Dürer and Beyond Stijn Alsteens,Freyda Spira.2012 This exhibition is the first to offer an extensive overview of the Museum's holdings of early Central European drawings, many of which were acquired in the last two decades. An emphasis on works by later sixteenth- and seventeenth-century artists is balanced by a selection of German drawings from the fifteenth and earlier sixteenth century, of which some of the most exceptional ones--including works by Albrecht Dürer--entered the Museum with The Robert Lehman Collection in 1975.-- Publisher's website.

The Dare John Boyne.2012-01-31 At the start of his school holidays, Danny Delaney is looking forward to a trouble-free summer. But when his mother returns home one afternoon, flanked by two policemen, he knows that something terrible has happened. Mrs Delaney has accidentally hit a small boy with her car. The boy is in a coma at the local hospital and nobody knows if he will ever wake up. Consumed by guilt, Danny's mother closes herself off, while Danny and his father are left to pick up the pieces of their fractured family. Told in John Boyne's unique style from the point of view of a twelve-year-old boy, The Dare is a brilliantly compelling story about how one moment can change a family forever.

Home of the Brave Katherine Applegate.2014-12-23 Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter - cold and unkind.

In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means family in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. Home of the Brave is a 2008 Bank Street - Best Children's Book of the Year.

Learning Stories Margaret Carr, Wendy Lee. 2012-03-19 Margaret Carr's seminal work on Learning Stories was first published by SAGE in 2001, and this widely acclaimed approach to assessment has since gained a huge international following. In this new full-colour book, the authors outline the philosophy behind Learning Stories and refer to the latest findings from the research projects they have led with teachers on learning dispositions and learning power, to argue that Learning Stories can construct learner identities in early childhood settings and schools. By making the connection between sociocultural approaches to pedagogy and assessment, and narrative inquiry, this book contextualizes Learning Stories as a philosophical approach to education,

learning and pedagogy. Chapters explore how Learning Stories: - help make connections with families - support the inclusion of children and family voices - tell us stories about babies - allow children to dictate their own stories - can be used to revisit children's learning journeys - can contribute to teaching and learning wisdom This ground-breaking book expands on the concept of Learning Stories and includes examples from practice in both New Zealand and the UK. It outlines the philosophy behind this pedagogical tool for documenting how learning identities are constructed and shows, through research evidence, why the early years is such a critical time in the formation of learning dispositions. Margaret Carr is a Professor of Education at the University of Waikato, New Zealand. Wendy Lee is Director of the Educational Leadership Project, New Zealand.

That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It's up to Raphael, Gardo, and Rat—boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, *Trash* is a heart-pounding, breath-holding novel.
