Razón y responsabilidad. Homenaje a Rosemary Rizo-Patrón de Lerner Germán Vargas Guillén, Mariana Chu García. 2022-02-02 Su obra gira en torno de la fenomenología husserliana y su proyecto fundacional. La interpretación que Rizo-Patrón hace de ese proyecto muestra que los actos de la razón teórico-cognitiva, axiológico-emotiva y práctico-volitiva tienden a la evidencia y son inseparables del concepto de responsabilidad. Bajo el título Razón y responsabilidad, los editores de este volumen reúnen los trabajos de diecinueve especialistas que rinden homenaje a la vida y obra de Rizo-Patrón, agrupándolos en cuatro partes: La tarea de la razón, Reflexiones husserlianas, Lecturas y debates, y Resonancias.

Fenomenología de la vida afectiva Edmund Husserl, Moritz Geiger, Roberto Walton, Agustín Serrano de Haro, Rolf Kühn, Saulius Geniusas, Antonio Zirión Quijano, Ignacio Quepons, Andrea Scanziani, Mario Lipsitz, Sonja Rinofner-Kreidl, Ingrid Vendrell Ferran, Anthony Steinbock, Micaela Szeftel. ¿Qué son los sentimientos? ¿Puede la vida afectiva devenir tema de una reflexión fenomenológica? Más aun, ¿es ella accesible para la mirada humana en general? Desde sus comienzos, la filosofía fenomenológica ha dedicado grandes esfuerzos a hacer visible esta oscura y difícilmente aprehensible esfera de la vida humana. La presente compilación convoca a algunos de los especialistas más destacados en fenomenología a pensar en torno a la esfera emocional y a dialogar con los pensamientos de Edmund Husserl, Martin Heidegger, Max Scheler, Wilhelm Dilthey, Michel Henry, entre otros. Entre los valiosos aportes del volumen se destaca la traducción a cargo de Antonio Zirión Quijano, reconocido traductor de Husserl (Ideas I y II), de dos textos hasta ahora inéditos en castellano: el texto de Moritz Geiger "La conciencia de los sentimientos", que data de 1911, y la respuesta de Edmund Husserl. Los análisis sobre la estructura básica de la conciencia afectiva y su relación con otros modos de conciencia, pasando por su sitio entre la pasividad y la actividad, cobran un protagonismo especial en la obra. Asimismo, los estudios sobre la valoración, la voluntad y algunos sentimientos específicos como el dolor, el orgullo y la envidia constituyen una oportunidad para contemplar la descripción fenomenológica en todo su esplendor. Escriben Edmund Husserl - Moritz Geiger - Roberto Walton - Saulius Geniusas - Ignacio Quepons - Andrea Scanziani Mario Lipsitz - Agustín Serrano de Haro - Rolf Kühn Sonja Rinofner-Kreidl - Ingrid Vendrell Ferran - Anthony J. Steinbock - Antonio Zirión Quijano

Ciencia y enseñanza en algunas instituciones docentes murcianas, 1850-1936 Carlos López Fernández. 2002 Aborda esta obra la enseñanza de las ciencias en tres instituciones docentes fundadas en el siglo XIX: El Instituto Provincial de Segunda Enseñanza (1837), La Universidad Libre de Murcia (1869-1874) y la Escuela de Magisterio (1844), para cada una de ellas se estudian, contextualmente, los recursos materiales y didácticos anejos a las enseñanzas científicas, el profesorado de éstas, los libros de texto usados y las enseñanzas complementarias.

La Historia, lost in translation? Damián A. González, Manuel Ortiz Heras, Juan Sisinio Pérez Garzón. El área de Historia Contemporánea de la Universidad de Castilla - La Mancha organizó entre el 21 y el 23 de septiembre de 2016 la XIII edición del congreso bienal de la Asociación de Historia Contemporánea (AHC). La Historia, lost in translation? consolidó y sometió a discusión y debate treinta y tres paneles, dirigidos por noventa y un coordinadores, que sumaron un total de cuatrocientos doce textos elaborados por cuatrocientos cincuenta y dos congresistas de diferentes nacionalidades. Estas actas recogen los resultados de treinta y uno de esos talleres, y doscientas ochenta y seis investigaciones. Después de trece ediciones, el proyecto bienal de congresos de la Asociación de Historia Contemporánea (AHC) puede considerarse un referente como pocos de la investigación, la producción de conocimiento científico y su divulgación. Un éxito que debe ser alabado en la dimensión colectiva de un acontecimiento académico al que han contribuido el buen hacer de los organizadores de las ediciones precedentes, el trabajo continuado de la Asociación -desde sus órganos de dirección al último de los socios-, y el esfuerzo siempre generoso de quienes a lo largo de todos estos años han participado con sus investigaciones y conocimientos. Los comunicantes son y han sido el verdadero sostén de nuestros congresos, lo que les convierte en acreedores de este minúsculo reconocimiento por contribuir a hacer un poco mejor cada vez nuestra disciplina.

Handbook of Middle American Indians, Volume 16 Margaret A.L. Harrison. 1976-03-01 The publication of Volume 16 of this distinguished series brings to a close one of the largest research and documentation projects ever undertaken on the Middle American Indians. Since the publication of Volume 1 in 1964, the Handbook of Middle American Indians has provided the most complete information on every aspect of indigenous culture, including natural environment, archaeology, linguistics, social anthropology, physical anthropology, ethnology, and ethnohistory. Culminating this massive project is Volume 16, divided into two parts. Part I, Sources Cited, by Margaret A. L. Harrison, is a listing in alphabetical order of all the bibliographical entries cited in Volumes 1-11. (Volumes 12-15, comprising the Guide to Ethnohistorical Sources, have not been included, because they stand apart in subject matter and contain or constitute independent bibliographical material.) Part II, Location of Artifacts Illustrated, by Marjorie S. Zengel, details the location (at the time of original publication) of the owner of each pre-Columbian American artifact illustrated in Volumes 1-11 of the Handbook, as well as the size and the catalog, accession, and/or inventory number that the owner assigns to the object. The two parts of Volume 16 provide a convenient and useful reference to material found in the earlier volumes. The Handbook of Middle American Indians was assembled and edited at the Middle American Research Institute of Tulane University with the assistance of grants from the National Science Foundation and under the sponsorship of the National Research Council Committee on Latin American Anthropology.

Evita frente al espejo Marcelo Marino. 2022-12-01 Eva Perón, una de las personalidades más fascinantes de la historia argentina, también es un ícono en la historia de la moda. El estilo de Evita es inconfundible y se fue desarrollando en cada una de las etapas de su corta pero intensa vida artística y política. Explorar el vínculo entre Eva y la moda es entender una parte fundamental de la construcción de su mito. En sus diversos capítulos, Evita frente al espejo repasa los vínculos con el diseñador Paco Jaumandreu, la extraordinaria gira por Europa de 1947 y la fortuna de la colección de trajes populares españoles que le fueron obsequiados en esa ocasión. Eva estuvo en el centro del surgimiento y de la expansión de la alta costura luego de la Segunda Guerra Mundial y fue cliente especial de diseñadores como Christian Dior, Jacques Fath o el zapatero Salvatore Ferragamo. Esta vinculación con el lujo, las ropas, las joyas y los accesorios ha sido vista por sus detractores como una contradicción frente a su discurso y acción social pero en escasas ocasiones se la ha valorado en el contexto del sistema de la moda del momento. Eva y su entorno hicieron un notable uso político y comunicacional de la moda. Este volumen transita también la complejidad de las relaciones entre la apariencia, el discurso peronista y la figura del descamisado, junto con la construcción de la imagen pública de Eva.

The Motion Demon Stefan Grabiński. 2013-12-12 Macabre trains and maverick railwaymen inhabit the world of THE MOTION DEMON, a translation of the highly-original short story collection from the pen of Stefan Grabinski, first published in 1919. Sometimes called the Polish Poe or the Polish Lovecraft, Grabinski is a unique voice in fantastique literature who crafted his own style and addressed themes that no other horror/fantasy writer at the time was exploring. Grabinski's work was largely ignored in his native country during his life, but in recent times there has been growing international interest in this writer, with notable voices, such as author China Mieville, proclaiming him a master of horror/fantasy. Translator Miroslaw Lipinski introduced the writings of Stefan Grabinski to English-speaking readership, first with translations in the small press, and then with the short story collections THE DARK DOMAIN (1993), THE MOTION DEMON (2005) and ON THE HILL OF ROSES (2012). Of Polish ancestry and British-birth, Lipinski resides in New York. He is currently working on a mammoth volume of Grabinski stories for Centipede Press' Masters of the Weird Tale series.

Manuel Lugrís Freire do texto ao escenario Manuel F. Vieites. 2006 Mais a análise non se limita ao estudo do contexto dramático e teatral, en Galicia ou en Europa, tamén se propón unha lectura en clave actual dos textos de Lugrís. Faise o camiño que leva da páxina impresa ao escenario, que se concreta na creación de espectáculos, analizando os procesos que facilitan que en calquera tempo e lugar un grupo de persoas poidan crear un espectáculo, finalidade para a que os textos de Lugrís, hoxe coma onte, poden ser un excelente pretexto. Elaborado desde a Escola Superior de Arte Dramática de Galicia, o volume tamén quere ser unha homenaxe desa institución á figura de Lugrís Freire e unha defensa da nosa memoria histórica

no campo dramático e teatral.

The Grid and the Park Adrián Gorelik.2022-01-18 Since its publication in Spanish in 1998, *The Grid and the Park* not only revitalized studies on the history of Buenos Aires, but also laid the foundation for a specific type of cultural work on the city -an urban perspective for cultural history, as its author would describe it- that has had a sustained impact in Latin America. Public space, embodied in the grid of city blocks and the park system, here appears as a particularly productive category because it encompasses dimensions of the material city, politics, and culture, which are usually studied separately. From Domingo Faustino Sarmiento's figurations of Palermo Park in the mid-nineteenth century to Jorge Luis Borges's discovery of the suburb in the 1920s; from the modernization of the traditional center carried out by Mayor Torcuato de Alvear in the 1880s to the questioning of that centrality by the emergence of the suburban barrio, the book weaves the changing ideas on public space with urban culture to produce a new history of the metropolitan expansion of Buenos Aires, one of the most extensive and dynamic urban centers of the early twentieth century.

Articular lo simple Ángel Xolocotzi Yáñez.2022-03-07 Articular lo simple puede resumir la búsqueda que Martin Heidegger llevó a cabo a través de una vida de trabajo filosófico. El conjunto de los aportes aquí reunidos busca seguir tal camino a partir de tres ejes centrales: el lenguaje, el cuerpo y la técnica. No se trata de temas aislados, sino de un nudo problemático que de una u otra manera atañe a todo ser humano. Un nudo cuya complejidad el autor no esquiva, sino que busca comprender desde el mismo itinerario pensante del filósofo de la Selva Negra.

Morfología del Infinito Fernández Castela, Pedro.2023-10-27 De acuerdo con uno de los presupuestos más arraigados en el pensamiento occidental se suele dar por hecho que la condición de criatura es constitutivamente finita y que sólo en virtud de esa finitud metafísica se puede concebir su diferencia ontológica respecto de la infinitud absoluta de Dios. Dios es infinito. La creación no. Y si algo de infinitud hubiese en lo no divino sería únicamente bajo la forma de apertura, capacidad o inclinación hacia la divinidad infinita. Sólo en Dios hallaríamos un infinito actual. En la criatura, si la infinitud comparece, lo haría únicamente como infinitud potencial. Por eso, los grandes teólogos del s. XX son prácticamente unánimes en conceder a la finitud la base evidente sobre la que, a continuación, desarrollan cómo la criatura es capax Dei, pero siempre —según ellos— manteniendo su finitud estructural. Este libro cuestiona y contradice este planteamiento. Lo cuestiona señalando sus aporías escatológicas en relación con el problema del mal y la salvación. Y lo contradice ofreciendo una estructura filosófica alternativa —en diálogo con M. Cababa, Torres Queiruga, B. Pascal y G. Cantor— que tiene en su centro lo que Jean Terrason nombró como infinito creado actual. El lector encontrará en estas páginas un nuevo fundamento filosófico para una antropología teológica todavía por hacer.

Sobre el colorido de la vida y la fenomenología de lo inefable Antonio Ziri3n Quijano.2024-03-10 Este libro presenta los textos de una de las investigaciones fenomenológicas más originales que se han desarrollado en nuestra lengua: la investigaci3n del colorido o la estampa de la vida, iniciada hace m3s de dos d3cadas por Antonio Ziri3n Quijano. A pesar del tiempo transcurrido, su autor presenta todav3a hoy estos textos m3s como la introducci3n a una obra por venir —acerca de la fenomenolog3a de la vida en concreci3n— que como la compilaci3n de unos resultados definitivos. La voluntad de atrapar el elusivo fen3meno del colorido de la vida se vio obligada a cambiar el rumbo a medio camino, pero ha podido alcanzar, en una peculiar fenomenolog3a del lenguaje, la constataci3n de su inefabilidad. Textos dedicados a otros temas no del todo laterales —el lenguaje de la fenomenolog3a, la pr3ctica del enfocamiento (focusing), la fenomenolog3a de la afectividad, la propuesta de una pausa generadora de confianza— acompa3an a los escritos principales. Un nuevo ensayo final expone las respuestas de su autor a los comentarios y a las cr3ticas que han recibido sus tesis, as3 como sus 3ltimas ideas y posiciones sobre esta tem3tica. Si bien en los escritos de Edmund Husserl no se encuentra identificado este peculiar fen3meno de la estampa de la vida, las investigaciones de este libro se confiesan deudoras de su m3todo de trabajo y pretenden estar en consonancia completa con su fenomenolog3a.

The Ironic Game Harold C. Knutson.1966

Pioneras de la medicina mexicana en la UNAM Castañeda López, Gabriela,Rodr3guez De Romo, Ana Cecilia.2011-01-01 Este Libro es un an3lisis minucioso de las primeras m3dicas graduadas en la entonces Universidad Nacional de M3xico. Esta investigaci3n persigui3 localizar y estudiar en su fase de estudiantes, a las pioneras de la medicina en M3xico.Mucho se ha especulado acerca de las primeras m3dicas mexicanas, pero con certeza nadie hab3a precisado cuantas y quienes fueron, revisando su desempe3o y examinando los problemas con los que se vieron confrontadas hasta la obtenci3n de su t3tulo.

National Union Catalog .1979 Includes entries for maps and atlases.

El postimpresionismo John Rewald.1999 En febrero de 1886 Vicent van Gogh llega a un Par3s zarandeando por la aparici3n de nuevas corrientes pol3ticas, literarias y art3sticas. En el mismo a3o que Georges Seurat termina su grande Jatte y Jean Mor3as hace p3blico su Manifeste du Symbolisme. Esos momentos marcan el inicio del periodo postimpresionista, que John Rewald sit3a entre ese a3o y 1893, cuando Gauguin, regresa de su primera estancia en Tahit3. Rewald centra su estudio en las figuras de Seurat, van Gogh y Gauguin, aunque son muchos los pintores cuya obra se recoge y analiza en este volumen: entre ellos est3n Bernard y Laval (del grupo de Pont-Aven), los neoimpresionistas Signac y Pissarro, y los simbolistas Redon y Moreau. La impresionante cantidad de documentaci3n manejada por el autor en este EL POSTIMPRESIONISMO. DE VAN GOGH A GAUGUIN, entre la que no es infrecuente la propia voz de los artistas a trav3s de sus cartas y otros testimonios, est3 perfectamente integrada en un relato cronol3gico de apasionante lectura, y el fino an3lisis cr3tico del gran especialista fluyen con espontaneidad dentro de la reconstrucci3n hist3rica m3s rigurosa que se haya realizado del per3odo. En la amplia obra cr3tica de John Rewald destacan su c3lebre History of Impressionism, el cat3logo de la obra de Seurat y las biograf3as de C3zanne, Pissarro y otros. Ha publicado asimismo las cartas de Gauguin, C3zanne y Pissarro, y es autor de innumerables art3culos sobre los impresionistas y sus continuadores.

The New Yearbook for Phenomenology and Phenomenological Philosophy Burt C. Hopkins,John J. Drummond.2022-10-17 Volume XX Special Issue: Phenomenology in the Hispanic World, 2022 Aim and Scope: The New Yearbook for Phenomenology and Phenomenological Philosophy provides an annual international forum for phenomenological research in the spirit of Husserl's groundbreaking work and the extension of this work by such figures as Scheler, Heidegger, Sartre, Levinas, Merleau-Ponty and Gadamer. Contributors: Gabriele Baratelli, Jethro Bravo Gonz3lez, Mariana Chu Garc3a, Jes3s M. D3az 3lvarez, No3 Exp3sito Roper3, Jos3 Gaos y Gonz3lez Pola, Miguel Garc3a-Bar3, Richard F. Hasing, Rosemary R.P. Lerner, Jethro Mas3s, Ernesto Mayz Vallenilla, Luis Niel, Jos3 Ortega y Gasset, Sergio P3rez-Gatica, Jorge Portilla, Ignacio Quepons, Luis Rom3n Rabanaque, Alfonso Reyes Ochoa, Francisco Romero, Javier San Mart3n, Agust3n Serrano de Haro, Luis Villoro, Roberto J. Walton, Joaqu3n Xirau Palau, Antonio Ziri3n Quijano. Submissions: Manuscripts, prepared for blind review, should be submitted to the Editors (burt-crowell.hopkins@univ-lille3.fr and drummond@fordham.edu) electronically via e-mail attachments.

Mexican Literature David William Foster.2010-07-22 Mexico has a rich literary heritage that extends back over centuries to the Aztec and Mayan civilizations. This major reference work surveys more than five hundred years of Mexican literature from a sociocultural perspective. More than merely a catalog of names and titles, it examines in detail the literary phenomena that constitute Mexico's most significant and original contributions to literature. Recognizing that no one scholar can authoritatively cover so much territory, David William Foster has assembled a group of specialists, some of them younger scholars who write from emerging trends in Latin American and Mexican literary scholarship. The topics they discuss include pre-Columbian indigenous writing (Joanna O'Connell), Colonial literature (Lee H. Dowling), Romanticism (Margarita Vargas), nineteenth-century prose fiction (Mario Mart3n Flores), Modernism (Bart L. Lewis), major twentieth-century genres (narrative, Lanin A. Gyurko; poetry, Adriana Garc3a; theater, Kirsten F. Nigro), the essay (Martin S. Stabb), literary criticism (Daniel Altamiranda), and literary journals (Luis Pe3a). Each essay offers

detailed analysis of significant issues and major texts and includes an annotated bibliography of important critical sources and reference works. *Fenomenología de la sorpresa* Natalie Depraz. Las sorpresas están omnipresentes en nuestras vidas. Son una especie de mini sobresaltos, micro tomas de conciencia que nos sacan del orden, de la rutina, de la costumbre o del aburrimiento. Nos convierten en personas sin pretensiones, abiertas, que asumen el riesgo de no saber, de perderse, de ser privadas de nuestras seguridades, de colapsar en nuestro centro más íntimo. La sorpresa, pequeña o grande, nos enfrenta a lo incomprensible e impone la ausencia de sentido, aunque signifique arrebato, vértigo, desesperación. Pero lo realmente sorprendente es que la sorpresa es una cuestión que apenas ha requerido la atención de la Filosofía. Demasiado ordinaria, demasiado anecdótica: mínima. ¿Acaso la pone a prueba? ¿La baja de su pedestal? Natalie Depraz presenta una hipótesis: la sorpresa, lejos de estar reservada al sujeto (sorprendido) o limitada al objeto (sorprendente), radica en una dinámica. No es sólo un instante sino un proceso, inscripto en el tiempo, su hilo conductor. Esta dinámica, apoyada en sus estructuras vivenciales, la atención y la emoción, le confiere un contenido filosófico específico, que la autora despeja con gran maestría y lucidez. El sujeto "cardial" es un nuevo centro para pensar la unidad de la experiencia del sujeto. La sorpresa, la atención y la emoción forman parte de nuestra cotidianeidad de tal manera que las damos por sentadas, no cuestionamos su importancia. Pero este libro pretende hacer tomar conciencia de que la sorpresa constituye una cuestión fundamental. La sorpresa nos hace salir de nosotros mismos, obligándonos a enfrentar la alteridad. La del otro, por supuesto, pero también la de ese otro más íntimo al que, a menudo, sólo conocemos muy poco... Alteridad que es precisamente la de nuestro propio ser temporal -en parte ya transcurrido-, pero sobre todo, el que en todo momento está por llegar: el futuro

Narradores murcianos de antaño (1595-1936) Ramón Jiménez Madrid.1990

Perfil y muestra del teatro de la Revolución Mexicana Marcela del Río.1997 Marcela del Río Reyes selecciona Para este libro textos escritos por dramaturgos nacidos en el siglo XIX que alcanzaron a vivir el proceso revolucionario y por autores que nacieron antes de 1915; presenta una breve descripción histórica de México durante las cuatro décadas que abarcan los años de lucha armada, así como los periodos previo y posterior a la Revolución.

Guía Comares de Husserl Agustín Serrano de Haro.

CUATRO ALOCUCIONES SOBRE EL CUERPO: ENTRE EL CUERPO EXPANDIDO Y EL MUNDO DE LA VIDA Rosario Neuman Lorenzini.2021-11-17

Breve historia del cuento mexicano Luis Leal.2021-03-04 A partir de un análisis profundo del proceso histórico y el contexto social de los cuales emergió el cuento mexicano, el autor hace el recuento de un proceso evolutivo que va desde los orígenes del género, el cual hunde sus raíces en las culturas prehispánicas, hasta los principales autores contemporáneos, cuya actividad requería solventar la dicotomía entre su estética particular y el contexto, con el fin de construir una identidad nacional.

Por que existem violências no mundo? Estudo teórico e prático Odete Maria de Oliveira, Maria Luiza Roman Folle.2021-05-20 Cada sociedade é violenta pelo seu próprio modo. Trata-se de fenômeno pluralizado em todos os lugares e em diferentes tipologias. Ostentando vida própria, mobiliza-se no jogo dos arranjos de sua coexistência com o poder. Não se trata de um objeto. Tampouco de um lugar. Mas, de fenômeno exercido e que por si só se exerce. Tomando múltiplas formas, a todos podendo atingir. O que estrutura o milenar fenômeno de agressões e brutalidades, destruições e mortes? Por que esse eterno temor e mal supremo em si mesmo se conduz sem limites? Por que permanece intocável e imutável, prosseguindo sem solução? O estudo revela que a rigidez compacta e onipresente do fenômeno o mantém embutido e incrustado nos sistemas das sociedades e de suas práticas cotidianas. Como se construído com argamassa de densa cimentação e assim fosse eternamente concretado - dia após dia, camada por camada, piso sobre piso. Nesse perpetuar, o seu processo foi banalizando-se e após se glorificando, demonstrando que as violências existem no mundo e dentro dos indivíduos.

Diario 1887-1910 André Gide.2021-03-25 Primera entrega de la edición en cuatro volúmenes del monumental Diario de André Gide, considerado su obra cumbre. Se ha dicho que el Diario de André Gide llevó el género de la literatura íntima a su máxima expresión, y no cabe duda de que esta crónica pormenorizada de sus días nos abre la puerta a la vida pública y privada de una figura central de la cultura francesa y europea del siglo XX. En sus páginas aparecen las numerosas y a menudo contradictorias facetas del autor: su educación protestante, su acercamiento al catolicismo, su rechazo posterior de ambos, su matrimonio sin consumar con su prima Madelaine, la reivindicación de homosexualidad y sus opiniones políticas, incluida su crítica al estalinismo y su oposición a la intervención colonial francesa en África. Esta primera entrega, que comienza por las entradas escritas a los dieciocho años de edad, es también un documento de la educación sentimental e intelectual de Gide, en el que el escritor en ciernes va dejando constancia de sus afinidades y afiliaciones artísticas hasta escribir sus primeros libros importantes. -Esta obra ha recibido una ayuda a la edición del Ministerio de Cultura y Deporte.- Acerca de la obra: «La reciente edición de los diarios de André Gide en Debolsillo es otro de los acontecimientos editoriales con sabor francés.» El Confidencial «Es una excelente noticia que la editorial Debolsillo haya decidido publicar íntegramente dichos diarios [...] de la mano del crítico y editor Ignacio Echevarría, autor del excelente estudio introductorio que acompaña cada volumen.» Anna Caballé, Babelia «Mi gusto por Gide se redobla al leer su Diario.» Albert Camus «El Journal de Gide cuenta la historia de alguien que se pasó la vida buscando realizar su obra maestra y no la logró. O tal vez sí, tal vez sí la logró, y su obra maestra sería entonces paradójicamente ese Journal que iba reflejando la búsqueda de su obra cumbre.» Enrique Vila-Matas «Obra y Vida: el Journal, que algunos consideraban la obra cumbre de Gide, la más completa, la más perdurable, está en el centro de esa encrucijada.» Laura Freixas «Nunca hay que leer las frases del diario de Gide como si fuesen simples constataciones, aun cuando estén en indicativo: son deseos, plegarias, órdenes, himnos, remordimientos, inculpaciones.» Jean-Paul Sartre «El Diario está escrito mucho más como un diálogo que como un monólogo. Es menos una confesión que el relato de un alma que se busca, se responde, conversa consigo misma.» Roland Barthes «Lo que tiene lugar en el Diario, considerado en su conjunto, lo que en definitiva lo sostiene y cohesiona, viene a ser lo que cabe entender por una épica de la sinceridad. La ardua conquista de una expresión cabal, verdadera y honesta de sí mismo.» Ignacio Echevarría «Una obra de arte [...], una creación.» Georges Simenon

Concepción Gimeno De Flaquer (1850-1919): Cartas, cuentos cortos y artículos periodísticos Ana Isabel Simón Alegre.2023-09-26

Concepción Gimeno de Flaquer (Alcañiz, 1850-Buenos Aires, 1919) fue una periodista y editora española que dedicó su vida al mundo de las letras. Fue, además de escritora, una apasionada viajera en una época en la que cruzar el Atlántico no era una tarea fácil. En sus viajes transatlánticos puso en marcha y participó en numerosas tertulias y se dedicó a dirigir periódicos, escribir novelas, cuentos cortos, cartas, ensayos, críticas de teatro, artículos de opinión y columnas de sociedad en diferentes periódicos. En este libro se explora cómo en la trayectoria vital y profesional de Concepción Gimeno de Flaquer quedó entrelazado su proyecto político literario en el que el activismo feminista jugaría un importante papel. Esta edición anotada contribuye a las investigaciones previas sobre Gimeno de Flaquer analizando una colección de textos que no se han estudiado aún en detalle. 'Concepción Gimeno De Flaquer (1850-1919): Cartas, cuentos cortos y artículos periodísticos' incluye diez cartas que Concepción Gimeno escribió al actor y empresario teatral Manuel Catalina y Rodríguez (1820-1886), siete cuentos y una selección de diecisiete de sus artículos periodísticos más representativos.

Idea of a New General History of North America Lorenzo Boturini Benaduci.2015-11-03 A Spaniard originally from Italy, the polymath Lorenzo Boturini Benaduci (1702-1753), known as Boturini, traveled to New Spain in 1736. Becoming fascinated by the Mesoamerican cultures of the New World, he collected and copied native writings—and learned Nahuatl, the language in which most of these documents were written. Boturini's incomparable collection—confiscated, neglected, and dispersed after the Spanish crown condemned his intellectual pursuits—became the basis of his Idea of a New General History of North America. The volume, completed in 1746 and written almost entirely from memory, is presented here in English for the first time, along with the Catálogo, Boturini's annotated enumeration of the works he had gathered in New Spain. Stafford Poole's lucid and nuanced translation of the Idea and Catálogo allows Anglophone readers to fully appreciate Boturini's unique accomplishment and his

unparalleled and sympathetic knowledge of the native peoples of eighteenth-century Mexico. Poole's introduction puts Boturini's feat of memory and scholarship into historical context: Boturini was documenting the knowledge and skills of native Americans whom most Europeans were doing their utmost to denigrate. Through extensive, thoughtful annotations, Poole clarifies Boturini's references to Greco-Roman mythology, authors from classical antiquity, humanist works, ecclesiastical and legal sources, and terms in Nahuatl, Spanish, Latin, and Italian. In his notes to the *Catálogo*, he points readers to transcriptions and translations of the original materials in Boturini's archive that exist today. Invaluable for the new light they shed on Mesoamerican language, knowledge, culture, and religious practices, the *Idea of a New General History of North America* and the *Catálogo* also offer a rare perspective on the intellectual practices and prejudices of the Bourbon era—and on one of the most curious and singular minds of the time.

Textos Breves 1887 1936 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Textos Breves 1887 1936 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Textos Breves 1887 1936 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Textos Breves 1887 1936 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong

learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Textos Breves 1887 1936 Books

What is a Textos Breves 1887 1936 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Textos Breves 1887 1936 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Textos Breves 1887 1936 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Textos Breves 1887 1936 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Textos Breves 1887 1936 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.

Find Textos Breves 1887 1936

Authorama.com features a nice selection of free books written in HTML and XHTML, which basically means that they are in easily readable format. Most books here are featured in English, but there are quite a few German language texts as well. Books are organized alphabetically by the author's last name. Authorama offers a good selection of free books from a variety of authors, both current and classic. If you are looking for free eBooks that can help your programming needs and with your computer science subject, you can definitely resort to FreeTechBooks eyes closed. You can text books, books, and even lecture notes related to tech subject that includes engineering as well. These computer books are all legally available over the internet. When looking for an eBook on this site you can also look for the terms such as, books, documents, notes, eBooks or monograms. Between the three major ebook formats—EPUB, MOBI, and PDF—what if you prefer to read in the latter format? While EPUBs and MOBIs have basically taken over, reading PDF ebooks hasn't quite gone out of style yet, and for good reason: universal support across platforms and devices. The Kindle Owners' Lending Library has hundreds of thousands of free Kindle books available directly from Amazon. This is a lending process, so you'll only be able to borrow the book, not keep it. OHFB is a free Kindle book website that gathers all the free Kindle books from Amazon and gives you some excellent search

features so you can easily find your next great read. If you have an eBook, video tutorials, or other books that can help others, KnowFree is the right platform to share and exchange the eBooks freely.
