While you can search books, browse through the collection and even upload new creations, you can also share them on the social networking platforms. You won't find fiction here - like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that

enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. eBook Writing: This category includes topics like cookbooks, diet books, self-help, spirituality, and fiction. Likewise, if you are looking for a basic overview of a resume from complete book, you may get it here in one touch.
