There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. It is the easy way to get anything and everything done with the tap of your thumb. Find trusted cleaners, skilled plumbers and electricians, reliable painters, book, pdf, read online and more good services. PixelScroll lists free Kindle eBooks every day that each includes their genre listing, synopsis, and cover. PixelScroll also lists all kinds of other free goodies like free music, videos, and apps. If you are a book buff and are looking for legal material to read, GetFreeEBooks is the right destination for you. It gives you access to its large database of free eBooks that range from education & learning, computers & internet, business and fiction to novels and much more. That's not all as you can read a lot of related articles on the website as

well. Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. You can search for free Kindle books at Free-eBooks.net by browsing through fiction and non-fiction categories or by viewing a list of the best books they offer. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. Open Culture is best suited for students who are looking for eBooks related to their course. The site offers more than 800 free eBooks for students and it also features the classic fiction books by famous authors like, William Shakespear, Stefen Zwaig, etc. that gives them an edge on literature. Created by real editors, the category list is frequently

updated. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Want to listen to books instead? LibriVox is home to thousands of free audiobooks, including classics and out-of-print books.
