

# Les Carnets Rouges French Edition

Travel in Twentieth-Century French and Francophone Cultures Charles Forsdick.2005-05-19 This book is one of the first studies of twentieth-century travel literature in French, tracking the form from the colonial past to the postcolonial present. Whereas most recent explorations of travel literature have addressed English-language material, Forsdick's study complements these by presenting a body of material that has previously attracted little attention, ranging from conventional travel writing to other cultural phenomena (such as the Colonial Exposition of 1931) in which changing attitudes to travel are apparent. *Travel in Twentieth-Century French and Francophone Cultures* explores the evolution of attitudes to cultural diversity, explaining how each generation seems simultaneously to foretell the collapse and reinvention of 'elsewhere'. It also follows the progressive renegotiation of understandings of travel (and travel literature) across the twentieth century, focusing in particular on the emergence of travel narratives from France's former colonies. The book suggests that an exclusive colonial understanding of travel as a practice defined along the lines of class, gender, and ethnicity has slowly been transformed so that travel has become an enabling figure - encapsulated in notions such as James Clifford's 'traveling cultures' - central to analyses of contemporary global culture. Engaging initially with Victor Segalen's early twentieth-century reflection on travel and exoticism and Albert Kahn's 'Archives de la Planète', Forsdick goes on to examine a series of interrelated texts and phenomena: early African travel narratives, inter-war ethnography, post-war accounts of Citroën 2CV journeys, the travel stories of immigrant workers, the work of Nicholas Bouvier and the *Pour une littérature voyageuse* movement, narratives of recent walking journeys, and contemporary Polynesian literature. In delineating a francophone space stretching far beyond metropolitan France itself, the book contributes to new understandings of French and Francophone Studies, and will also be of interest to those interested in issues of comparatism as well as colonial and postcolonial culture and identity.

QUELQUES PAGES ARRACHÉES AU GRAND LIVRE DES RÊVES Liliane Atlan.1999-10-01 Le Grand Livre des Rêves n'est pas écrit, il ne peut pas l'être, il se crée, il se perd, il se recrée, capté, par fragments, que l'on déforme, que l'on oublie. Mais ses empreintes restent, confuses, poignantes. Elles sont les traces d'une vie de l'âme dans la chair, d'une vie de la chair dans l'âme, d'une pensée nocturne, élémentaire, à l'œuvre dans nos personnes comme dans l'univers.

Africa and France Dominic Richard David Thomas.2013 This stimulating and insightful book reveals how increased control over immigration has changed cultural and social production in theater, literature, and even museum construction. Dominic Thomas's analysis unravels the complex cultural and political realities of long-standing mobility between Africa and Europe. Thomas questions the attempt to place strict limits on what it means to be French or European and offers a sense of what must happen to bring about a renewed sense of integration and global Frenchness.

**A Transnational History of Right-Wing Terrorism** Johannes Dalfinger, Moritz Florin.2022-03-30 A Transnational History of Right-Wing Terrorism offers new insights into the history of right-wing extremism and violence in Europe, East and West, from 1900 until the present day. It is the first book to take such a broad historical approach to the topic. The book explores the transnational dimension of right-wing terrorism; networks of right-wing extremists across borders, including in exile; the trading of arms; the connection between right-wing terrorism and other forms of far-right political violence; as well as the role of supportive elements among fellow travelers, the state security apparatus, and political elites. It also examines various forms of organizational and ideological interconnectedness and what inspires right-wing terrorism. In addition to several empirical chapters on prewar extreme-right political violence, the book features extensive coverage of postwar right-wing terrorism including the recent resurgence in attacks. This book will be of great interest to students and scholars of right-wing extremism, fascism, Nazism, terrorism, and political violence.

Un petit carnet rouge Sofia Lundberg.2018-05-30 tDans ce petit carnet, une longue vie de confidences À 96 ans, Doris habite seule à Stockholm. Elle n'a plus aucune famille si ce n'est une petite-nièce qui vit aux États-Unis. Son bien le plus précieux est un carnet d'adresses, qu'elle possède depuis 1928. Ce calepin rouge contient le souvenir des gens qu'elle a rencontrés au fil de son existence, et dont elle a rayé les noms à mesure qu'ils ont quitté ce monde. De l'excentrique bourgeoise pour qui elle a travaillé enfant à l'amour de sa vie rencontré à Paris, de la veuve qui lui a appris l'anglais sur le bateau l'emmenant à New York aux plus grands couturiers français qui l'ont vue défiler, de l'artiste suédois devenu son confident à sa propre soeur, au destin douloureux, l'existence de Doris est une épopée romantique, tragique et émouvante. Une histoire de famille et de transmission merveilleuse et bouleversante. « D'une plume chaleureuse et élégante, Sofia Lundberg nous rappelle la valeur des relations humaines. » Kulturbloggen « Une réussite éblouissante. » Bokspegeln « Un beau roman, et un joli portrait de femme au destin inattendu. À découvrir pour notre plus grand bonheur. » Juliette Jeanroy, librairie Cultura, Cormontreuil

**Les passants** Liliane Atlan.1998-04-01 Une femme peint sa vie, par la parole, comme on livre un combat. Dans une maison riche à Marseille, à la fin d'une guerre, une jeune fille se laisse mourir de faim. Elle dit non à tout, au point de finir par dire non à la folie et à la mort. De longues années plus tard. Elle va et vient dans sa maison vide. Elle convoque, par la parole, les êtres qui sont passés, qui lui manquent, elle met en lumière la légende qu'ils ont, de leur vivant, écrite, avec leur chair. Dans le premier temps du récit, la voix est solitaire. Dans le deuxième, elle devient multiple.

*Fighters in the Shadows* Robert Gildea.2015-11-30 Robert Gildea's penetrating history of France during World War II sweeps aside the French Resistance of a thousand clichés. Gaining a true understanding of the Resistance means recognizing how its image has been carefully curated through a combination of French politics and pride, ever since jubilant crowds celebrated Paris's liberation in 1944.

**Le carnet rouge** Annelise Heurtier.2011-09-30T00:00:00+02:00 Je m'appelle Marie et j'ai 16 ans. Si on s'était rencontrés la semaine dernière, je me serais présentée comme une lycéenne ordinaire, vivant avec sa mère dans la banlieue de Lille. Vous m'auriez alors demandé d'où me venaient ces cheveux et ces yeux si sombres. Je vous aurais répondu que j'avais du sang népalais. Vous auriez attendu la suite. Mais je ne sais rien de mes origines, ma mère a toujours refusé d'en parler. Aujourd'hui, tout a changé. Entre les pages d'un mystérieux carnet rouge, je viens de découvrir une vérité que je n'aurais jamais pu imaginer.

France and Fascism Brian Jenkins, Chris Millington.2015-03-24 *France and Fascism: February 1934 and the Dynamics of Political Crisis* is the first English-language book to examine the most significant political event in interwar France: the Paris riots of February 1934. On 6 February 1934, thousands of fascist rioters almost succeeded in bringing down the French democratic regime. The violence prompted the polarisation of French politics as hundreds of thousands of French citizens joined extreme right-wing paramilitary leagues or the left-wing Popular Front coalition. This 'French civil war', the first shots of which were fired in February 1934, would come to an end only at the Liberation of France ten years later. The book challenges the assumption that the riots did not pose a serious threat to French democracy by providing a more balanced historical contextualisation of the events. Each chapter follows a distinctive analytical framework, incorporating the latest research in the field on French interwar politics as well as important new investigations into political violence and the dynamics of political crisis. With a direct focus on the actual processes of the unfolding political crisis and the dynamics of the riots themselves, *France and Fascism* offers a comprehensive analysis which will be of interest to undergraduate and postgraduate students, as well as scholars, in the areas of French history and politics, and fascism and the far right.

*A Bergsonian Analysis of the Humor of Anatole France* Paul Philip Cloutier.1970

**Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries.1979

**Encyclopedia of French Film Directors** Philippe Rège.2009-12-11 Cinema has been long associated with France, dating back to 1895, when Louis and Auguste Lumière screened their works, the first public viewing

of films anywhere. Early silent pioneers Georges Méliès, Alice Guy Blaché and others followed in the footsteps of the Lumière brothers and the tradition of important filmmaking continued throughout the 20th century and beyond. In *Encyclopedia of French Film Directors*, Philippe Rège identifies every French director who has made at least one feature film since 1895. From undisputed masters to obscure one-timers, nearly 3,000 directors are cited here, including at least 200 filmmakers not mentioned in similar books published in France. Each director's entry contains a brief biographical summary, including dates and places of birth and death; information on the individual's education and professional training; and other pertinent details, such as real names (when the filmmaker uses a pseudonym). The entries also provide complete filmographies, including credits for feature films, shorts, documentaries, and television work. Some of the most important names in the history of film can be found in this encyclopedia, from masters of the Golden Age—Jean Renoir and René Clair—to French New Wave artists such as François Truffaut and Jean-Luc Godard.

*The Poetry of St. Therese of Lisieux* St. Therese of Lisieux. 2013-09-18 Despite their importance, the poems of St. Thérèse of Lisieux are among the least known of her writings, previously available only in highly edited selections. Here for the first time in English is the complete collection of Thérèse's poetry, faithfully translated from the French critical edition by Donald Kinney, O.C.D. Also included are a preface by Jean Guittou, a general introduction to Thérèse's spiritual and poetic development, 6 photos, and individual introductions to each of the poems, indicating its background and significance. The volume closes with the French text of the poems and a fully linked index to their major themes and images. Together with the ICS Publications editions of Thérèse of Lisieux's *Story of a Soul*, *Last Conversations*, *Letters*, *Plays*, and *Prayers*, this is an indispensable work for all those who love the life and spiritual message of the greatest saint of modern times.

*LE RÊVE DES ANIMAUX RONGEURS* Liliane Atlan. 1999-01-01 Au début de leur mariage, dans les pays qu'ils visitaient, ils achetaient des couteaux. Ils n'étaient ni l'un ni l'autre collectionneurs, ils aimaient les couteaux. Ils ne s'en servaient pas. Elle, de temps en temps, pour découper ses livres. Elle cessa d'en acheter lorsque l'idée lui vint qu'elle ne l'aimait plus. De façon plus précise, un soir de fête où, le dévisageant, elle eut envie de le tuer... .

**A History of Fascism in France** Chris Millington. 2019-12-12 CHOICE Outstanding Academic Title 2021 A History of Fascism in France explores the origins, development, and action of fascism and extreme right and fascist organisations in France since the First World War. Synthesizing decades of scholarship, it is the first book in any language to trace the full story of French fascism from the First World War to the modern National Front, via the interwar years, the Vichy regime and the collapse of the French Empire. Chris Millington unpicks why this extremist political phenomenon has, at times, found such fervent and widespread support among the French people. The book chronologically surveys fascism in France whilst contextualizing this within the broader European and colonial frameworks that are so significant to the subject. Concluding with a useful historiographical chapter that brings together all the previously explored aspects of fascism in France, A History of Fascism in France is a crucial volume for all students of European fascism and France in the 20th century.

*French Twentieth Bibliography* Douglas W. Alden. 1994-10 This series of bibliographical references is one of the most important tools for research in modern and contemporary French literature. No other bibliography represents the scholarly activities and publications of these fields as completely.

*Catalogue de Timbres de France 2019* Spink Maury. 2018-09-01 A catalogue made by collectors for collectors. This year the Spink Maury Catalogue, heir to the prestigious Maury, Ceres and Dallay catalogues, continues its work of research, compiled over generations of philately. It covers all French stamps from 1849 to the present day, offering hundreds of changes – with oddities, new varieties and discoveries presented, as always, in an exceptional way. Included in the new material is the continuation of the monographic studies, presenting a stamp per page with all varieties known until the First World War; a redesign of types Merson and Pasteur; and a specialised part devoted to Marianne de Beaujard, reviewed in depth. In addition the section on current usage stamps (TUC) is fully updated following feedback from our contributors and readers. France has one of the most beautiful philatelic legacies in the world, and we are pleased to be its modest ambassador to the numerous international readers who join us each year. “Layout and coverage are sumptuous ... The trite phrase “mine of information” does not begin to do justice to this immense achievement. To any collector of France beyond the elementary stage, this would be a bargain at twice the official retail price ... Highly recommended. ....an absolute must for collectors of French stamps...” Michael Round, *Journal of the France & Colonies Philatelic Society*

**Murder in the Métro** Gayle K. Brunelle, Annette Finley-Croswhite. 2010-05 On the evening of May 16, 1937, the train doors opened at the Porte Dorée station in the Paris Métro to reveal a dying woman slumped by a window, an eight-inch stiletto buried to its hilt in her neck. No one witnessed the crime, and the killer left behind little forensic evidence. This first-ever murder in the Paris Métro dominated the headlines for weeks during the summer of 1937, as journalists and the police slowly uncovered the shocking truth about the victim: a twenty-nine-year-old Italian immigrant, the beautiful and elusive Laetitia Toureaux. Toureaux toiled each day in a factory, but spent her nights working as a spy in the seamy Parisian underworld. Just as the dangerous spy Mata Hari fascinated Parisians of an earlier generation, the mystery of Toureaux's murder held the French public spellbound in pre-war Paris, as the police tried and failed to identify her assassin. In *Murder in the Métro*, Gayle K. Brunelle and Annette Finley-Croswhite unravel Toureaux's complicated and mysterious life, assessing her complex identity within the larger political context of the time. They follow the trail of Toureaux's murder investigation to the Comité Secret d'Action Révolutionnaire, a secret right-wing political organization popularly known as the Cagoule, or hooded ones. Obsessed with the Communist threat they perceived in the growing power of labor unions and the French left wing, the Cagoule's leaders aimed to overthrow France's Third Republic and install an authoritarian regime allied with Italy. With Mussolini as their ally and Italian fascism as their model, they did not shrink from committing violent crimes and fomenting terror to accomplish their goal. In 1936, Toureaux -- at the behest of the French police -- infiltrated this dangerous group of terrorists and seduced one of its leaders, Gabriel Jeantet, to gain more information. This operation, the authors show, eventually cost Toureaux her life. The tale of Laetitia Toureaux epitomizes the turbulence of 1930s France, as the country prepared for a war most people dreaded but assumed would come. This period, therefore, generated great anxiety but also offered new opportunities -- and risks -- to Toureaux as she embraced the identity of a modern woman. The authors unravel her murder as they detail her story and that of the Cagoule, within the popular culture and conflicted politics of 1930s France. By examining documents related to Toureaux's murder -- documents the French government has sealed from public view until 2038 -- Brunelle and Finley-Croswhite link Toureaux's death not only to the Cagoule but also to the Italian secret service, for whom she acted as an informant. Their research provides likely answers to the question of the identity of Toureaux's murderer and offers a fascinating look at the dark and dangerous streets of pre--World War II Paris.

**Le Corbusier** Danièle Pauly. 2018-01-01 Each day of my life has been dedicated in part to drawing. I have never stopped drawing and painting, seeking, where I could find them, the secrets of form.--Le Corbusier Charles-Édouard Jeanneret, known as Le Corbusier (1887-1965), is famous for transforming 20th-century architecture and urbanism. Less attention has been paid to his artistic production, although he began his career as a painter. Le Corbusier indeed studied under Charles L'Éplattenier and, together with the artist Amédée Ozenfant, founded the Purist movement in the manifesto *After Cubism*. Even after Le Corbusier turned to architecture, he continued to paint and draw. His thousands of drawings, rarely exhibited but meticulously stored in two watch cabinets from his family home, were particularly significant; he considered his work as a draftsman to be fundamental to his creative process. Beautifully illustrated with more than 300 drawings that have never before been published for an English readership, this revealing book charts the evolution of Le Corbusier's process from his youthful travels abroad to his arrival and maturation in Paris. Danièle Pauly shows how his drawings functioned within an intimate zone of private reflection and situates his work within the broader artistic and intellectual currents of Cubism, Purism, Primitivism, and Surrealism. In addition to providing a crucial new background against which to comprehend Le Corbusier's architecture and urbanism, this important volume advocates for understanding him alongside leading modern artists including Pablo Picasso and Fernand Léger.

Les carnets rouges Carole Fruchard, Antoine Fruchard. 2021-01-20 Le thriller français déjà repéré par Netflix US Paris, 2040. Simon d'Almat travaille dans un grand laboratoire sur un projet ultra-confidentiel qui pourrait changer l'équilibre du monde. Et avoir des conséquences capitales sur son entourage, à commencer par sa fiancée, hospitalisée dans un état grave. Ce jeune scientifique au passé chaotique et violent est prêt à tout pour faire avancer ses recherches, tout en essayant de lutter contre ses vieux démons. Mais, de Londres à Paris en passant par Marseille et la Centrafrique, Simon se retrouve au cœur d'un environnement qui déraile : qui sont ces personnes qui semblent le connaître ? Pourquoi n'a-t-il aucun souvenir de son enfance ? Que renferment ces mystérieux carnets rouges ? Ce thriller est une course contre le temps, une folle aventure humaine, jusqu'à une révélation finale stupéfiante. À propos des auteurs Frère et sœur, Carole et Antoine Fruchard ont écrit Les Carnets rouges malgré les 12 000 kilomètres qui les séparaient. Elle à Shanghai, lui à New York, ils ont dédié des années de leur temps libre à imaginer ce premier thriller aussi haletant que troublant. « Un thriller haletant. » Charline Roux, Popopop, France Inter « Un premier roman envoûtant sur la mémoire et le futur. » Christophe Henning, Au pied de la lettre, RCF

**Colors of Provence** Michel Biehn. 1997-08-13 Color resonates in the pure light of the Provençal sun. Rich earth tones, bountiful harvests, and bright vegetable stalls make Provence one of the most celebrated and adored regions in the world. Filled with stunning color photographs, Colors of Provence captures the true vibrancy of the French countryside, revealing the many elements that make up its authentic palette. 145+ color photos.

**French Autobiographical Writing 1900-1950** Susan M. Dolamore. 1997

*LES MERS ROUGES* Liliane Atlan. 1999-01-01 Cinq conteurs racontent, comme un conte, une longue histoire qui fut vraie : celle des Juifs de Salonique, dont il ne reste presque personne, et presque rien. Ils s'appuient sur les témoignages des survivants, sur les chansons d'amour venues de l'Espagne de l'âge d'Or, chantées pendant les longues années d'exil, jusque devant la porte des crématoires. Ils tentent de retrouver quelques éclats d'une parole étouffée dans les flammes. Ils veulent mettre en paix l'âme des disparus en retrouvant leurs dernières paroles.

**A Thirst for Wine and War** Adam D. Zientek. 2024-02-13 Beginning in the fall of 1914, every French soldier on the Western Front received a daily ration of wine from the army. At first it was a modest quarter litre, but by 1917 it had increased to the equivalent of a full bottle each day. The wine ration was intended to sustain morale in the trenches, making the men more willing to endure suffering and boredom. The army also supplied soldiers with doses of distilled alcohol just before attacks to increase their ferocity and fearlessness. This strategic distribution of alcohol was a defining feature of French soldiers' experiences of the war and amounted to an experimental policy of intoxicating soldiers for military ends. *A Thirst for Wine and War* explores the French army's emotional and behavioural conditioning of soldiers through the distribution of a mind-altering drug that was later hailed as one of the army's "fathers of victory." The daily wine ration arose from an unexpected set of factors including the demoralization of trench warfare, the wine industry's fear of losing its main consumers, and medical consensus about the benefits of wine drinking. The army's related practice of distributing distilled alcohol to embolden soldiers was a double-edged sword, as the men might become unruly. The army implemented regulations and surveillance networks to curb men's drinking behind the lines, in an attempt to ensure they only drank when it was useful to the war effort. When morale collapsed in spring 1917, the army lost control of this precarious system as drunken soldiers mutinied in the thousands. Discipline was restored only when the army regained command of soldiers' alcohol consumption. Drawing on a range of archives, personal narratives, and trench journals, *A Thirst for Wine and War* shows how the French army's intoxication of its soldiers constituted a unique exercise of biopower deployed on a mass scale.

*Six Authors in Captivity* Nicole Thatcher, Ethel Tolansky. 2006 This book examines the varied responses of six French authors to war, the French occupation and imprisonment. Jean Cassou was imprisoned as a member of a Resistance network and held incommunicado. During this time he composed sonnets in his head which he was able to publish later. Jean Cayrol's deportation to Mauthausen concentration camp as a result of his Resistance activities inspired his poems and novels. Madeleine Riffaud, aged only 18 in 1942, portrayed her Resistance experience, imprisonment and torture in her post-war prose and poems. A well-known literary critic and writer, Pierre-Henri Simon, composed poetry in his Stalag and wrote fiction after the war. Max Jacob, who died in Drancy, wrote poems and letters reflecting his personal views and feelings on the 'imprisonment' of the Occupation itself. Philippe Soupault was actively engaged in Resistance with the founding of Radio Tunis to combat the Italian Fascist station Radio Bari, broadcasting across the Mediterranean and North Africa. Imprisoned for these activities in 1942, he used poetry to keep a spirit of resistance alive. Each of these authors sought to maintain the spirit of the Resistance, bear witness to the times, and contribute to the future, using literature as their instrument.

**The Past in French History** Robert Gildea. 1996-01-01 This fascinating book examines how the past pervades French public life, how the French both commemorate their past triumphs, heroes, and martyrs and attempt to erase the more violent events in their history. The book surveys the ways that various political communities in France during the past two centuries have manufactured different versions of the past in order to define their identities and legitimate their goals. Beginning with a discussion of the bicentenary of the French Revolution in 1989, Robert Gildea moves backward in time to show how rival factions have used various elements of French political culture--from the grandeur of the ancien régime to Catholicism, Jacobinism, Anarchism, and Bonapartism--to further their ends. Gildea shows how proponents of revolution and counterrevolution, church and state, centralism and regionalism, and national identity and nationalism campaigned to achieve the widest possible acceptance of their own view of the past. He describes the continuing battle between Left and Right for association with national heroes such as Joan of Arc and Napoleon. He exposes the reworking of collective views of the past by political communities, in order to increase or recover political legitimacy. Written in clear and trenchant prose, the book offers a new perspective on French history and political culture.

**They Shall Not Pass** Ian Sumner. 2012-05-19 "Sumner's brilliant window onto the French army is a book I cannot recommend highly enough . . . Full of detail and mixed with vivid personal accounts."—War History Online This graphic collection of first-hand accounts sheds new light on the experiences of the French army during the Great War. It reveals in authentic detail the perceptions and emotions of soldiers and civilians who were caught up in the most destructive conflict the world had ever seen. Their testimony gives a striking insight into the mentality of the troops and their experience of combat, their emotional ties to their relatives at home, their opinions about their commanders and their fellow soldiers, the appalling conditions and dangers they endured, and their attitude to their German enemy. In their own words, in diaries, letters, reports and

memoirs—most of which have never been published in English before—they offer a fascinating inside view of the massive life-and-death struggle that took place on the Western Front. The author’s pioneering work will appeal to readers who may know something about the British and German armies on the Western Front, but little about the French army which bore the brunt of the fighting on the allied side. His book represents a milestone in publishing on the Great War. “An interesting, well-written and informative book which goes a long way to explaining why the French army mounted the staunch defense of its homeland that it did.”—Burton Mail “The text is skillfully put together and moves seamlessly from one voice to another while illuminating the flow of events that affected Frenchmen and women during the Great War.”—Stand To! The Western Front Association

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office.1979

*Gilded Youth* Kate Cambor.2009-08-04 An account of the end of France's Belle Époque era is presented from the perspectives of the son of writer Alphonse Daudet, the son of neurologist Jean-Martin Charcot, and the granddaughter of Victor Hugo, describing the social unrest that disrupted their lives.

*Political Violence and Democracy in Western Europe, 1918-1940* Kevin Passmore,Chris Millington.2015-07-16 The essays in this book concern manifestations of political violence in the democracies of interwar Europe. While research in this area usually focuses on the countries that fell to fascism, the authors demonstrate that violence remained a part of political competition in the democratic regimes of Western Europe too.

*World Literature Today* .1989

Women’s writing in contemporary France Gill Rye,Michael Worton.2018-07-30 This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. The 1990s witnessed an explosion in women’s writing in France, with a particularly exciting new generation of writer’s coming to the fore, such as Christine Angot, Marie Darrieussecq and Regine Detambel. Other authors such as Paule Constant, Sylvie Germain, Marie Redonnet and Leila Sebbar, who had begun publishing in the 1980s, claimed their mainstream status in the 1990s with new texts. The book provides an up-to-date introduction to an analysis of new women’s writing in contemporary France, including both new writers of the 1990s and their more established counter-parts. The editors’ incisive introduction situates these authors and their texts at the centre of the current trends and issues concerning French literary production today, whilst fifteen original essays focus on individual writers. The volume includes specialist bibliographies on each writer, incorporating English translations, major interviews, and key critical studies. Quotations are given in both French and English throughout. An invaluable study resource, this book is written in a clear and accessible style and will be of interest to the general reader as well as to students of all levels, to teachers of a wide range of courses on French culture, and to specialist researchers of French and Francophone literature.
