How To Become Supernatural Man, The Universe and Cosmic Mystery is an exploration of the universe and man's place in it. Rodney Collin examines 20th-century scientific discoveries and traditional esoteric teachings and concludes that the driving force behind everything is neither procreation nor survival, but expansion of awareness. The Brotherhood of the Common Life and Its Influence Ross Fuller.1995-03-09 This book presents a lost tradition of inner work, the way of the householder, which was believed by the Brotherhood of Common Life to have been the teaching of the Apostles. It focuses on the emergence, amidst the decay of medieval culture, of [the mixed life,] this reconciliation of action and contemplation, as the essential link between Catholic spirituality and Protestantism. The transmission of this work to lay persons seeking the interior dimensions of their lives without withdrawing from the world is presented. The hitherto monastic spiritual exercises for strengthening attention are discussed in depth. The traditional and vital Christian knowledge of the human condition, which the Brothers and Sisters verified for themselves, is emphasized, especially the crucial significance of the force of attention in the recollection of oneself and God. The importance of strengthening attentive awareness is everywhere alluded to in the sources, but virtually ignored in current accounts of the Christian heritage. The book traces a transmission of spiritual exercises supported by a strongpsychological base that is strangely familiar to the climate of today's search for meaning.

Real Influence Mark Goulston, John Ullmen. 2013-01-02 Authentic influence is about more than creating a strong initial connection--it's about sustaining professional relationships long after an agreement has been reached. When others sense they are being pushed, their guard goes up. In business interactions, even if the person you are pitching to does comply with your requests, lingering resentment may undermine the relationship forever. So why do most books on influence still portray it as something you do to someone else to get your way? Based on their commitment to listening, genuine engagement, and the pursuit of win-win outcomes, doctors and authors Mark Goulston and John Ullmen share a new method that business leaders can utilize to persuade others. In *Real Influence*, Goulston and Ullmen teach you how to: examine priorities, learn about the needs of key players, earn others' attention, motivate others to hear more, and add value with question and actions. Outdated approaches that portray influence as a means to get your way invites resistance and cynicism from those who recognize the techniques. Manipulative tactics fail to produce the mutual trust that sustains successful relationships. Complete with examples of the steps in action and insights from real-world "power influencers," *Real Influence* is a one-of-a-kind guide that showcases how being straight with everyone means winning for all.

THE INVESTMENT OF INFLUENCE A STUDY OF SOCIAL SYMPATHY AND SERVICE NEWELL DWIGHT HILLIS. 1902-01-01 The glory of our fathers was their emphasis of the principle of self-care and self-culture. Finding that he who first made the most of himself was best fitted to make something of others, the teachers of yesterday unceasingly plied men with motives of personal responsibility. Influenced by the former generation, our age has organized the principle of individualism into its home, its school, its market-place and forum. By reason of the increase in gold, books, travel and personal luxuries, some now feel that selfness is beginning to degenerate into selfishness. The time, therefore, seems to have fully come when the principle of self-care should receive its complement through the principle of care for others. These chapters assert the debt of wealth to poverty, the debt of wisdom to ignorance, the debt of strength to weakness. If A Man's Value to Society affirms the duty of self-culture and character, these studies emphasize the law of social sympathy and social service.
