred was only one member of a creative and innovative family who built an industrial empire in prerevolutionary Russia. The saga begins with an emigrÉ from Sweden, Immanuel Nobel, who was an architect, a pioneer producer of steam engines, and a maker of armaments, including the underwater mines that were widely used in the Crimean War. Immanuel's sons included Alfred; Robert, who directed the family's activities in the Caspian oil fields; and Ludwig, an engineering genius and manufacturing magnate whose boundless energy and fierce determination created the Russian petroleum industry. Ludwig's son Emanuel showed similar mettle, shrewdly bargaining with the Rothschilds for control of the Russian markets and competing head-on with Standard Oil, Royal Dutch, and Shell for lucrative world markets. Emanuel not only expanded the Russian oil industry but also helped to modernize the Russian navy and commanded a fleet of three hundred ships. Perhaps no family in history has played so decisive a role in building an industrial empire in an underdeveloped but resource-rich nation. Yet the achievements of the Nobel family have been largely forgotten. When the Bolsheviks came to power, the empire, which had taken eighty years to design and build, was nearly destroyed, bringing a sudden and bitter end to one of the most remarkable industrial odysseys in world history.

My Dark Brother Elena Govor.2000 This is the story of Leandro Illin and his family who settled in Australia in 1910 after roaming the world seeking a new home. Five years later, in the face of official opposition, Leandro married a Ngadjon Aboriginal woman, Kitty Clarke. Following her death in 1925 he raised their six children by himself in outback Queensland, struggling to eke out a living in the bush. Part biography, part history and part detective story, *My Dark Brother* is a fascinating book about an extraordinary family.

And They Lived Happily Ever After Helene Carlbäck,Yulia Gradszkova,Zhanna Kravchenko.2012-03-10 Takes a comparative perspective on family life and childhood in the past half century in Russia and Eastern Europe, highlighting similarities and differences. Focuses on the problematic domains of the institutions and laws devised to cope with family difficulties, and discusses the social strains created by the transition from communist to post-communist national systems. In addition to the substantial historic analysis, actual challenges are also discussed. The essays examine the changing gender roles, alterations in legal systems, the burdens faced by married and unmarried women who are mothers, the contrasts between government rhetoric and the implementation of policies toward marriage, children and parenthood. By addressing the specifics of welfare politics under the Communist rule and the directions of their transformation in 1990-2000s, this book contributes to the understanding of social institutions and family policies in these countries and the problems of dealing with the socialist past that this region face.

The Collective Family Anton Semenovitch Markarenko.1967

Fathers and Sons Ivan Turgenev.2009-09-24 When Arkady Petrovich comes home from college, his father finds his eager, naive son changed almost beyond recognition, for the impressionable Arkady has fallen under the powerful influence of the friend he has brought with him. A self-proclaimed nihilist, the ardent young Bazarov shocks Arkady's father by criticizing the landowning way of life and by his outspoken determination to sweep away traditional values of contemporary Russian society. Turgenev's depiction of the conflict between generations and their ideals stunned readers when *Fathers and Sons* was first published in 1862. But many could also sympathize with Arkady's fascination with its nihilist hero whose story vividly captures the hopes and regrets of a changing Russia.

All for the Boss Ruchoma Shain.2006 For years, *All For The Boss* has remained a beloved classic for teenagers and adults. Now, young readers can enjoy this special edition of the biography of R' Yaakov Yosef Herman ztl, Torah pioneer in America. Each chapter relates a story, and with large, clear type and detailed illustrations, younger children will love reading about Jewish life in early 20th century New York. The story of R' Yaakov Yosef's life, devotion to Torah, and his love for fellow Jews is told with affection, humor, and awe by his daughter. Share this inspiring book with a young reader in your life today!

Tears Over Russia Lisa Brahin.2022-06-07 A sweeping saga of a family and community fighting for survival against the ravages of history. Set between events depicted in *Fiddler on the Roof* and *Schindler's List*, Lisa Brahin's *Tears Over Russia* brings to life a piece of Jewish history that has never before been told. Between 1917 and 1921, twenty years before the Holocaust began, an estimated 100,000 to 250,000 Jews were murdered in anti-Jewish pogroms across the Ukraine. Lisa grew up transfixed by her grandmother Channa's stories about her family being forced to flee their hometown of Stavishche, as armies and bandit groups raided village after village, killing Jewish residents. Channa described a perilous three-year journey through Russia and Romania, led at first by a gallant American who had snuck into the Ukraine to save his immediate family and ended up leading an exodus of nearly eighty to safety. With almost no published sources to validate her grandmother's tales, Lisa embarked on her incredible journey to tell Channa's story, forging connections with archivists around the world to find elusive documents to fill in the gaps of what happened in Stavishche. She also tapped into connections closer to home, gathering testimonies from her grandmother's relatives, childhood friends and neighbors. The result is a moving historical family narrative that speaks to universal human themes—the resilience and hope of ordinary people surviving the ravages of history and human cruelty. With the growing passage of time, it is unlikely that we will see another family saga emerge so richly detailing this forgotten time period. *Tears Over Russia* eloquently proves that true life is sometimes more compelling than fiction.

Family Happiness (EasyRead Super Large 18pt Edition) .1959

Children's Weebies Family What's That! Alastair R. Agutter.2016-02-25 Russian Language Edition for pre-school fun learning and child development to know about the world around them from object recognition!

Thirteen years at the Russian court Pierre Gilliard.2021-11-05 This book is a memoir written by Pierre Gilliard, the French language tutor to the five children of Emperor Nicholas II of Russia from 1905 to 1918. It was published following the Russian Revolution of 1917 and the execution of the Russian Imperial family. In this book, Gilliard described Tsarina Alexandra's torment over her son's hemophilia and her faith in the ability of staretz Grigori Rasputin to heal the boy.

I Love to Help Shelley Admont,S. A. Publishing.2016-10-17 Jimmy the little bunny goes to the beach with his family. There he learns about the importance of helping others. When Jimmy's sandcastle is destroyed by the wave, they work together to build the bigger and better one. Everything works out better when we help each other.

The Book of Kin Vladimir Megre.2008 Over 10 million copies sold in 20 languages

Never Trust a Russian Anna Marie Dailey.2004-02-17 *Never Trust a Russian* is a novel of love, hate, deception and treachery set against the sprawling backdrop of Western Russia. The story begins in Baku on the Caspian Sea and follows three brothers as they flee the ravaging Bolsheviks. They travel with Anarchists, Boatmen and Gypsies across a landscape of turmoil and death. The tale is based upon one family's journey to America.

I Love to Go to Daycare Shelley Admont,S. A. Publishing.2016-05-10 Jimmy, the little bunny, is very upset and nervous. Tomorrow is his first day in

daycare, but he just wants to stay at home with his mom. Join Jimmy to find out how his friendly teddy bear helps him to feel excited. This children's book can help your little ones overcome their worries of leaving their parents for the first time, while helping them to adjust to new changes.

Soul to Soul Yelena Khanga, Susan Jacoby. 1994 Yelena Khanga tells the compelling story of growing up black in Russia and journeying through cultures to learn about her forebears and meet relatives she had never known. From the days of slavery in the cotton fields of Mississippi to the Moscow of Stalin and Brezhnev, from Jewish New York and Harlem in the twenties to modern-day Los Angeles, Long Island, and Zanzibar, *Soul to Soul* is a four-generation family memoir.

Lost in the Taiga Vasilii Peskov. 1994 The sole surviving family member, the daughter Agafia, lives by herself in the Lykov family cabin to this day.

Books About Family Russian Edition Introduction

In today's digital age, the availability of Books About Family Russian Edition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Books About Family Russian Edition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Books About Family Russian Edition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Books About Family Russian Edition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Books About Family Russian Edition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Books About Family Russian Edition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Books About Family Russian Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
