IELTS Up TASK 2 Writing Adam Cann.2020-04-05 I was an IELTS examiner and I wrote this book with the current IELTS Task 2 topics for 2020.The goal of this bookThe purpose of IELTS UP is to improve writing skills and give ideas for people who wish to receive a score of 6.0-7.0 or higher for Task 2 of IELTS Academic and General exam. This book strives to reach your desired score by giving you the ideas and vocabulary for current topics. I have many years of experience successfully developing learners for the IELTS exam and many more years as a writing examiner. The layout of this book has been used with countless students with great success. This book can be used in the classroom with a teacher or as a self-study manual.Description of Writing Task 2Task 2 is similar to putting a jigsaw puzzle together. The exam question gives a tiny picture of what you must make. The puzzle pieces are in your mind somewhere, but you only have 40 minutes to find them and put them together. If you have ever built a jigsaw puzzle, you know how essential the corner and edge pieces are.This innovative book, unlike any other, gives you the corner and edge pieces (ideas) that match with all current exam questions. No other book does this! Having good ideas for topics is necessary to achieve 7 or higher on your IELTS writing.This book will:*Give 5 to 10 minutes more to do Task 2.*Give more ideas to write more.*Give you great ideas to make your Task 2 look better.*Give you more vocabulary and grammar.Challenges to overcome for Writing Task 2This book dramatically helps candidates with the two most notable complaints about IELTS Writing.Candidate complaint #1 - I do not have enough time to write Task 2 well.Solution - This book provides ALL type 2 questions and ideas so you can save time preparing before you start writing.Candidate complaint #2 - the topic is strange or not well known to me, so it is hard to write a good essay.Solution - By looking at all the question, especially the topics less familiar, you can quickly plan a convincing essay to receive a score of 7 to 8 comfortably.Candidate complaint #3 - It is not easy to use different words to talk about the same topic.Solution - Each topic in this book has synonyms and idioms to improve your vocabulary score.This book has all the connecting words and referencing advice you need to receive a 7 to 8. Connecting words like however and there, and knowing how to refer back to previous ideas is necessary for 7 and higher.Vocabulary - Many books give you lists of words and synonyms. However, then you lose points on your writing test because you have misused words or have the wrong collocation. By looking at how this book uses different words to describe ideas in context, you will have a much better idea when you write your exam.This book guarantees to have all you need to receive 7 or higher for 3 of the 4 categories: Task Achievement, Coherence + Cohesion, and Lexical Resource(vocabulary).Note for teachersYou can format this book from epub to a Word document. There are 47 lessons which can begin with the 'vocabulary questions' included for each topic. These questions will help learners to activate schemata and personalize lexis to improve writing and speaking.For self-study studentsYou can study alone, but more progress will be made if you have a partner or group. You can use the vocabulary questions to improve your understanding of more academic words/collocations that will help you with speaking, listening and reading. The book is not meant to be memorised but rather to give you ideas for you to add your examples. You cannot memorise an essay. You can have more ideas and vocabulary about many different topics so that when it comes time to write, you can do so much more confidently.Each essay style is provided with many examples, vocabulary and vocabulary questions to help you improve your vocabulary

IELTS Writing Task 2 - Expert Preparation Adam Wensor.2016-04-20 Introducing IELTS Writing Task 2 - Expert Preparation. This book focusses on one of the most important and difficult tasks for many IELTS test-takers worldwide.The approach of this book is unique. It introduces essay writing frameworks based on 13-14 sentences, which when followed, enable students to write an essay which is cohesive, complex and most importantly addresses the IELTS examination criteria. In particular, the included frameworks help students develop the skills necessary to identify specific question types, conceptualise topic sentences and supporting statements and to formulate more complex contrast sentences within paragraphs. Few textbooks on the market provide such clear and concise frameworks for constructing essays specifically geared to IELTS.In terms of content, IELTS Writing Task 2 - Expert Preparation is as much about planning as it is about writing a response. Focussing on the different question types used in the IELTS test, this book outlines the essay planning process for each before featuring entire essays broken down using the outlined frameworks. For each question type, the text includes essays indicative of Band 9 responses (the highest possible score). These are excellent model texts, particularly since they make use of the ten unique 'grammar points' presented in the final pages of the book. Overall, being both concise and practical, IELTS Writing Task 2 - Expert Preparation is an excellent resource for classroom-based IELTS courses or students' self-study. By taking a fresh and detailed approach, this book demystifies essay writing, allowing both students and educators alike to very quickly understand what is involved in achieving more improved IELTS Task 2 writing scores.

Successful Essay Writing For English as Second Language (ESL) Certification: Templates - Samples - Topic Analysis Stavros Karathanasis. 2020-01-16 This series of four books has been designed to help candidates of the various English Language Examinations in use today (ECCE, ECPE, FCE, CAE, CPE, IELTS, TOEIC) produce better essays. All these examinations require the candidate to write a text at a proficient level of the English language. However, writing English essays at this level is not something that comes naturally to people. While learning about the process of essay writing is easy, writing good essays is difficult, even for native English speakers, let alone for people whose first language is not English. It requires systematic work and practice. I do not claim to know everything about essay writing. The knowledge contained in these pages has been acquired during my long-time study of English and is based on a number of very good books and internet sites. I hope this book to assist you accomplish your goal of essay writing learning. The methods discussed in this book are essentially applicable to all essay writing types, regardless of the exam you intend to take. As it has been already noticed, Writing is not theory. It cannot be learned from only reading a book. It requires practice, making mistakes and learning from them. It takes perseverance. But more than anything else, it takes you actually sitting down writing. When answering the question asked by the examination process, read it again and again and read it while you are writing your essay so that to be sure you are truly answering it. There is no excuse for losing valuable points or receiving a failing grade simply because you failed to answer the question asked. A grammatically correct writing does not save you if your composition does not answer the topic rubric. This is the fourth book of this series. It is the last book that integrates this Essay Writing Book Series. It uses all essay instructions and essay tips presented in the first three books, and it contains 13 Essay Templates, 14 Sample Essays, 89 Analyzed Topic, and 48 Topic Questions. Along with the other three books of this Series, it is a complete and comprehensive short essays' guide. In any case, do not hesitate to look for the other three books. Only this way will your Essay Writing Study be complete.

Range David Epstein.2021-04-27 The #1 New York Times bestseller that has all America talking—with a new afterword on expanding your range—as seen on CNN's Fareed Zakaria GPS, Morning Joe, CBS This Morning, and more. "The most important business—and parenting—book of the year." —Forbes "Urgent and important. . . an essential read for bosses, parents, coaches, and anyone who cares about improving performance." —Daniel H. Pink Shortlisted for the Financial Times/McKinsey Business Book of the Year Award Plenty of experts argue that anyone who wants to develop a skill, play an instrument, or lead their field should start early, focus intensely, and rack up as many hours of deliberate practice as possible. If you dabble or delay, you'll never catch up to the people who got a head start. But a closer look at research on the world's top performers, from professional athletes to Nobel laureates, shows that early specialization is the exception, not the rule. David Epstein examined the world's most successful athletes, artists, musicians, inventors, forecasters and scientists. He discovered that in most fields—especially those that are complex and unpredictable—generalists, not specialists, are primed to excel. Generalists often find their path late, and they juggle many interests rather than focusing on one. They're also more creative, more agile, and able to make connections their more specialized peers can't see. Provocative, rigorous, and engrossing, Range makes a compelling case for actively cultivating inefficiency. Failing a test is the best way to learn. Frequent quitters end up with the most fulfilling careers. The most impactful inventors cross domains rather than deepening their knowledge in a single area. As experts silo themselves further while computers master more of the skills once reserved for highly focused humans, people who think broadly and embrace

diverse experiences and perspectives will increasingly thrive.

English For The World: IELTS Writing Module Band 8 James Martin.2015-11-18 BIG DISCOUNT - ONLY for this WEEKEND!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! Do you need a high score in the IELTS writing section (Academic test format)? Would you like to see what a high scoring sample answer look like (written by an IELTS teacher)? Do you want to know the important tips that make high scoring answers? If you're someone who wants to achieve a 7, 8 or 9 for the IELTS writing section, then you're about to see exactly how an IELTS professional writes high scoring answers! This ebook provides sample answers that are exactly what the examiners look for. Did you know that many sample IELTS writing answers on the internet today do not match the expectations of an IELTS examiner? So it's important that if you are in the search for model answers then you consider answers that are accurate examples that align with the official IELTS scoring criteria. Imagine being able to understand how high scoring answers are structured for Task 2? How about learning how grammar and vocabulary are used? You can, just by downloading this book! Inside this book you'll get: - High scoring model answers - The IELTS writing question types (clearly explained) - Suggested answer structure (which you can follow and use yourself) - Scoring criteria (how to write your answers to maximise your score) - Important tips you must know If you're sick of reading different IELTS preparation books, if you're tired of taking the IELTS several times and still not getting the score you want, then you must download this book! It will save you time and you'll quickly understand the differences between low scoring answers and high scoring answers. This book has been put together to guide IELTS students on how to best answer the writing questions. Along with sample answers, which the author has written herself, the book also shares important tips for helping you succeed! Writing Task 2 is designed to test your ability to write an academic style essay. You must present the information in your own words as complete sentences within paragraphs. You are required to write over 250 words, and the task should be completed in about 40 minutes (both part 1 and 2 must be finished in 1 hour). Types of Topics There are many different topics for essays in the exam, but typical topic areas include: education, crime, media, technology, social issues, technology and the future, and the environment. In this case it makes sense to build up vocabulary in these key areas in order to have sufficient language to write an essay well. Types of Questions There are three main types of essay questions that are included in the IELTS writing exam. It is important to learn how to structure each of these types. Each of these will be described more fully in the sections that follow. Briefly, they are an opinion essay, where you are asked to give your own personal opinion on a topic; a both sides and opinion essay, where you are required to discuss both sides of an argument and then give your own personal opinion on the topic; and a two question essay, which involves responding to two different questions.
