American Taliban Pearl Abraham.2010-04-13 An avid, near-six-foot-tall surfer, John Jude Parish cuts a striking figure on the beaches of the Outer Banks in North Carolina. When he isn't on water, John lives on wheels, a self-described skate rat—grinding and kickflipping with his friends, and encouraged by his progressive parents. His hero is the great explorer Richard Burton, his personal prophet is Bob Dylan, and his world is wide open—to new ideas, philosophies, and religions. Through online forums and chat rooms, John meets a young woman from Brooklyn who spurs his interest in Islam and Arab literature. Deferring Brown University for a year, he moves to the idyllic New York borough to study Arabic. Like Burton, John embraces the experience heart, body, and soul—submitting to Islam, practicing the salaah, fasting and meditating, dancing with dervishes, and encountering the extraordinary. Burton lived the life of a nineteenth-century adventurer, but he also penetrated the ancient wisdom of secret worlds. John will too—with unforeseen consequences. Critically acclaimed novelist Pearl Abraham uses her gifts of psychological acuity and uncommon empathy to depict a typical upper-middle-class family snared by the forces of history, politics, and faith. Provocative, unsettling, and written in a brilliantly inventive, refreshingly original voice, *American Taliban* is poised to become one of the most talked-about novels of the year.

To Dance with the White Dog Terry Kay.2002-07 Left alone when his wife of fifty-seven years dies suddenly, Sam Peek begins telling his worried children of a beautiful white dog that only he can see, in a tale of life, loss, mystery, and hope.

The Wedding Nicholas Sparks.2003-09-09 In this stunning New York Times bestselling follow-up to *The Notebook*, a hardworking but distant husband vows to win back the love of his life by looking to Noah and Allie's legendary romance. After thirty years, Wilson Lewis is forced to face a painful truth: the romance has gone out of his marriage. His wife, Jane, has fallen out of love with him, and it is entirely his fault. Despite the shining example of his in-laws, Noah and Allie Calhoun, and their fifty-year love affair, Wilson himself is a man unable to express his true feelings. He has spent too little time at home and too much at the office, leaving the responsibility of raising their children to Jane. Now his daughter is about to marry, and his wife is thinking about leaving him. But if Wilson is sure of anything, it is this: His love for Jane has only grown over the

years, and he will do everything he can to save their marriage. With the memories of Noah and Allie's inspiring life together as his guide, he vows to find a way to make his wife fall in love with him...all over again. In this powerfully moving tale of love lost, rediscovered, and renewed, Nicholas Sparks once again brings readers his unique insight into the only emotion that ultimately really matters.

The Kiss Danielle Steel.2009-02-25 In her 53rd bestselling novel, Danielle Steel explores how a single shattering moment can change lives forever. The Kiss is at once a moving testament to the fragility of life and a breathtaking story about the power of love to heal, to free, to transform, and to make broken spirits whole. On a warm June evening, a red double-decker bus, full of passengers, speeds down a London street. A few blocks away, a man and a woman climb into a limousine, reveling in a magical evening of dancing and champagne. As their driver pulls into an intersection, the couple shares their first, searching kiss. For a moment, etched in time, all stands still—until, in a flash of metal and glass, their limousine is struck at full speed, crushed under the bus's tremendous weight. And a long journey begins—toward healing, toward hope, toward dreams of an infinite future... Isabelle Forrester is the exquisite wife of a prominent Parisian banker who has long since shut her out of his heart. For lonely years, Isabelle has lived a life of isolation, pouring her passions into caring for her desperately ill son, Teddy, and into making their Paris home as happy as possible for her teenage daughter, Sophie. Isabelle allows herself one secret pleasure: a long-distance friendship by telephone with an American man, a Washington power broker who travels in the highest circles of politics and who, like Isabelle, is trapped in an empty marriage. To Bill Robinson, Isabelle is a godsend, a woman of extraordinary beauty and intellectual curiosity—a kindred spirit who touches him across the miles with her warmth and gentle empathy. Their relationship is a gift, a lifeline that sustains them both through the heartache of marriages they cannot leave and will not betray. Agreeing to meet for a few precious, innocent days in London, Isabelle and Bill find their friendship changing. Then, amidst the sudden crash of steel against steel, they are thrust onto a new path, a path fraught with pain but also with possibility. Now, inside the cool, sterile wards of a London hospital, Isabelle and Bill cling to life, their bodies shattered almost beyond repair. In the days and weeks that follow, they slowly, painfully traverse a road to recovery littered with challenges of the body, spirit, and heart. Together, they must find the strength not only to embrace life again but to face what they have left behind. For Isabelle, a loveless marriage turns into a brutal power struggle. For Bill, a time of healing exposes wounds that cut deeper than steel and realities that will test him to his core. For both, a tangle of changing relationships and the tragedy of another loss conspire to separate them once again. And this time they could lose each other forever. In a novel that is as compelling as it is compassionate, Danielle Steel weaves a story of courage in the face of unimaginable loss. With the grace of a master storyteller, she explores the strength it takes to conquer our greatest fears, showing us how the toughest choices can yield the most unexpected rewards...and how the longest, most winding journeys can begin with a single kiss.
