**Ethics and Sport in Europe** Dominique Bodin, Gaelle Sempé. 2011-01-01 Defending ethics in sport is vital in order to combat the problems of corruption, violence, drugs, extremism and other forms of discrimination it is currently facing. Sport reflects nothing more and nothing less than the societies in which it takes place. However, if sport is to continue to bring benefits for individuals and societies, it cannot afford to neglect its ethical values or ignore these scourges. The major role of the Council of Europe and the Enlarged Partial Agreement on Sport (EPAS) in addressing the new challenges to sports ethics was confirmed by the 11th Council of Europe Conference of Ministers responsible for Sport, held in Athens on 11 and 12 December 2008. A political impetus was given on 16 June 2010 by the Committee of Ministers, with the adoption of an updated version of the Code of Sports Ethics (Recommendation CM/Rec(2010)9), emphasising the requisite co-ordination between governments and sports organisations. The EPAS prepared the ministerial conference and stepped up its work in an international conference organised with the University of Rennes, which was attended by political leaders, athletes, researchers and officials from the voluntary sector. The key experiences described in the conference and the thoughts that it prompted are described in this publication. All the writers share the concern that the end result should be practical action - particularly in terms of the setting of standards - that falls within the remit of the EPAS and promotes the Council of Europe's core values.

**Blue White Red** Alain Mabanckou. 2013-02-21 "Mabanckou dazzles with technical dexterity and emotional depth" in his debut novel, winner of the Grand Prix Littéraire de l'Afrique Noire (Publishers Weekly, starred review). This tale of wild adventure reveals the dashed hopes of Africans living between worlds. When Moki returns to his village from France wearing designer clothes and affecting all the manners of a Frenchman, Massala-Massala, who lives the life of a humble peanut farmer after giving up his studies, begins to dream of following in Moki's footsteps. Together, the two take wing for Paris, where Massala-Massala finds himself a part of an underworld of out-of-work undocumented immigrants. After a botched attempt to sell metro passes purchased with a stolen checkbook, he winds up in jail and is deported. *Blue White Red* is a novel of postcolonial Africa where young people born into poverty dream of making it big in the cities of their former colonial masters. Alain Mabanckou's searing commentary on the lives of Africans in France is cut with the parody of African villagers who boast of a son in the country of Digol. Praise for Alain Mabanckou and *Blue White Red* "Mabanckou counts as one of the most successful voices of young African literature." —Internationales Literaturfestival Berlin "The African Beckett." —The Economist "Blue White Red stands at the beginning of the author's remarkable and multifaceted career as a novelist, essayist and poet . . . this debut novel shows much of his style and substance in remarkable ways . . . Dundy's translation is excellent." —Africa Book Club "Mabanckou's provocative novel probes the many facets of the 'migration adventure.'" —Booklist

*The Age of International Radio* Elżbieta M. Olechowska.2007 A significant contribution to our understanding of the role of media in the shaping of our age! International radio has been a very significant instrument in the evolution of media and as an instrument of foreign policy for many nations. It has also undergone major transformations over the past 50 or more years. Every major political power, many countries around the world, and many other quasi-national bodies and organisations, such as the Vatican, have used international radio to get their messages disseminated internationally. THE AGE OF INTERNATIONAL RADIO examines the many players, organisations and national agencies which have been active in the arena of international radio. The volume unravels the many transformations and evolutions of international radio and focuses on Radio Canada International, RCI, which has been one of the prime players in the field. The intent of the volume, as the author states, is ...through a discussion of successive comparative and internal program evaluations, to reveal, if not a full picture, at least a reasonable glimpse of the output of RCI and several international broadcast organizations during the last two decades.

**Être photojournaliste aujourd'hui** Fabienne Gay Jacob Vial.2016-01-14 Si le photojournalisme évoque photographies de guerre et reportages dans les zones de conflits, il ne se résume pas à cela. Documenter la société et produire de l'information sur des sujets variés pour la presse régionale ou les entreprises permet aujourd'hui à de nombreux photographes de vivre de leur métier et de financer des projets plus personnels, encore faut-il qu'ils parviennent à toucher les commanditaires et à construire leurs sujets. L'auteur fait le point sur les pratiques actuelles du métier : où et comment se former, identifier et atteindre les diffuseurs, financer et présenter un projet... Les très nombreux témoignages aident, en outre, à mieux cerner les problématiques rencontrées par les acteurs du milieu, qu'ils soient photojournalistes, formateurs ou diffuseurs, et à trouver des pistes pour évoluer dans cette discipline.
