**The Parrot** Guy de Maupassant.2021-12-02 A drunkard and a brute, Patin's marriage to Désirée is an unhappy one. He leaves to go fishing one night during a terrible storm, and never returns. Désirée is convinced he has somehow managed to cheat death and lives in constant fear of his return. Some years later she buys a parrot, and her nightmare begins anew. Amusing and humorous, The Parrot is a short comedy in which Maupassant holds his cards close to his chest, keeping his readers guessing until the final page. Guy de Maupassant (1850-1893) was a French writer. Famed for being a master of the short story, he also wrote travel books and occasionally dabbled in poetry. His stories mainly focus on the relationships between men and women sitting at crossroads in their lives - whether personal or professional. His dramatic flair is largely influenced by French novelist Gustave Flaubert and is perfect for fans of Anton Chekhov's short stories. The most notable of the 300 short stories that he wrote include 'Bel Ami', 'Une Vie', and 'The Dumpling'.

**Losing Eugenio** Geneviève Brisac.1999 Winner Of The Prix Femina In a small flat in Paris, a single mother, Nouk, lives with her son. As winter sets in, she invents a fairytale Christmas. But reality keeps breaking through the brittle facade that Nouk has constructed. This bleakly tender novel tackles the complicated fears and emotions experienced by every lone parent. It follows the life of a woman at the edge of her resources: a mother with everything to lose. A wry, heart-breaking account of a single mother at odds with the world, Losing Eugenio is the highly acclaimed winner of the Prix Femina and has already sold over 150,000 copies in France. Geneviève Brisac has the solid gifts of a novelist. Besides the ability to make herself small and to hide behind her characters, she can also turn the cold, objective - even ironic - sadness of her gaze upon the world. Le Figaro Littéraire Geneviève Brisac writes like a slipped smile. L'Express Geneviève Brisac has written three novels, several children's books and is a contributor to the literary pages of Le Monde.

**The Wars of the Roses** Trevor Royle.2010 In this sweeping history, Trevor Royle reanimates the bitter, multi-generational conflict that shaped the history of England. The Wars of the Roses and their epic display of human foibles inspired eight plays by Shakespeare. The prize was the crown of England, and the players were the rival houses of Lancaster and York. The dynastic quarrel threatened the collapse of the monarchy as a succession of weak rulers failed to deal with an overzealous aristocracy, plunging England into a series of violent encounters. This exciting national conflict was played out against a backdrop of international turmoil, with England's position in France, Scotland, and Ireland shifting over the course of the wars. All this culminated in the rise of one of the most dynamic ruling families in England, the Tudors. Royle covers it all—the alliances, the betrayals, the bloody battle scenes—in this elegant, fast-paced, and comprehensive history.--BOOK JACKET.

**The Invention of Rivers** Dilip da Cunha.2018 Featuring more than 150 illustrations, many in color, The Invention of Rivers integrates history, art, cultural studies, hydrology, and geography to tell the story of how rivers have been culturally constructed as lines granted special roles in defining human habitation and everyday practice.

**The Oxford Handbook of Deaf Studies in Learning and Cognition** Marc Marschark,Harry Knoors.2020-05-25 In recent years, the intersection of cognitive psychology, developmental psychology, and neuroscience with regard to deaf individuals has received increasing attention from a variety of academic and educational audiences. Both research and pedagogy have addressed questions about whether deaf children learn in the same ways that hearing children learn, how signed languages and spoken languages might affect different aspects of cognition and cognitive development, and the ways in which hearing loss influences how the brain processes and retains information. There are now a number of preliminary answers to these questions, but there has been no single forum in which research into learning and cognition is brought together. The Oxford Handbook of Deaf Studies in Learning and Cognition aims to provide this shared forum, focusing exclusively on learning, cognition, and cognitive development from theoretical, psychological, biological, linguistic, social-emotional, and educational perspectives. Each chapter includes state-of-the-art research conducted and reviewed by international experts in the area. Drawing this research together, this volume allows for a synergy of ideas that possesses the potential to move research, theory, and practice forward.

**The Little War Cat** Hiba Noor Khan.2020-09-17 Inspired by a true story, The Little War Cat is a moving tale of hope amidst conflict, written by debut author Hiba Noor Khan and beautifully illustrated by the astonishing Laura Chamberlain. The Little War Cat follows the story of a little grey cat who is caught up in the BANGS and CRASHES of the humans in boots, who have changed the city of Aleppo she knew so well into one that's harder to recognize. She is roaming the streets looking for food and shelter when an unlikely friend appears. He shows her that kindness is still there when you look for it, and soon the little grey cat knows exactly what to do to make a difference herself.

**The True Meaning of Christ's Teaching** Omraam Mikhaël Aïvanhov.1985-01-01

**The Godmakers** Frank Herbert.2013-04-21 An interstellar agent discovers his latent powers while investigating a warlike planet in this classic sci-fi fantasy by the author of Dune. It's been centuries since the devastating Rim Wars separated numerous planets from the protection and control of the galactic empire. The Rediscovery and Reeducation Service is dedicated to finding these "lost planets" and returning them to the fold. But not all civilizations are eager to cooperate. Young and charismatic, Lewis Orne is one of the best R&R agents in the organization's history. But when he identifies troubling signs on the planet of Hamal, he is transferred to Investigative Adjustment, the agency that specializes in dealing with violent worlds. Suddenly, Orne is shuttling to the edge of the galaxy to detect any signs of latent aggression among Hamal's

population. Shortly after making landfall, Orne makes a far more astonishing discovery: he suddenly finds himself in possession of profound extrasensory powers. When these powers become known, he is invited to join Hamal's company of "gods." It is an offer too enticing to refuse. Yet being a god comes with certain expectations . . .

**The Rules Or Secrets of the Naqshbandi Order** Omar Ali-Shah.1998

*Economic Policy: Theory and Practice* Agnes Benassy-Quere,Benoit Coeure,Pierre Jacquet,Jean Pisani-Ferry.2018-11-07 Economic Policy provides a unique combination of facts-based analysis, state-of-the art economic theory, and insights from first-hand policy experience at the national and international levels to shed light on current domestic and international policy challenges. It is ideally suited for students, practitioners, and scholars seeking understanding both of the pragmatic constraints of real-world policy making and the analytical tools that enhance inquiry and inform debates. The authors draw on their experiences as academics and as policy makers in European and international institutions to offer a deep dive into the rationale, design, and implementation of economic policy across a range of policy domains: fiscal policy, monetary policy, international finance, financial stability, taxes, long-term growth and inequality. Highlighting the ways experience, theories, and institutions interact, each chapter starts with historical examples of dilemmas and shows how theoretical approaches can help policy makers understand what is at stake and identify solutions. The authors highlight the differences between the positive approach to economic policy (how do policies impact the economy), the normative approach (what should be policymakers' objectives and against which criteria should their action be judged), and the political-economy constraints (what are the limits and obstacles to public intervention). They rely on the most recent academic research, providing technical boxes while explaining the mechanisms in plain English in the text, with appropriate illustrations. This new edition is informed by such important recent developments as the Great Recession, the strains on the European Union and the Euro, the challenges of public and private debt, the successes and setbacks to emerging markets, changes to labor markets along with the increased attention to inequality, the debates on secular stagnation and its implications for conventional and unconventional monetary policy, the re-regulation of the financial sector, the debt overhang in both the public and the private sector.

**Diasporic Subjectivity and Cultural Brokering in Contemporary Post-Colonial Literatures** Igor Maver.2009-06-16 Diasporic writing simultaneously asserts a sense of belonging and expresses a sense of being 'ethnic' in a society of immigration. The essays in this volume explore how contemporary diasporic writers in English use their works to mediate this dissonance and seek to work through the ethical, political, and personal affiliations of diasporic identities and subjectivities. The essays call for a remapping of post-colonial literatures and a reevaluation of the Anglophone literary canon by including post-colonial diasporic literary discourses. Demonstrating that an intercultural dialogue and constant cultural brokering are a must in our post-colonial world, this volume is a valuable contribution to the ongoing discourse on post-colonial diasporic literatures and identities.

*To Build a Better World* Philip Zelikow,Condoleezza Rice.2019-09-10 A deeply researched international history and exemplary study (New York Times Book Review) of how a divided world ended and our present world was fashioned, as the world drifts toward another great time of choosing. Two of America's leading scholar-diplomats, Philip Zelikow and Condoleezza Rice, have combed sources in several languages, interviewed leading figures, and drawn on their own firsthand experience to bring to life the choices that molded the contemporary world. Zeroing in on the key moments of decision, the might-have-beens, and the human beings working through them, they explore both what happened and what could have happened, to show how one world ended and another took form. Beginning in the late 1970s and carrying into the present, they focus on the momentous period between 1988 and 1992, when an entire world system changed, states broke apart, and societies were transformed. Such periods have always been accompanied by terrible wars -- but not this time. This is also a story of individuals coping with uncertainty. They voice their hopes and fears. They try out desperate improvisations and careful designs. These were leaders who grew up in a postwar world, who tried to fashion something better, more peaceful, more prosperous, than the damaged, divided world in which they had come of age. New problems are putting their choices, and the world they made, back on the operating table. It is time to recall not only why they made their choices, but also just how great nations can step up to great challenges. Timed for the thirtieth anniversary of the fall of the Berlin Wall, *To Build a Better World* is an authoritative depiction of contemporary statecraft. It lets readers in on the strategies and negotiations, nerve-racking risks, last-minute decisions, and deep deliberations behind the dramas that changed the face of Europe -- and the world -- forever.

**I Like Him, He Likes Her** Phyllis Reynolds Naylor.2010-05-18 Find a Penny pick it up and all day long you'll have good luck...except, of course, if that Penny is charming and pretty and funny, and the person picking her up just happens to be your boyfriend. Alice McKinley's freshman year is not as "lucky" as she was hoping it would be. But she's is trying to look on the bright side. There are worse things than being single for a semester... for a school year...for the whole summer.... At least Alice can count on her best friends for support—in theory, anyway. Lately they haven't been all that there-for-her. In fact, it seems like Pam and Liz are suddenly involved in intense, secret conversations whenever Alice is around. Single is starting to feel a whole lot like solo.

**Dictionnaire Hachette-Oxford Concise** Marie-Hélène Corr  ard.2012 This intermediate French dictionary now has a new grammar supplement that focuses on the key points of French grammar providing invaluable support to anyone learning to speak, read and write in French.

**All Men Are Liars** Alberto Manguel.2012-06-05 In this gorgeously imagined novel, a journalist interviews those who knew—or thought they knew—Alejandro Bevilacqua, a brilliant, infuriatingly elusive South American writer and author of the masterpiece, *In Praise of Lying*. But the accounts of those in his circle of friends, lovers, and enemies become increasingly contradictory, murky, and suspect. Is everyone lying, or just telling their own subjective version of the truth? As the literary investigation unfolds and a chorus of Bevilacqua's peers piece together the fractured reality of his life, thirty years after his death, only the reader holds the power of final judgment. In *All Men Are Liars*, Alberto Manguel pays homage to literature's inventions and explores whether we can ever truly know someone, and the question of how, by whom, and for what, we ourselves will be remembered.

Dirty Nasty Freaks Callie Hart.2018-08-15 Face of an angel. Body of a god. And a mouth so dirty he could make the devil blush... Fix Marcosa's time can be bought with money, but he isn't selling sex. Murderers, rapists, criminals: if you're on the wrong side of Fix's moral code, you're in trouble. The kind of trouble that winds up getting you killed. As a hitman for hire, Fix is no stranger to violence. He's merciless. Relentless. A true savage, down to the roots of his very soul. You can beg. You can plead. You can pray, but it won't do you any good. Once the tall, dark stranger arrives at your doorstep, it's already too late to repent. Sera Lafferty's no stranger to heartbreak. With an abusive father and a dependant sister, her life has been one of sacrifice and compromise. As soon as she sets eyes on Felix 'Fix' Marcosa, she recognizes the darkness in him and makes a vow: she will not get involved. But trapped inside a motel room with the sexiest man to ever walk the earth? Throw in some tequila and the storm to end all storms, and Sera finds herself worshipping at the altar of Marcosa. She knows she made a mistake. She knows she needs to run. But when she witnesses the assassin at work first hand, she knows it's far too late. Thrown into the back of his sleek black ride, Sera finds herself trapped, and in more way than one. Fix is deadly. He's demanding, he's dirty, and he's determined to claim her for his own. \* THIS THE THE FULL BOOK OF DIRTY NASTY FREAKS\*

Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. If you have an eBook, video tutorials, or other books that can help others, KnowFree is the right platform to share and exchange the eBooks freely. While you can help each other with these eBooks for educational needs, it also helps for self-practice. Better known for free eBooks in the category of information technology research, case studies, eBooks, Magazines and white papers, there is a lot more that you can explore on this site. As you'd expect, free eBooks from Amazon are only available in Kindle format - users of other eBook readers will need to convert the files - and you must be logged into your Amazon account to download them. We now offer a wide range of services for both traditionally and self-published authors. What we offer. Newsletter Promo. Promote your discounted or free book. The Literature Network: This site is organized alphabetically by author. Click on any author's name, and you'll see a biography, related links and articles, quizzes, and forums. Most of the books here are free, but there are some downloads that require a small fee. You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf

before you can sort books by country, but those are fairly minor quibbles. After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone. Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start. FeedBooks: Select the Free Public Domain Books or Free Original Books categories to find free ebooks you can download in genres like drama, humorous, occult and supernatural, romance, action and adventure, short stories, and more.
