It would be nice if we're able to download free e-book and take it with us. That's why we've again crawled deep into the Internet to compile this list

of 20 places to download free e-books for your use. Read Print is an online library where you can find thousands of free books to read. The books are classics or Creative Commons licensed and include everything from nonfiction and essays to fiction, plays, and poetry. Free registration at Read Print gives you the ability to track what you've read and what you would like to read, write reviews of books you have read, add books to your favorites, and to join online book clubs or discussion lists to discuss great works of literature. PixelScroll lists free Kindle eBooks every day that each includes their genre listing, synopsis, and cover. PixelScroll also lists all kinds of other free goodies like free music, videos, and apps. Similar to PDF Books World, Feedbooks allows those that sign up for an account to download a multitude of free e-books that have become accessible via public domain, and therefore cost you nothing to access. Just make sure that when you're on Feedbooks' site you head to the "Public Domain" tab to avoid its collection of "premium" books only available for purchase. Here are 305 of the best book subscription services available now. Get what you really want and subscribe to one or all thirty. You do your need to get free book access. From books, magazines to tutorials you can access and download a lot for free from the publishing platform named Issuu. The contents are produced by famous and independent writers and you can access them all if you have an account. You can also read many books on the site even if you do not have an account. For free eBooks, you can access the authors who allow you to download their books for free that is, if you have an account with Issuu. FreeBooksHub.com is another website where you can find free Kindle books that are available through Amazon to everyone, plus some that are available only to Amazon Prime members. If you have an eBook, video tutorials, or other books that can help others, KnowFree is the right platform to share and exchange the eBooks freely. While you can help each other with these eBooks for educational needs, it also helps for self-practice. Better known for free eBooks in the category of information technology research, case studies, eBooks, Magazines and white papers, there is a lot more that you can explore on this site. Because this site is dedicated to free books, there's none of the

hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).
