Direct Hits selective approach of only focusing on topics that have generated clusters of questions. Here are some of the book 's unique features: 40 chronological chapters that focus on 196 key topics. Each topic is covered in a vivid narrative outline. Over 100 study tips that tell students what to ignore and what to emphasize. Correlations to the treasure trove of information found at the College Board 's AP Central website. Detailed chapters on the DBQ and Free-Response essays that include annotated sample essays and thesis paragraphs. A triple tier study plan that includes long-term, mid-term and short term materials. The short-term materials include ten Top Ten lists of keypoints students absolutely, positively have to know. Additional coverage of post-World War II topics that are often skimmed over or even skipped in classes that fall behind schedule. SAT vocabulary words taken from the renowned Direct Hits vocabulary books are integrated and defined in the narrative. About the Author: Larry Krieger is the leading authority on US History, World History, Art History, and the SAT, having written over 20 books on the subjects. In a teaching career that has spanned over 40 years, Krieger has taught urban, rural, and suburban students. In 2004 and 2005, the College Board recognized Larry as one of America 's most successful AP teachers. Krieger is particularly proud of US History in a Flash. It contains a lifetime of key points, strategies, and tips for both the AP US History exam and the SAT II US History subject test.

you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on the AP United States History Exam! After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and applications to teach this "Insider's Language" to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners (ESL), and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Get your copy today! N.B. When viewing our workbooks on a digital device such as a Kindle, we highly recommend the use of a PDF mark-up software such as Squid® as it will make the experience much more effective and enjoyable.
