Midnight Jewel Richelle Mead.2017-07-03 In the second installment of the bestselling Glittering Court series, Richelle Mead goes beyond the glitz and glamour, delving into the dark, political underbelly of their world through the eyes of one girl who dares to fight for her freedom. A refugee of war, Mira was cast out of her home country and thrust into another, where the conditions were inhospitable at best. In a life-altering twist of fate, she is given the chance to escape once more, and she takes it, joining the Glittering Court. For a select group of girls, the Glittering Court offers a shot at a life they've only ever dreamed of, one of luxury, glamour, and leisure. But for Mira, it means further persecution, not only from her fellow Glittering Court jewels, but from her suitors, as well--men she would potentially be expected to give her life to. By day, she goes through the motions, learning the etiquette and customs that will help to earn her anonymity, even making a couple true friends in the process, the forthright ladies' maid Adelaide and the ambitious laundress Tamsin. But by night, Mira hatches a different plan entirely--one that, if exposed, could get her hanged in the highest court of Adoria. Midnight Jewel is the extraordinary story of a girl with few options who courageously forges a new path, finding love, passion, lifelong friendships, and maybe even a way to freedom.

You Go First Erin Entrada Kelly.2018-04-10 Funny and poignant, Newbery Medalist and New York

Times bestseller Erin Entrada Kelly's national bestseller *You Go First* is an exploration of family, bullying, word games, art, and the ever-complicated world of middle school friendships. In a starred review, *School Library Journal* wrote that Erin Entrada Kelly can "capture moments of tween anguish with searing honesty." Twelve-year-old Charlotte Lockard and eleven-year-old Ben Boxer are separated by more than a thousand miles. On the surface, their lives seem vastly different—Charlotte lives near Philadelphia, Pennsylvania, while Ben is in the small town of Lanester, Louisiana. Charlotte wants to be a geologist and keeps a rock collection in her room. Ben is obsessed with Harry Potter, presidential history, and recycling. But the two have more in common than they think. They're both highly gifted. They're both experiencing family turmoil. And they both sit alone at lunch. During the course of one week, Charlotte and Ben—friends connected only by an online Scrabble game—will intersect in unexpected ways as they struggle to navigate the turmoil of middle school. The New York Times-bestselling novel *You Go First* reminds us that no matter how hard it is to keep our heads above troubled water, we never struggle alone. Newbery Medalist Erin Entrada Kelly writes with an authentic, humorous, and irresistible voice. This engaging and character-driven story about growing up and finding your place in the world is for fans of Rebecca Stead and Rita Williams-Garcia.

Together the unusual family find themselves in frankly improbable but very funny adventures involving bendy railings, double-barrelled shotguns, full-fat yoghurt and, always, a beard of bees.

When a mysterious figure presents William with a strange pyramid-shaped puzzle, it sets in motion a series of events that sends William on a wild ride from Norway to England to the Mariana Trench, the deepest part of the ocean. Along the way, he'll discover that some of the people he knows can no longer be trusted and that the Institute for Post-Human Research is hiding a dark secret. He'll also discover an ancient civilization hidden under the ocean and a giant, mechanical, teleportation octopus. And all the while the clock is ticking as William races to prevent the return of the man who wants to kill him and tries to solve the mystery of luridium.
