Honey Badger Don't Care Randall.2012-01-24 Never before has wildlife narration been this bold and this hilarious. More than 40 million people have viewed Randall's honey badger video, "The Crazy Nastyass Honey Badger." "It has no regard for anyone or anything—it just takes what it wants! What a little badass!" When viewing wildlife footage, who hasn't thought at times, "Ewww! What the hell is that?!" Randall thinks it — and says so! In Honey Badger Don't Care, Randall examines and humorously informs on a dozen crazy, nasty animals of the wild kingdom employing his unique style of telling it like it is! His wildlife writing is refreshingly honest. If an animal scares Randall, he's not afraid to share. Unlike most nature writers, Randall doesn't deliver the sugarcoated or drab description. He "goes there" and shares his true feelings with his audience. Because of this, his readers feel that they can relate. Randall loves animals—even the ones that terrify him. He may not agree with how these animals conduct themselves in the world, but Randall wants everyone to know who they are. Just as he introduced the world to the honey badger, the Jesus lizard, and others, so will Randall shed light on twelve bizarre and interesting animals. Designed with callouts, sidebars, and more than fifty photos, Honey Badger Don't Care presents a wildlife book for adults—hilarious, irreverent, profane, yet charming, chatty, and informative. Don't be stupid—buy this book!

New title launches, author appearances, special interest group/marketing niche...\$domain has done it all and more during a history of presenting over 2,500 successful exhibits. \$domain has the proven approach, commitment, experience and personnel to become your first choice in publishers' cooperative exhibit services. Give us a call whenever your ongoing marketing demands require the best exhibit service your promotional dollars can buy. Established in 1978, O'Reilly Media is a world renowned platform to download books, magazines and tutorials for free. Even though they started with print publications, they are now famous for digital books. The website features a massive collection of eBooks in categories like, IT industry, computers, technology, etc. You can download the books in PDF format, however, to get an access to the free downloads you need to sign up with your name and email address. FeedBooks: Select the Free Public Domain Books or Free Original Books categories to find free ebooks you can download in genres like drama, humorous, occult and supernatural, romance, action and adventure, short stories, and more. Bookyards: There are thousands upon thousands of free ebooks here. The Kindle Owners' Lending Library has hundreds of thousands of free Kindle books available directly from Amazon. This is a lending process, so you'll only be able to borrow

the book, not keep it. Free-eBooks is an online source for free ebook downloads, ebook resources and ebook authors. Besides free ebooks, you also download free magazines or submit your own ebook. You need to become a Free-EBooks.Net member to access their library. Registration is free. Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free. Bootastik's free Kindle books have links to where you can download them, like on Amazon, iTunes, Barnes & Noble, etc., as well as a full description of the book.
