We now offer a wide range of services for both traditionally and self-published authors. What we offer. Newsletter Promo. Promote your discounted or free book. If your public library has a subscription to OverDrive then you can borrow free Kindle books from your library just like how you'd check out a paper book. Use the Library Search page to find out which libraries near you offer OverDrive. It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. Project Gutenberg (named after the printing press that democratized knowledge) is a huge archive of over 53,000 books in EPUB, Kindle, plain text, and HTML. You can

download them directly, or have them sent to your preferred cloud storage service (Dropbox, Google Drive, or Microsoft OneDrive). It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Finding the Free Ebooks. Another easy way to get Free Google eBooks is to just go to the Google Play store and browse. Top Free in Books is a browsing category that lists this week's most popular free downloads. This includes

public domain books and promotional books that legal copyright holders wanted to give away for free. Open Library is a free Kindle book downloading and lending service that has well over 1 million eBook titles available. They seem to specialize in classic literature and you can search by keyword or browse by subjects, authors, and genre. OHFB is a free Kindle book website that gathers all the free Kindle books from Amazon and gives you some excellent search features so you can easily find your next great read. FeedBooks provides you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate.
