

The American Promise Vol 1 To 1877

The American Promise, Volume 1 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann. 2014-12-12 The American Promise has long been a course favorite, and it has just gotten better. Students value the text's readability, clear chronology, and lively voices of ordinary Americans, while instructors rely upon the rich content, the many documents and features, and the overall support for teaching their class their way.

The American Promise: A Concise History, Volume 1 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann. 2016-12-09 The American Promise: A Concise History is a brief, affordable text with a clear political, chronological narrative that makes teaching and learning American history a snap. This brief book includes a full-color map and art program, robust boxed feature program, and comprehensive supplement options.

History in the Making Catherine Locks, Sarah K. Mergel, Pamela Thomas Roseman, Tamara Spike. 2013-04-19 A peer-reviewed open U.S. History Textbook released under a CC BY SA 3.0 Unported License.

U.S. History P. Scott Corbett, Volker Janssen, John M. Lund. 2023-04-02 Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

The American Promise Compact 4th Ed Vol 1 + Reading the American Past 4th Ed Vol 1 + A Pocket Guide to Writing in History 6th Ed + Atlas of American History James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, University Alan Lawson, University Susan M Hartmann. 2009-12-01

Going to the Source, Volume 1: To 1877 Victoria Bissell Brown, Timothy J. Shannon. 2007-09-04 Lots of readers offer lots of sources, but only Going to the Source gives students a clear method for how to use them. The reader's strong pedagogical framework, developed by historians with extensive teaching experience, helps students learn how to ask fruitful questions in order to evaluate documents effectively and develop critical reading skills. Mirroring the chronology of the U.S. history survey, each chapter introduces students to the excitement of working with documents by focusing on a single intriguing historical episode. The reader's wide variety of chapter topics that complement the survey course and its rich diversity of sources -- from personal letters to political cartoons -- provokes students' interest as it teaches them the skills they need to successfully grapple with historical sources.

Stony the Road Henry Louis Gates, Jr. 2020-04-07 "Stony the Road presents a bracing alternative to Trump-era white nationalism. . . . In our current politics we recognize African-American history—the spot under our country's rug where the terrorism and injustices of white supremacy are habitually swept. Stony the Road lifts the rug. —Nell Irvin Painter, New York Times Book Review A profound new rendering of the struggle by African-Americans for equality after the Civil War and the violent counter-revolution that resubjugated them, by the bestselling author of *The Black Church*. The abolition of slavery in the aftermath of the Civil War is a familiar story, as is the civil rights revolution that transformed the nation after World War II. But the century in between remains a mystery: if emancipation sparked a new birth of freedom in Lincoln's America, why was it necessary to march in Martin Luther King, Jr.'s America? In this new book, Henry Louis Gates, Jr., one of our leading chroniclers of the African-American experience, seeks to answer that question in a history that moves from the Reconstruction Era to the nadir of the African-American experience under Jim Crow, through to World War I and the Harlem Renaissance. Through his close reading of the visual culture of this tragic era, Gates reveals the many faces of Jim Crow and how, together, they reinforced a stark color line between white and black Americans. Bringing a lifetime of wisdom to bear as a scholar, filmmaker, and public intellectual, Gates uncovers the roots of structural racism in our own time, while showing how African Americans after slavery combatted it by articulating a vision of a New Negro to force the nation to recognize their humanity and unique contributions to America as it hurtled toward the modern age. The story Gates tells begins with great hope, with the Emancipation Proclamation, Union victory, and the liberation of nearly 4 million enslaved African-Americans. Until 1877, the federal government, goaded by the activism of Frederick Douglass and many others, tried at various turns to sustain their new rights. But the terror unleashed by white paramilitary groups in the former Confederacy, combined with deteriorating economic conditions and a loss of Northern will, restored home rule to the South. The retreat from Reconstruction was followed by one of the most violent periods in our history, with thousands of black people murdered or lynched and many more afflicted by the degrading impositions of Jim Crow segregation. An essential tour through one of America's fundamental historical tragedies, *Stony the Road* is also a story of heroic resistance, as figures such as W. E. B. Du Bois and Ida B. Wells fought to create a counter-narrative, and culture, inside the lion's mouth. As sobering as this tale is, it also has within it the inspiration that comes with encountering the hopes our ancestors advanced against the longest odds.

Loose-leaf Version for Understanding the American Promise: A History, Volume I to 1877 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann. 2013-10-11 Understanding the American Promise, Second Edition, features a brief, question-driven narrative that models for students the inquiry-based methods used by historians and features innovative active learning pedagogy to help students understand what's really important to know about U.S. history. This affordable text comes integrated with LearningCurve, an adaptive learning tool that helps students retain what they've read and come to class prepared.

America's Promise W. J. Rorabaugh, Donald T. Critchlow, Paula C. Baker. 2004 America's Promise is a concise, highly readable introduction to American History. Designed to clearly explain major themes and events, it also captures the rich and often amusing character of the American people. The strong narrative emphasizes public life and how individuals constructed public structures in which they lived and worked. Including the latest scholarship in social, cultural, and political history, the work integrates the history and importance of women and minorities. To aid students in learning and reviewing, each chapter begins with a preview of the main ideas that will be discussed and ends with a conclusion that reinforces the key concepts. Rather than being simply declaratory signposts, section headings highlight main ideas and help carry along the narrative. A glossary defines main terms, and a timeline helps students keep track of events. Selected readings are also included to encourage further reading and study. Finally, carefully selected illustrations and maps portray, pinpoint, and illuminate important episodes in American history. The most concise and competitively priced book available, America's Promise is a breath of fresh air in the introductory market.

Rebirth of a Nation Jackson Lears. 2009-06-02 An illuminating and authoritative history of America in the years between the Civil War and World War I, Jackson Lears's *Rebirth of a Nation* was named one of the best books of 2009 by *The Washington Post*, *The Chicago Tribune*, and *The Pittsburgh Post-Gazette*. Fascinating.... A major work by a leading historian at the top of his game—at once engaging and tightly argued. —*The New York Times Book Review* "Dazzling cultural history: smart, provocative, and gripping. It is also a book for our times, historically grounded, hopeful, and filled with humane, just, and peaceful possibilities." —*The Washington Post* In the half-century between the Civil War and World War I, widespread yearning for a new beginning permeated American public life. Dreams of spiritual, moral, and physical rebirth formed the foundation for the modern United States, inspiring its leaders with imperial ambition. Theodore Roosevelt's desire to recapture frontier vigor led him to promote U.S. interests throughout Latin America. Woodrow Wilson's vision of a reborn international order drew him into a war to end war. Andrew Carnegie's embrace of philanthropy coincided with his creation of the world's first billion-dollar corporation, United States Steel. Presidents and entrepreneurs helped usher the nation into the modern era, but sometimes the consequences of their actions failed to match the grandeur of their hopes. Award-winning historian Jackson Lears richly chronicles this momentous period when America reunited and began to form the world power of the twentieth century. Lears vividly captures imperialists, Gilded Age mavericks, and vaudeville entertainers, and illuminates the roles played by a variety of

seekers, male and female, from populist farmers to avant-garde artists and writers to progressive reformers. Some were motivated by their own visions of Christianity; all were swept up in longings for revitalization. In these years marked by wrenching social conflict and vigorous political debate, a modern America emerged and came to dominance on a world stage. Illuminating and authoritative, *Rebirth of a Nation* brilliantly weaves the remarkable story of this crucial epoch into a masterful work of history.

These Truths: A History of the United States Jill Lepore.2018-09-18 "Nothing short of a masterpiece." —NPR Books A New York Times Bestseller and a Washington Post Notable Book of the Year In the most ambitious one-volume American history in decades, award-winning historian Jill Lepore offers a magisterial account of the origins and rise of a divided nation. Widely hailed for its "sweeping, sobering account of the American past" (New York Times Book Review), Jill Lepore's one-volume history of America places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore wrestles with the state of American politics, the legacy of slavery, the persistence of inequality, and the nature of technological change. "A nation born in contradiction... will fight, forever, over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. With *These Truths*, Lepore has produced a book that will shape our view of American history for decades to come.

The role of federal military forces in domestic disorders, 1877-1945 Clayton D. Laurie.1997-07-15 CMH 30-15. Army Historical Series. 2nd of three planned volumes on the history of Army domestic support operations. This volume encompasses the period of the rise of industrial America with attendant social dislocation and strife. Major themes are: the evolution of the Army's role in domestic support operations; its strict adherence to law; and the disciplined manner in which it conducted these difficult and often unpopular operations.

The American Promise, Volume 1 James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Susan M. Hartmann.2019-06-10 The American Promise has long been a course favorite. Students value The American Promise for its readability, clear chronology, and lively voices of ordinary Americans, while instructors rely upon the rich content, the many documents and features, and the overall support for teaching their class their way. The American Promise provides superior formats for every use--the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. LaunchPad comes with a wealth of primary sources and special critical thinking activities to help students progress toward achieving learning outcomes; LearningCurve, the adaptive learning tool that students love to use to test their understanding of the text and instructors love to assign to prepare students for class; and a suite of instructor resources from videos to test banks that make teaching simpler and more effective.

The American Promise Compact, Volume I James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Alan Lawson,Susan M. Hartmann.2006-07-27 The American Promise: A Compact History offers a unique mid-sized alternative to brief and full-sized texts alike. Designed to draw students into the book and spark their historical imagination, abundant artifacts in the visual program make history tangible and introduces students to material culture, while numerous voices of individuals in the narrative connect students to the people who embraced and contested America's promise. The narrative is condensed by the authors to provide just the right amount of text but not too much to preclude additional readings, and it is enhanced by an abundance of full-color visuals, special features, and study tools — usually paired only with full-length narratives — to engage and support students in every facet of their learning. The unique combination of narrative, visuals, features and study tools in this mid-sized book is offered at a price thirty percent lower than that of its full-length parent text, making the compact edition just the right choice for many courses.

The American Promise, Volume 2 James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Susan M. Hartmann.2016-12-09 The American Promise has long been a course favorite. Students value The American Promise for its readability, clear chronology, and lively voices of ordinary Americans, while instructors rely upon the rich content, the many documents and features, and the overall support for teaching their class their way. The American Promise provides superior formats for every use—the print book allows for a seamless reading experience while LaunchPad provides the right space for active learning assignments and dynamic course management tools that measure and analyze student progress. Black Reconstruction in America (The Oxford W. E. B. Du Bois) W. E. B. Du Bois.2014-02-01 W. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable editorials and journalistic pieces, and several works of history. *Black Reconstruction in America* tells and interprets the story of the twenty years of Reconstruction from the point of view of newly liberated African Americans. Though lambasted by critics at the time of its publication in 1935, *Black Reconstruction* has only grown in historical and literary importance. In the 1960s it joined the canon of the most influential revisionist historical works. Its greatest achievement is weaving a credible, lyrical historical narrative of the hostile and politically fraught years of 1860-1880 with a powerful critical analysis of the harmful effects of democracy, including Jim Crow laws and other injustices. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by David Levering Lewis, this edition is essential for anyone interested in African American history.

The American Promise, Volume I: To 1877 James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Susan M. Hartmann.2012-01-09 The American Promise is more teachable and memorable than any other U.S. survey text. The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories. The voices of hundreds of Americans - from Presidents to pipe fitters, and sharecroppers to suffragettes - animate the past and make concepts memorable. The past comes alive for students through dynamic

special features and a stunning and distinctive visual program. Over 775 contemporaneous illustrations - more than any competing text - draw students into the text, and more than 180 full - color maps increase students' geographic literacy. A rich array of special features complements the narrative offering more points of departure for assignments and discussion. Longstanding favorites include Documenting the American Promise, Historical Questions, The Promise of Technology, and Beyond American's Borders, representing a key part of our effort to increase attention paid to the global context of American history.

[The Promise of the New South](#) Edward L. Ayers.2007-09-07 At a public picnic in the South in the 1890s, a young man paid five cents for his first chance to hear the revolutionary Edison talking machine. He eagerly listened as the soundman placed the needle down, only to find that through the tubes he held to his ears came the chilling sounds of a lynching. In this story, with its blend of new technology and old hatreds, genteel picnics and mob violence, Edward Ayers captures the history of the South in the years between Reconstruction and the turn of the century. Ranging from the Georgia coast to the Tennessee mountains, from the power brokers to tenant farmers, Ayers depicts a land of startling contrasts. Ayers takes us from remote Southern towns, revolutionized by the spread of the railroads, to the statehouses where Democratic Redeemers swept away the legacy of Reconstruction; from the small farmers, trapped into growing nothing but cotton, to the new industries of Birmingham; from abuse and intimacy in the family to tumultuous public meetings of the prohibitionists. He explores every aspect of society, politics, and the economy, detailing the importance of each in the emerging New South. Central to the entire story is the role of race relations, from alliances and friendships between blacks and whites to the spread of Jim Crow laws and disfranchisement. The teeming nineteenth-century South comes to life in these pages. When this book first appeared in 1992, it won a broad array of prizes and was a finalist for both the National Book Award and the Pulitzer Prize. The citation for the National Book Award declared Promise of the New South a vivid and masterfully detailed picture of the evolution of a new society. The Atlantic called it one of the broadest and most original interpretations of southern history of the past twenty years.

Harriet Martineau's Autobiography Harriet Martineau.1877

[Building the American Republic, Volume 1](#) Harry L. Watson,Jane Elizabeth Dailey.2018-01-18 Building the American Republic tells the story of United States with remarkable grace and skill, its fast moving narrative making the nation's struggles and accomplishments new and compelling. Weaving together stories of a broad range of Americans. Volume 1 starts at sea and ends on the field. Beginning with the earliest Americans and the arrival of strangers on the eastern shore, it then moves through colonial society to the fight for independence and the construction of a federal republic. Vol 2 opens as America struggles to regain its footing, reeling from a presidential assassination and facing massive economic growth, rapid demographic change, and combative politics.

[The American Promise, Value Edition, Volume 1](#) James L. Roark,Michael P Johnson,Francois Furstenberg,Sarah Stage,Sarah E Igo.2019-09-09 The American Promise, Value Edition, has long been a favorite with students who value the text's readability, clear chronology, and lively voices of ordinary Americans, all in a portable format. The two-color Value Edition includes the unabridged narrative and select maps and images from the comprehensive text. LaunchPad also features all of the contents of the comprehensive edition in full color, including primary source features and summative quizzing in each chapter, numerous supplement options, and a free companion sourcebook. With LaunchPad, the Value Edition is an excellent resource at an outstanding price. Available for free when packaged with the print book, the popular digital assignment and assessment options for this text bring skill building and assessment to a more highly effective level. The greatest active learning options come in LaunchPad, which combines an accessible e-book with LearningCurve, an adaptive and automatically graded learning tool that—when assigned—helps ensure students read the book; the complete companion reader with comparative questions that help students build arguments from those sources; and many other study and assessment tools. For instructors who want the easiest and most affordable way to ensure students come to class prepared Achieve Read & Practice pairs LearningCurve, adaptive quizzing and our mobile, accessible Value Edition e-book, in one easy-to-use product.

The American Promise Value Edition, Volume I: To 1877 James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Alan Lawson,Susan M. Hartmann.2008-08-04 The American Promise, Value Edition is the perfect choice for instructors looking for a low-priced, high quality text. Retaining the complete narrative of the Fourth Edition, this trade-sized black-and-white edition engages students by revealing history through the eyes of the people who lived it. Enriched with the voices of hundreds of Americans, the Value Edition offers students a memorable narrative for a price they can afford.

Reconstruction Eric Foner.2011-12-13 From the preeminent historian of Reconstruction (New York Times Book Review), a newly updated edition of the prize-winning classic work on the post-Civil War period which shaped modern America, with a new introduction from the author. Eric Foner's masterful treatment of one of the most complex periods of American history (New Republic) redefined how the post-Civil War period was viewed. Reconstruction chronicles the way in which Americans—black and white—responded to the unprecedented changes unleashed by the war and the end of slavery. It addresses the ways in which the emancipated slaves' quest for economic autonomy and equal citizenship shaped the political agenda of Reconstruction; the remodeling of Southern society and the place of planters, merchants, and small farmers within it; the evolution of racial attitudes and patterns of race relations; and the emergence of a national state possessing vastly expanded authority and committed, for a time, to the principle of equal rights for all Americans. This smart book of enormous strengths (Boston Globe) remains the standard work on the wrenching post-Civil War period—an era whose legacy still reverberates in the United States today.

The American Promise, Value Edition, Volume 1 James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Susan M. Hartmann.2014-12-08 The American Promise, Value Edition, has long been a favorite with students who value the text's readability, clear chronology, and lively voices of ordinary Americans, all in a portable format. Instructors have long valued the full narrative accompanied by a 2-color map program and the rich instructor resources of the parent text made available at an affordable price.

[Understanding The American Promise, Volume 1: To 1877](#) James L. Roark,Michael P. Johnson,Patricia Cline Cohen,Sarah Stage,Alan Lawson,Susan M. Hartmann.2011-02-15 In response to the ever-changing challenges of teaching the survey course, Understanding the American Promise combines a newly abridged narrative with an innovative chapter architecture to focus students' attention on what's truly significant. Each chapter is fully

designed to guide students' comprehension and foster their development of historical skills. Brief and affordable but still balanced in its coverage, this new textbook combines distinctive study aids, a bold new design, and lively art to give your students a clear pathway to what's important. *Building the American Republic, Volume 2* Harry L. Watson, Jane Dailey. 2018-01-18 *Building the American Republic* tells the story of United States with remarkable grace and skill, its fast moving narrative making the nation's struggles and accomplishments new and compelling. Weaving together stories of a broad range of Americans. Volume 1 starts at sea and ends on the field. Beginning with the earliest Americans and the arrival of strangers on the eastern shore, it then moves through colonial society to the fight for independence and the construction of a federal republic. Vol 2 opens as America struggles to regain its footing, reeling from a presidential assassination and facing massive economic growth, rapid demographic change, and combative politics.

The Cambridge History of America and the World: Volume 3, 1900-1945 Brooke L. Blower, Andrew Preston. 2022-03-03 The third volume of *The Cambridge History of America and the World* covers the volatile period between 1900 and 1945 when the United States emerged as a world power and American engagements abroad flourished in new and consequential ways. Showcasing the most innovative approaches to both traditional topics and emerging themes, leading scholars chart the complex ways in which Americans projected their growing influence across the globe; how others interpreted and constrained those efforts; how Americans disagreed with each other, often fiercely, about foreign relations; and how race, religion, gender, and other factors shaped their worldviews. During the early twentieth century, accelerating forces of global interdependence presented Americans, like others, with a set of urgent challenges from managing borders, humanitarian crises, economic depression, and modern warfare to confronting the radical, new political movements of communism, fascism, and anticolonial nationalism. This volume will set the standard for new understandings of this pivotal moment in the history of America and the world.

The American Promise: A Concise History, Combined Volume James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Susan M. Hartmann. 2013-10-09 *The American Promise: A Concise History* is a brief, inexpensive narrative with a clear political, chronological narrative that makes teaching and learning American history a snap. Streamlined by the authors themselves to create a truly concise book, the fifth edition is nearly 15 percent shorter than the fourth compact edition, yet it includes more primary sources than ever—including a new visual sources feature. It is also enhanced by LearningCurve, our easy-to-assign adaptive learning system that will ensure students come to class prepared.

Find The American Promise Vol 1 To 1877

Get in touch with us! From our offices and partner business' located across the globe we can offer full local services as well as complete international shipping, book online download free of cost If you have an internet connection, simply go to BookYards and download educational documents, eBooks, information and content that is freely available to all. The web page is pretty simple where you can either publish books, download eBooks based on authors/categories or share links for free. You also have the option to donate, download the iBook app and visit the educational links. Thanks to public domain, you can access PDF versions of all the classics you've always wanted to read in PDF Books World's enormous digital library. Literature, plays, poetry, and non-fiction texts are all available for you to download at your leisure. The Literature Network: This site is organized alphabetically by author. Click on any author's name, and you'll see a biography, related links and articles, quizzes, and forums. Most of the books here are free, but there are some downloads that require a small fee. My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. Open Library is a free Kindle book downloading and lending service that has well over 1 million eBook titles available. They seem to specialize in classic literature and you can search by keyword or browse by subjects, authors, and genre. The store is easily accessible via any web browser or Android device, but you'll need to create a Google Play account and register a credit card before you can download anything. Your card won't be charged, but you might find it off-putting. ManyBooks is a nifty little site that's been around for over a decade. Its purpose is to curate and provide a library of free and discounted fiction ebooks for people to download and enjoy. Get free eBooks for your eBook reader, PDA or iPOD from a collection of over 33,000 books with ManyBooks. It features an eye-catching front page that lets you browse through books by authors, recent reviews, languages, titles and more. Not only that you have a lot of free stuff to choose from, but the eBooks can be read on most of the reading platforms like, eReaders, Kindle, iPads, and Nooks.
