example. Browse the free eBooks by authors, titles, or languages and then download the book as a Kindle file (.azw) or another file type if you prefer. You can also find ManyBooks' free eBooks from the genres page or recommended category. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Free ebooks for download are hard to find unless you know the right websites.
